Subject: Label Amendment – Labeling modifications and additional ABN
Product Name: Hot Tub Serum Total Maintenance
EPA Registration Number: 84409-2
Application Date: April 12, 2018
Decision Number: 540384

Dear Ms. Guillory:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

The alternate brand name, "Hot Tub Serum Total Maintenance Watercare", has been added to the product file.

EPA Reg. No. 84409-2
Decision No. 540384

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Tara Flint via email at flint.tara@epa.gov or Eric Miederhoff at Miederhoff.eric@epa.gov.

Sincerely,

Eric Miederhoff

IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
HOTLINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center at (800) 858-7378 for general or medical information.	

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Danger. Corrosive. Causes irreversible eye damage and skin burns. May be fatal if swallowed or inhaled. Harmful if absorbed through the skin. Do not get in eyes, on skin, or on clothing. Do not breathe vapor or spray mist. When handling, wear protective

eyewear (goggles or face shield), coveralls worn over long-sleeved shirt and long pants, socks, chemical resistant footwear, chemical resistant gloves and wear a minimum of a NIOSH-approved elastomeric half-mask respirator with organic vapor (OV) cartridges and a combination N, R, or P filter; OR a NIOSH-approved gas mask with OV canisters; OR a NIOSH-approved powered air-purifying respirator with OV cartridges and combination HE filters. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish, aquatic invertebrates, oysters, and shrimp. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.
Do not mix with oxidizers, soap or other anionic materials

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Hot Tub Serum™ Water Treatment & Maintenance Instructions:

Hot Tub Serum Total Maintenance®* is available in various sizes, including our 16 oz. and 2 L (67.628 oz.) sizes. Hot Tub Serum Total Maintenance® is an effective biocide that removes non-public health slime forming microorganisms, gunk, and grunge that may affect water clarity, increases sanitizer demand, and aids in the removal of non-public health biofilm. Hot Tub Serum Total Maintenance® must be added weekly to maintain optimum water clarity and aid in the ongoing maintenance to mitigate the build-up that can accumulate inside the hot tub plumbing infrastructure.

DOSAGE: Add 1 fl. Ounce (30ml) per 100 Gallons every 7 days. Try to add on the same day every week. If excess foaming occurs reduce dosage accordingly. **Small amounts of foaming after application is normal.** Always balance your hot tub water to industry standard levels, (TA) total alkalinity 80-140, (pH) 7.4-7.8, (CH) Calcium Hardness (150-350). Be sure to add an EPA approved sanitizer as per your Hot Tub Serum retailer's recommendation and directions.

*Hot Tub Serum Total Cleanse may be used once every 4-6 months to purge and cleanse your hot tub, prior to your weekly applications of Hot Tub Serum Total Maintenance®.

ALWAYS MAINTAIN RECOMMENDED SANITIZER LEVELS:

TEST water weekly using a reliable Test Kit or Test Strips. Take a water sample to your Hot Tub Serum dealer monthly to make sure all chemistry parameters are being maintained and that your test methods are accurate. CLEAN YOUR FILTER(S) ON A REGULAR BASIS TO ENSURE MAXIMUM PERFORMANCE.

If your hot tub water is cloudy / foaming / yellow / green / smells: You should shock the water and increase daily sanitizer level. If poor water conditions persist, perform another cleanout.

USE ONLY AS DIRECTED

KEEP OUT OF REACH OF CHILDREN

QUESTIONS: CALL 860-798-3198

HOT TUB SERUM SAFETY (Read the directions carefully)

ALWAYS add chemicals to water, NEVER add water to the chemicals.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Open dumping is prohibited. Store only in original container. Do not reuse empty container. Keep this product under locked storage sufficient to make it inaccessible to children or persons unfamiliar with its proper use. Keep from freezing.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Non-refillable container: Do not reuse or refill this container. Triple rinse (or equivalent) promptly after emptying. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. In addition, plastic containers may be disposed of by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

LIMITED WARRANTY AND DISCLAIMER

It is the manufacturer's intention that this product is to be used in accordance with the Directions for Use as stated on this label. The use of this product being beyond control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such use or the results to be obtained if not used in accordance with printed directions and established safe practice. To the fullest extent permitted by law, the buyer's exclusive remedy and manufacturer's or seller's exclusive liability for any and all claims, losses, damages or injuries resulting from the use or handling of this product, whether or not based in contract, negligence, strict liability in tort or otherwise, shall be limited, at the manufacturer's option, to replacement of, or the repayment of the purchase price for, the quantity of product with respect to which damages are claimed.
