SUBJECT: Wet & Forget USA Ltd.
WET & FORGET (EPA Reg. No. 84115-1)
Notification of Minor Label Changes per PR Notice 98-10

Dear Ms. Noble:

On behalf Wet & Forget USA Ltd., I am submitting a Notification of minor label changes for their end-use product, **WET & FORGET (EPA Reg. No. 84115-1)**. The purpose of this Notification is to add some optional non-pesticidal marketing language to the product's label.

Please note that all additions / revisions involve no changes to the ingredients statement, signal word, use classification, precautionary statements, first aid, us directions, physical/chemical properties, or storage and disposal language. Furthermore, the additions / revisions do not substitute for or conflict with label text, and are not false or misleading.

Enclosed please find the following documents in support of this submission:

1. Application for Pesticide Notification (OPP ID No. 265394), which includes a signed statement certifying compliance with PR Notice 98-10;
2. One (1) copy of the proposed product labeling, with changes highlighted; and,
3. One (1) clean copy of the proposed product labeling.

Thank you for your assistance with this submission. If you have any questions, please call me at 202-393-3903 x.17 or e-mail me at alkoster@lewisharrison.com.

Sincerely,

Ana Rodriguez-Koster
Agent for Wet & Forget USA Ltd.

Enclosures

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

DANGER. Corrosive. Causes irreversible eye damage and skin burns. Harmful if swallowed or absorbed through the skin. Do not get in eyes, on skin, or on clothing. Wear protective eyewear (safety glasses or face shield), protective clothing, and rubber gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse. Avoid contamination of food. Avoid breathing spray mist.

Personal Protective Equipment (PPE)

Applicators and other handlers must wear protective eyewear, long pants and long-sleeved shirt, shoes plus socks and chemical-resistant gloves. Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

User Safety Recommendations

Users should:

- Wash hands before drinking, eating, chewing gum, using tobacco or using the toilet.
- Remove PPE clothing immediately if the pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

WET & FORGET

Active Ingredients:

Alkyl (C₁₄ 50%, C₁₂ 40%, C₁₆ 10%)
 dimethyl benzyl ammonium chloride 9.9%
 Other Ingredients:..... 90.1%
 Total: 100.0%

KEEP OUT OF REACH OF CHILDREN

DANGER

See [right] [left] [side] [back] panel for Precautionary Statements [and First Aid]

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Remove contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. In case of transport or medical emergency, call CHEMTREC at 1-800-262-8200.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

NET CONTENTS: [1.32 Gallons] [1 Gallon] [Half Gallon]

[Manufactured by:] [Manufactured for:] [Distributed by:]

Wet & Forget USA Ltd.
P. O. Box 100-959
North Shore Mail Center
New Zealand

For use on [sealed] concrete, [non-porous] pool surroundings, patio furniture (except cushions and wood frames), [sealed] natural stone, [sealed] tombstones, roofs (asphalt and fiberglass shingles, color steel, [sealed] clay and concrete tiles), [sealed] [non-grass] tennis courts, astro turf (artificial turf), [glazed] ceramic pots, asphalt driveways, painted [non-porous] surfaces, siding (vinyl, aluminum), [non-porous] textured finishes, play equipment (slides, plastic gyms), wood decks, golf tees and greens, and as a spot treatment in residential lawns.

HOW IT WORKS: Once WET & FORGET has killed the moss, mold, algae and/or mildew growth, it relies on the elements to remove the stains. If the surface to be treated is not fully exposed to rainfall or is vertical, some assistance may be required to remove the stains.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO [REMOVE] [KILL] MOSS, MOLD, ALGAE, AND MILDEW: Mix 13 oz. WET & FORGET per 5 gallons of water. Apply use solution to areas infested with moss, mold, algae, or mildew with a [garden] sprayer until surface is thoroughly saturated. Let stand 10 minutes and allow to air dry. Do not employ equipment until treatment has been absorbed, dried, or set. For heavy infestations, [wash off] [remove] dead moss, mold, mildew, algae 12 to 24 hours later with another application of WET & FORGET.

WET & FORGET is best applied in overcast dry conditions to avoid rapid evaporation. Do not apply if heavy rain is expected within 4 - 5 hours.

REACTION TIME: Once treated with WET & FORGET [growth] [stains] may take up to 6 -12 months to come clean in the [very] worst case scenario. It is very important that the mixing instructions are followed.

MAINTENANCE: Repeat application once a year or when new [growth] [stains] [appears] [returns]. Do not repeat treatment more than 6 times per year.

