AUG 23 2012

SUBJECT: WET & FORGET  
 EPA Registration Number: 84115-1  
 Application Dated: July 25, 2012  
 Receipt Date: July 26, 2012

Dear Ms. Rodriguez-Koster:

This letter acknowledges receipt of the notification identified above submitted under the provisions of section 3 (c) 9 of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended and PR Notice 98-10 and 40 CFR 152.46.

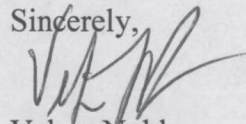

- To add optional non-pesticidal marketing language to the label.

Based on a review of the submitted information, this notification is acceptable. Your proposed change will be made part of the record for this file.

**General Comments**

Should you have any questions concerning this letter, please contact Emilia Oiguenblik at (703) 347-0199 or Velma Noble at (703) 308-6233.

Sincerely,

Velma Noble  
 Product Manager (31)  
 Regulatory Management Branch I  
 Antimicrobials Division (7510P)

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**DANGER.** Corrosive. Causes irreversible eye damage and skin burns. Harmful if swallowed or absorbed through the skin. Do not get in eyes, on skin, or on clothing. Wear protective eyewear (safety glasses or face shield), protective clothing, and rubber gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse. Avoid contamination of food. Avoid breathing spray mist.

**Personal Protective Equipment (PPE)**

Applicators and other handlers must wear protective eyewear, long pants and long-sleeved shirt, shoes plus socks and chemical-resistant gloves. Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

**User Safety Recommendations**

Users should:

- Wash hands before drinking, eating, chewing gum, using tobacco or using the toilet.
- Remove PPE clothing immediately if the pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

**KEEP OUT OF REACH OF CHILDREN**

**DANGER**

See [right] [left] [side] [inside] [back] panel [label] for Precautionary Statements [and First Aid]

**FIRST AID**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Remove contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. In case of transport or medical emergency, call CHEMTREC at 1-800-424-9300.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage.

For use on [sealed] concrete, [non-porous] pool surroundings, patio furniture (except cushions and wood frames), [sealed] natural stone, [sealed] tombstones, roofs (asphalt and fiberglass shingles, color steel, [sealed] clay and concrete tiles), [sealed] [non-grass] tennis courts, astro turf (artificial turf), [glazed] ceramic pots, asphalt driveways, painted [non-porous] surfaces, siding (vinyl, aluminum), [non-porous] textured finishes, play equipment (slides, plastic gyms), wood decks, golf tees and greens, and as a spot treatment in residential lawns.

**HOW IT WORKS:** Once WET & FORGET has killed the moss, mold, algae and/or mildew growth, it relies on the elements to remove the stains. If the surface to be treated is not fully exposed to rainfall or is vertical, some assistance may be required to remove the stains.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**TO [REMOVE] [KILL] MOSS, MOLD, ALGAE, AND MILDEW:** Mix 13 oz. WET & FORGET per 5 gallons of water. Apply use solution to areas infested with moss, mold, algae, or mildew with a [pump up] [garden] sprayer until surface is thoroughly saturated. Let stand 10 minutes and allow to air dry. Do not employ equipment until treatment has been absorbed, dried, or set. For heavy infestations, [wash off] [remove] dead moss, mold, mildew, algae 12 to 24 hours later with another application of WET & FORGET.

WET& FORGET is best applied in overcast dry conditions to avoid rapid evaporation. Do not apply if heavy rain is expected within 4 – 5 hours.

**REACTION TIME:** Once treated with WET & FORGET [growth] [stains] may take up to 6 -12 months to come clean in the [very] worst case scenario. It is very important that the mixing instructions are followed.

**MAINTENANCE:** Repeat application once a year or when new [growth] [stains] [appears] [returns]. Do not repeat treatment more than 6 times per year.

**WOOD DECKS:** Follow mixing directions. Stains in Cedar or Redwood may require brushing for full stain removal. Use water and hard broom 1 month after application. Once cleaned, it may be maintained with WET & FORGET to prevent [growth] [stains].

**GOLF GREENS & TEES:** Spray a solution of 1.3 oz. of WET & FORGET per 5 gallons of water until surface is thoroughly saturated. If necessary, repeat spray applications after 10 days. Treatment is not to exceed 10 acres (2,000 gallons). Do not repeat treatment more than 6 times per year.

**RESIDENTIAL LAWNS/TURF:** Use WET & FORGET as a spot treatment on areas affected by moss or algal growth/stains. Spray a solution of 5.1 oz. WET & FORGET per 5 gallons of water until surface is thoroughly saturated. If necessary, repeat spray applications after 10 days. Treatment is not to exceed 25 gallons per 1000 sq. feet. Do not repeat treatment more than 6 times per year.

**TO REMOVE MOSS, MOLD, ALGAE, AND MILDEW STAINS:** Mix 1 part WET & FORGET to 5 parts water. Apply use solution with a [pump up] [garden] sprayer until [dry] surface is thoroughly saturated. [Let stand 10 minutes and] Allow to air dry. A second application 1-2 months after the first may also assist when treating persistent stains. Do not repeat treatment more than 6 times per year.

**PLAY EQUIPMENT:** Do not allow children on play equipment (i.e., slides, plastic gyms), if it has been treated with WET & FORGET, until the equipment has been washed down with fresh water, a day after application.

**PETS:** Keep animals off treated surfaces until product has dried. If contamination occurs, rinse animal's paws with fresh water to prevent animal licking WET & FORGET.

**PLANTS:** Do not spray directly on to plants. Flush with fresh water if accidentally sprayed.

**FOR ALL APPLICATIONS:** Treatment must be performed at least 100 ft. from any pond, lake, stream, or river to prevent possible runoff into waterways.

(Note to reviewer: If container size is five gallons or less, the following Storage and Disposal directions will be used:)

**STORAGE AND DISPOSAL**

Store in original container in locked [storage] areas inaccessible to children and persons unfamiliar with its use. Nonrefillable container. Do not reuse or refill this container. [Wrap and] Discard in trash or offer for recycling, if available.

(Note to reviewer: For non-refillable containers greater than five gallons, the following Storage and Disposal directions will be used:)

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE**

Store in original container in locked storage areas inaccessible to children. Open dumping is prohibited. Do not reuse empty container.

**PESTICIDE DISPOSAL**

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instruction, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL**

Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty remaining contents into application equipment or a mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty rinsate into application equipment or a mix tank. Offer for recycling, if available, or puncture and dispose of in a sanitary landfill, or incinerate, or if allowed by state and local authorities, burn. If burned, stay out of smoke.
