U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number:

84557-1

Date of Issuance:

MAY 5 2009

Terms of Issuance:

Conditional

Name of Pesticide Product:

TPTH Technical Fungicide

NOTICE OF PESTICIDE:

Registration
 Reregistration
(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

S & H Agro LLC
300 Colonial Center Parkway, Suite 230
Roswell, GA 30076

Attn: Joseph Burley, Regulatory Manager

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

By July 1, 2010 you must submit a one year GLP study for 830.6317 (storage stability) and 830.6320 (corrosion characteristics). It is recommended that the observations should be made at 0, 3, 6, 9 and 12 month interval periods.

There are no label changes required at this time. Submit one (1) copy of final printed label before you release the product for shipment. A copy of your label stamped "Accepted" is enclosed for your records.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Fatal if inhaled. Corrosive, causes irreversible eye damage. May be fatal if swallowed. Fatal if absorbed through the skin. Do not get in eyes, on skin, or on clothing. Do not breath dust, vapor, or spray mist. Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove contaminated clothing and wash before reuse.

The United States Environmental Protection Agency has determined that triphenyltin hydroxide causes birth defects in laboratory animals. Exposure to triphenyltin hydroxide during pregnancy must be avoided.

Personal Protective Equipment (PPE)

When handling either products containing TPTH or spray-diluted mixtures, handlers must wear: long pants, long sleeve shirt, impermeable gloves, hat, boots, and a NIOSH approved respirator with any N. R, P or HE filter. When handling the concentrated products, wear a face shield.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and wildlife. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the Environmental Protection Agency.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into fungicide products intended for the following uses: sugar beets; potatoes; and pecan trees.

This product may only be used to formulate liquid end-use products labeled for use in closed systems only and wettable powder end-use products that are packaged in water-soluble packets.

This product may be used to formulate products for specific use(s) not listed on this label if the formulator, user group, or grower has complied with U.S. Environmental Protection Agency submission requirements regarding support of such use(s).

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Do not use or store near heat or open flame. Store in locked area away from food, feed or fertilizer.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available. Completely empty liner or bag by shaking and tapping sides and bottom to loosen clinging particles. Then dispose of liner or bag in a sanitary landfill, or by incineration if permitted by State and local authorities. Dispose of outer container in the same manner.