WOOD DECKS: Follow mixing directions. Stains in Cedar or Redwood may require brushing for full stain removal. Use water and hard broom 1 month after application. Once cleaned, it may be maintained with WET & FORGET to prevent [growth] [stains].

GOLF GREENS & TEES: Spray a solution of 1.3 oz. of WET & FORGET per 5 gallons of water until surface is thoroughly saturated. If necessary, repeat spray applications after 10 days. Treatment is not to exceed 10 acres (2,000 gallons). Do not repeat treatment more than 6 times per year.

RESIDENTIAL LAWNS/TURF: Use WET & FORGET as a spot treatment on areas affected by moss or algal growth/stains. Spray a solution of 5.1 oz. WET & FORGET per 5 gallons of water until surface is thoroughly saturated. If necessary, repeat spray applications after 10 days. Treatment is not to exceed 25 gallons per 1000 sq. feet. Do not repeat treatment more than 6 times per year.

TO REMOVE MOSS, MOLD, ALGAE, AND MILDEW STAINS: Mix 1 part WET & FORGET to 5 parts water. Apply use solution with a [garden] sprayer until [dry] surface is thoroughly saturated. [Let stand 10 minutes and] Allow to air dry. A second application 1-2 months after the first may also assist when treating persistent stains. Do not repeat treatment more than 6 times per year.

PLAY EQUIPMENT: Do not allow children on play equipment (i.e., slides, plastic gyms), if it has been treated with WET & FORGET, until the equipment has been washed down with fresh water, a day after application.

PETS: Keep animals off treated surfaces until product has dried. If contamination occurs, rinse animal's paws with fresh water to prevent animal licking WET & FORGET.

FOR ALL APPLICATIONS: Treatment must be performed at least 100 ft. from any pond, lake, stream, or river to prevent possible runoff into waterways.

(Note to reviewer: If container size is one gallon or less, the following Storage and Disposal directions will be used:)

STORAGE AND DISPOSAL

Store in original container in locked [storage] areas inaccessible to children and persons unfamiliar with its use. Do not reuse empty container. [Wrap and] Discard in trash or recycle.

(Note to reviewer: If container size is greater than one gallon, the following Storage and Disposal directions will be used:)

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE

Store in original container in locked storage areas inaccessible to children. Open dumping is prohibited. Do not reuse empty container.

PESTICIDE DISPOSAL

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instruction, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

[Plastic containers:] Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incinerate, or if allowed by state and local authorities, burn. If burned, stay out of smoke.

[Metal Container:] Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or dispose of by other procedures approved by state and local authorities.

Optional Pesticidal Claims:

- Moss, Mold Mildew & Algae Remover
- Kills Moss, Mold, Mildew & Algae

Optional Non-pesticidal Claims:

- [Removes Moss, Mold Mildew & Algae stains from:] [Exterior Surfaces on which you can use WET & FORGET:] [*][sealed] concrete, [non-porous] pool surroundings, patio furniture (except cushions and wood frames), [sealed] natural stone, [sealed] tombstones, roofs (asphalt and fiberglass shingles, color steel, [sealed] clay and concrete tiles), [sealed] [non-grass] tennis courts, astro turf (artificial turf), [glazed] ceramic pots, asphalt driveways, glass houses, painted [non-porous] surfaces, siding (vinyl, aluminum), [non-porous] textured finishes, and play equipment (slides, plastic gyms), canvas awnings, yacht dodgers, wood decks, golf tees and greens, and as a spot treatment in residential lawns.
- *Note to Review: This statement will be used on labels that only include instructions for stain cleaning/removal:* [Coverage: 375 – 1125 sq feet depending on porosity and amount of staining.]
- [Cleans exterior surfaces* with] No pressure-washing or scrubbing required.
- Apply with normal garden sprayer.
- [Non-Caustic] [Non-Acidic] [No Bleach]
- Moss, Mold, Mildew [&] [and] Algae Stain Remover
- [One gallon concentrate] [Half Gallon Concentrate]
- *Note to Review: This statement will be used on labels that only include instructions for stain cleaning/removal:* [Makes 3 Gallons] [Makes 6 Gallons]
- *Note to Review: This statement will be used on labels that only include instructions for stain cleaning/removal:* [How it Works: Once treated with WET & FORGET, the surface requires no pressure washing, scrubbing, or rinsing. Just thoroughly wet the dry surface with WET & FORGET and then forget about it. The elements (wind and rain etc) will slowly wash off the stain.]
