PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

Caution: Causes moderate eye irritation. Harmful if swallowed, inhaled or absorbed through skin. May cause acute upper airway burn if inhaled. Avoid breathing vapor. Avoid contact with skin, eyes or clothing. If the product contacts the skin, wash the affected area immediately and thoroughly. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wear the appropriate Personal Protective Equipment (PPE).

Personal Protective Equipment (PPE) Mixers, loaders and other handlers must wear:

- Long sleeved shirt and long pants
- Socks and shoes
- Chemical resistant gloves
- Protective eyewear
- Respirator with an organic-vapor removing cartridge and a pre-filter approved for pesticides with MSHA/NIOSH approval number prefix TC-14G.

Follow the manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry. Remove and wash contaminated clothing before reuse.

Environmental Hazards

This product is toxic to fish and aquatic organisms. Do not contaminate aquatic sites by cleaning equipment or disposing of equipment wash-water near aquatic sites. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

CAPSICUM OLEORESIN 300,000 SHU is intended for use in the formulation of termiticides and insecticides to control wood infesting insects and carpenter ants. This product may be used to formulate products for any additional uses not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA data submission requirements regarding the support of such uses.

<u>Storage and Disposal</u> Do not contaminate water, food or feed by storage or disposal.
Storage: Store in a dry place in original container, not to exceed 75°F. Do not store where children or animals may gain access. Do not freeze. Store at room temperature and shake occasionally to mix.
Pesticide Disposal: Do not contaminate water when disposing of equipment wash-water. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
Container disposal: Triple rinse. Empty container and offer for recycling or reconditioning or dispose of in a sanitary landfill.
Spills and clean-ups: Contain all spills. Capsicum Oleoresin 300,000 SHU can be soaked up with sawdust or other clean-up soaking products. Dispose of cleanup material and wash with soap and water. Wear all protective equipment (PPE) during all clean up and spills. If spilled, cover and incorporate spills.

Warranty Statement Disclaimer

Conditions may vary affecting use and application of this product. The manufacturer warns the buyer that these may impair or vary the results or effects of the use of this product. Complete prevention or elimination of the termite colonies is not guaranteed. The buyer shall be solely responsible for any and all loss or damage, which results from the use of this product in any manner, which is inconsistent with the label directions. To the extent consistent with applicable law, in no event shall manufacturer or seller be liable for special, indirect or consequential damages resulting from the use or handling of this product when use or handling is not in accordance with label directions.

It is impossible to eliminate all risks associated with use of this product. Plant injury, lack of performance, or other unintended consequences may result because of such factors as use of the product contrary to label instructions (including conditions noted on the label, such as unfavorable temperatures, soil conditions, etc.), abnormal conditions (such as excessive rainfall, drought, high winds, hurricanes), presence of other materials, the manner of application, or other factors, all of which are beyond the control of Mastertaste, Inc. or the seller. To the extent allowed be applicable law, the buyer shall assume all such risks. Buyer accepts this material subject to these terms and assumes all risk of usage and handling except when used or handled in accordance with this label.
