Sathaporn Marketing Co., Ltd.

c/o Robin Todd, Agent

ICR Inc.

1330 Dillon Height Avenue

Baltimore, MD 21228-1199

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) and (B) provided that you:

- 1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
 - 2. You make the following label changes: Change the EPA Reg. No. to 84538-3.

Revise the Environmental Hazards statement in accordance with the Allethrins RED as follows: This product is toxic to fish and shrimp. Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of equipment washwaters or rinsate. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas.

Signature of Approving Official:

Our School of Control of Control

EPA Form 8570-6

Revise the statement under the product name to read as follows: For outdoor use only.

Add to the Directions for Use a subsection entitled "Use Restrictions" and place the following in this subsection:

Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.

Move the following statements to the Use Restrictions and revise as follows:

Cover or remove exposed food, feed and drinking water.

Do not inhale vapors.

Do not touch lit end.

Do not place on flammable surfaces.

Do not use in enclosed porches or other enclosed spaces.

Delete the following statements, which may lead to misuse:

For best results use in confined area...

Delete "for best results" from the Directions for use, as it makes compliance with the directions for use optional.

Provide directions for extinguishing the coil.

The holder must display the following information so that it is visible when the coil is in use: the product name, the EPA registration number and establishment number, the Signal word Caution, the statement Keep out of Reach of Children and a reference to the accompanying label.

Revise the container disposal statements to include instructions that explain how to dispose of the holder.

A batch code is required.

Container disposal statements must be revised in accordance with PR Notice 2007-4. A copy is available at: http://www.epa.gov/PR_Notices/pr2007-4.pdf.

Note that the Allethrins RED was signed on June 29, 2007. Additional changes to this registration, including the label and confidential statement of formula, may be required by the Allethrins RED. A copy is available on the EPA website at: http://www.epa.gov/oppsrrd1/REDs/allethrin_red.pdf.

Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

page 3 EPA Reg. No. 84538-3

The basic and alternate confidential statements of formula dated 2008.11.3, received by the Agency on 11/4/08 are acceptable and supersede all previous basic and alternate confidential statements of formula.

KAYARI AROMATIC MOSQUITO COILS
