Subject: Pesticide Registration Improvement Act (PRIA) Formulation Amendment to Change Source of Active Ingredient and Revise the Label to Include Capsaicinoids
Product Name: DeerPro™ Spring/Summer Concentrate
EPA Registration Number: 84178-4
Application Date: August 21, 2019
OPP Decision Number: 554506

Dear Ms. Hunt:

The Confidential Statement of Formula (CSF) referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

Please note that the record for this product currently contains the following acceptable CSF:

- Basic CSF dated February 28, 2020

Any CSFs other than those listed above are superseded/no longer valid.

In addition, the amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. “To distribute or sell” is defined under FIFRA section 2(gg) and its implementing regulation at 40 § CFR 152.3.

Should you wish to add/retain a reference to your company’s website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the U.S. Environmental Protection Agency (EPA). If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact Gina Burnett of my branch by telephone at (703) 605-0513 or via email at burnett.gina@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Andrew C. Bryceland". The signature is fluid and cursive, with the first name being the most prominent.

EPA Reg. No.: 84178-4
 EPA Est. No.: 84178-CT-001

Net Contents: 50 gallons OR 5 gallons OR 2.5 gallons OR 1 gallon OR 32 fl oz

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Caution. Causes slight eye and skin irritation. Avoid contact with eyes, skin and clothes. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

ENVIRONMENTAL HAZARDS

For terrestrial uses: Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restriction: Non-food use only. Not for use on vegetables, herbs or fruit bearing trees.

Use DeerPro™ Summer/Spring Deer Repellent as a repellent to reduce browsing and chewing damage from deer, rabbits, and voles (*Microtus* spp.). Repellency results from the odor of treated plant parts. One application will protect treated plants from 3 – 6 weeks, depending on weather conditions. Treat before the expected time of animal damage.

Thoroughly shake DeerPro™ Summer/Spring Deer Repellent prior to use. Mix one part of formulation with 7 parts of water. Shake or mix thoroughly. Use a hand or low-pressure power sprayer to give a heavy coating to flowers and foliage. Thoroughly cover treatment area to a point well above the reach of animals. To permit repellent film to properly set, apply under favorable drying conditions: 30 minutes before rain or watering, relative humidity below 70% and temperature above 40°F.

Avoid overspray on house siding, patios and containers as product may cause staining.

Thoroughly flush sprayer screens and nozzles promptly following use.

[Optional Hose Attachment Bottle

Connect

1. Shake well before use.
2. Connect sprayer to garden hose.
3. Turn on water.

Spray

1. Extend to area to be treated.
2. Begin spraying- Push & hold tab away from knob, use other hand to turn knob clockwise to ON position.
3. Spray plant material to point of runoff.

Finish

1. To stop spraying, push & hold lock tab away from knob and use other hand to turn knob counter-clockwise to OFF position.
2. Turn off water at faucet.
3. Relieve water pressure in hose by turning sprayer back to ON position until water slows to a drip then turn sprayer OFF.
4. Disconnect sprayer from hose.]

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Keep Away from Children. Store in a cool, dry place.

Pesticide Disposal: (For 50 Gallon Container only)

Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

Container Handling: Refillable container. Refill this container with DeerPro Spring/Summer Deer Repellent only. Do not use this container for any other purpose.

If empty: Return to manufacturer for cleaning. Cleaning before refilling is the responsibility of the refiller.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

OR

Pesticide Disposal: (For 32 fl oz, 1, 2.5 or 5 gallon containers).

Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

Container Handling: Non-refillable container. Do not reuse or refill this container.

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
