Citrefine North America, Inc
PO Box 56
West Topsham, VT 05086

Subject: Non-PRIA (Pesticide Registration Improvement Act) Labeling Amendment – Adding Marketing Claims and Correcting the Disposal Section
Product Name: Mosi-guard™ Oil of Lemon Eucalyptus Insect Repellent
EPA Registration Number: 84878-2
Application Date: February 20, 2020
OPP Submission Number: 1048070

Dear Ms. Werner:

The amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. “To distribute or sell” is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR § 152.3.

Should you wish to add/retain a reference to your company’s website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the U.S. Environmental Protection Agency (EPA). If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false

Page 2 of 2
EPA Reg. No. 84878-2
OPP Submission No. 1048070

or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact me via email at burnett.gina@epa.gov.

Sincerely,

You can use Mosi-guard™ Oil of Lemon Eucalyptus Insect Repellent with confidence knowing it will not harm your fishing line, camping gear, watch crystals or tackle box. Apply Mosi-guard™ Oil of Lemon Eucalyptus Insect Repellent and get your adventure started. The active ingredient in Mosi-guard™ Oil of Lemon Eucalyptus Insect Repellent is derived from the leaves of the Lemon Eucalyptus tree.

STOP. READ ENTIRE LABEL BEFORE EACH USE.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION. Causes moderate eye irritation. Avoid contact with eyes. Harmful if swallowed. Wash Hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. After returning from outdoors, wash product from all exposed skin. Do not allow children to apply this product to themselves. Do not apply to the hands of children. May cause skin reactions for some people. Discontinue if irritation or rash appears. Do not apply over cuts, wounds or irritated skin.

First Aid

If in Eyes

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

If swallowed

Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. In case of emergency call 1-XXX-XXX-XXXX.

Mosi-guard™ Oil of Lemon Eucalyptus Insect Repellent; EPA Reg. No. 84878-2

MASTER LABEL version (12) dated March 4, 2021

Page 2 of 7

PHYSICAL OR CHEMICAL HAZARDS

COMBUSTIBLE. Keep away from heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

To repel insects, apply to exposed skin and clothing. For best results, spread evenly with hand to moisten all exposed skin. Do not spray directly on face. To apply to face, dispense on palm of hand and spread on face and neck. Reapply once as needed. Do not apply more than twice per day.

STORAGE AND DISPOSAL:

Store the product in a cool, dry place, out of reach of children. If empty: Nonrefillable container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
