Subject: Non-PRIA (Pesticide Registration Improvement Act) Labeling Amendment – Removing DEET-Free claims and state-specific language; adding batch code
Product Name: Mosi-guard™ Oil of Lemon Eucalyptus Insect Repellent Lotion
EPA Registration Number: 84878-1
Application Date: 12/20/2021
OPP Submission Number: 1080151
OPP Case Number: 00337651

Dear Ms. Faherty:

The amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR § 152.3.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the U.S. Environmental Protection Agency (EPA). If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims

EPA Reg. No. 84878-1

OPP Submission No. 1080151

OPP Case No. 00337651

made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact Nina Naimy via email at naimy.nina@epa.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "James Parker", is written over a horizontal line.

Back Labeling

Directions for Use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read and follow all directions and precautions on this product label.**

(One of the following directions for use is required based on the formulation/type packaging.)

(1. Lotion/Cream formulation, ex. squeeze tube)

To repel insects, apply a smooth even layer on exposed skin areas. Reapply once as needed. Do not apply more than twice per day.

(2. Spray-able Lotion, example spritzer)

(SHAKE WELL BEFORE USE.) To repel insects spray on exposed skin, spread evenly with hands after application. Do not spray in enclosed areas. If used on the face, spray on palms of hands first and then apply sparingly, avoiding eyes and mouth. Do not spray directly onto face.

(Use on clothing may cause discoloration.) Reapply once as needed. Do not apply more than twice per day.

STORAGE AND DISPOSAL: Store in a cool, dry place. If empty: Non refillable container. Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or (1-800-CLEANUP) for disposal instructions. Never place unused product down any indoor or outdoor drain.

Precautionary Statements:

Hazard to Humans and Domestic Animals

WARNING: Causes substantial but temporary eye injury. Do not get in eyes. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. After returning from outdoors, wash product from all exposed skin. Do not allow children to apply this product to themselves. Do not apply to the hands of children. May cause skin reactions for some people. Discontinue if irritation or rash appears. Do not apply over cuts, wounds or irritated skin.
