Subject: Tide Technical Tebuconazole
EPA Reg. No. 84229-18
Your amendment dated April 30, 2014 adding fruiting vegetables
Decision Number: 491057

Dear Ms. Kay:

The amended labeling referred to above, submitted in connection with registration under the Federal, Insecticide, Fungicide, and Rodenticide Act as amended is acceptable. A stamped copy of your label is enclosed for your records.

You must submit one (1) copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA §6(e). Your release for shipment of the product constitutes acceptance of these conditions.

If you have any questions, please contact Tamue L. Gibson by phone at (703) 305-9096 or via email at gibson.tamue@epa.gov

Sincerely,

A handwritten signature in black ink, appearing to read "Hope A. Johnson".

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed, absorbed through the skin or inhaled. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to mammals, fish, and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Use only as directed on this label.

Review the physical and chemical properties and the formulation advice before formulating products from this product. Detailed physical and chemical proprietary information as well as instructions on formulating products containing Tide Technical Tebuconazole can be made available on request from Tide International USA, Inc.

This product is intended only for the formulation of other tebuconazole fungicide products. Products formulated using Tide Technical Tebuconazole will require registration with the U.S. Environmental Protection Agency. Labeling for products formulated from this product must conform to that which is currently registered with the U.S. Environmental Protection Agency. Any variance from federally registered labeling for products containing tebuconazole will have to be supported by data provided by the formulator.

Tide Technical Tebuconazole is intended for formulation into end-use products for the following:

Terrestrial food/feed crops:

Asparagus	Cucurbit Vegetables crop group 9	Peanuts
Bananas and Plantains	Fruiting Vegetables crop group 8-10	Pistachio
Barley (Seed Treatment & Foliar)	Garden Beets	Pome Fruit crop group 11
Beans	Grasses Grown for Seed	Soybean
Brassica leafy greens Subgroup 5B	Grapes	Stone fruit crop group 12
Bulb vegetables crop group 3	Hops	Sunflower
Corn (sweet, field, seed, popcorn)	Lychee	Tree Nuts crop group 14
Corn (Seed Treatment)	Mango (post harvest)	Turnip
Cotton	Oats (seed treatment)	Wheat (Seed treatment & foliar)
	Okra	

Terrestrial non-food uses:

Golf Course Turf, Flowers, Ground Covers, House Plants, Ornamental Trees, Ornamental Shrubs, Roses, Vines

Wood Protection: Tide Technical Tebuconazole can be formulated into end-use Aqueous and Solvent System products to protect wood against wood-rotting fungi. It may also be formulated into end-use products to protect:

Millwork: Window frames, wood doors, doorframes, etc.

In-Ground Contact Uses: Wood products for in-ground uses (pilings, telephone poles, wood building materials, etc.)

Sapstain Control: Fresh-cut lumber

This product may be used to formulate products for any additional uses not listed on this label if the formulator, user group, or grower has complied with U.S. EPA data submission requirements regarding the support of such use.

Restrictions: Do not package end-use products in metal containers.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Keep product in original container. Store in a cool, dry secure place. Protect from excessive heat. Do not contaminate food or foodstuffs. Do not store or transport near food or feed.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL:

[Plastic bag]: Nonrefillable container. Do not reuse or refill this container. Completely empty bag into application equipment. Then offer for recycling if available or dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

[Fiber drum with liner]: Nonrefillable container. Do not reuse or refill this container. Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then offer for recycling if available or dispose of liner in a sanitary landfill or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke. If drum is contaminated and cannot be reused, dispose of it in the manner required for its liner.

CONDITION OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, weather, presence of other materials or other influencing factors in the use of the product, which are
