PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION. Harmful if swallowed or absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Store this product in a cool dry area in a place inaccessible to children and pets.

Pesticide Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS:

- Do not place Green Dragon Insect Bait in areas accessible to children and pets.
- Do not contaminate food or feed stuffs.
- To control Cockroaches, Ants (except Carpenter, Fire, Harvester and Pharaoh Ants) and Silverfish.

Residential Uses:

Place a small spot approximately the size of a pea on inaccessible surfaces under or behind refrigerators, stoves, sinks, tubs, dishwashers, washing machines and dryers; into openings around drains, water pipes, electrical conduits; and in cracks and crevices around baseboards, corners of cupboards, cabinets and closets. Remove lower drawers in kitchen and bathroom cabinets, bedroom dressers and place into corners of drawer well. Reapply once every 30 days if needed.

Food and Feed Handling Establishments:

Establishments such as restaurants; dairies; packaging; bottling and canning plants; bakeries; mills or anywhere food and feed is stored, prepared, processed, and packaged. Green Dragon Insect Bait may be used in federally inspected meat and poultry plants.

Food Area-Limited to Crack and Crevice Treatments Only:

Includes areas where food or feed is received, stored, prepared, served, packaged, handled in an enclosed system and where edible waste is stored. Place dispensing cartridge in Green Dragon Insect Bait applicator and break tip off. Apply pea-sized or smaller portions of bait directly into cracks and crevices, where equipment meets floors and walls; equipment and counter legs, bases, motors and conduits; holes and openings leading to wall voids where insects may hide. Avoid contamination of feed, foodstuffs, and exposed surfaces where feed and food is prepared, processed and served.

Non-Food Areas:

Includes garbage rooms, rest rooms, laboratories, offices, locker rooms, boiler and equipment rooms, garages, mop closets and storage. Apply to baseboards, around water and drain pipes, underneath and behind sinks, lockers, tables and similar areas where insects may hide.

Serving Areas:

Includes dining rooms, mess halls and other areas where prepared food is served. Apply pea-sized or smaller placements to selected surfaces such as baseboards, underneath booths and into cracks and crevices. Avoid contamination of exposed surfaces where food contact can occur.
