Subject: Disposable Bull Run Yellowjacket Traps W Label Amendment  
Application Dated: June 09, 2009  
EPA File Symbol: 84565-6  
Decision Number: 417152  
PRIA Code: B 680

Dear Ms Smith:

The amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(5), is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit three (3) copies of your final printed labeling before you release the product for shipment. Final printed labeling means the label or labeling of the product when distributed or sold. Clearly legible reproductions or photo reductions will be accepted for unusual labels, such as those silk-screened directly onto glass or metal containers or large bags or drum labels.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(b). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

If you have any questions contact Driss Benmhend at 703-308-9525 or by email at: [benmhend.driss@epa.gov](mailto:benmhend.driss@epa.gov). A stamped copy of the label is enclosed for your records.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda A. Hollis".

Linda A. Hollis, Chief  
Biochemical Pesticides Branch  
Biopesticides and Pollution  
Prevention Division (7511P)

Model \_\_\_\_\_

Disposable  
Bull Run  
YELLOWJACKET TRAP W

- Catches ten yellowjacket species.
- No killing agents – insects die naturally.
- More effective than traps baited with food alone.
- Effective and responsible.
- Complete with attractant.
- Just add water & hang.
- Non-toxic mode of action.
- Will not trap beneficial honeybees.

INGREDIENTS	
Active Ingredient:	
Heptyl Butyrate . . . . .	18.9%
Other Ingredients . . . . .	81.1%
Total . . . . .	100.0%

KEEP OUT OF REACH OF CHILDREN  
CAUTION

NET WT: 0.45 oz

Yellowjacket gauge: 1/2" equals approximately 300 yellowjackets

Read instructions before opening.  
Cut here on dotted line.

**ACCEPTED**

NOV 10 2009

Under the Federal Insecticide, Fungicide,  
and Rodenticide Act, as amended, for  
the pesticide registered under  
EPA Reg. No. 84565-6

3 of 4

**[Back Panel]**

The Bull Run Disposable Yellowjacket Trap is proven to lure the following species:  
Western Yellowjacket (*Vespula pensylvanica*), Prairie Yellowjacket (*V. atropilosa*), California Yellowjacket (*V. sulphurea*), Blackjacket (*V. consobrina*), Forest Yellowjacket (*V. acadica*), Southern Yellowjacket (*V. squamosa*), Northeastern Yellowjacket (*V. vidua*), Common Yellowjacket (*V. vulgaris*), Eastern Yellowjacket (*V. maculifrons*), and German Yellowjacket (*V. germanica*).

----- FILL LINE -----

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[Graphics]

1. Cut plastic on top at dotted line.
2. Pull open and attach string or wire.
3. Add water to fill line on bag. Attractant pouch inside will dissolve and activate within 2-5 hours.
4. Hang outdoors away from human activity, and at least 20 feet from a known yellowjacket nest.

**Use Rate:** Use 2-4 traps for a 10,000 square foot area or 8 to 16 traps per acre. For areas with heavy infestation, use a maximum of 48 traps per acre.

**CAUTION:** Due to the extreme effectiveness of the attractant, use caution when hanging traps. Place traps in late evening or early morning when yellowjackets are less active. People allergic to yellowjacket stings should allow others to hang traps. Yellowjacket stings can be fatal.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.  
**STORAGE:** Store in a cool, dry, well-ventilated location out of reach of children and pets.  
**DISPOSAL:** Close trap and deposit in trash for collection. Wash hands with soap and water.
