JUN 22 2011

Dear Dr. Sangha,

Subject: Label Amendment and Review of Conditional Data
Centaura Fly and Mosquito Repellent Spray
EPA Reg. No. 85972-1
Submissions dated September 23, 2010

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, is acceptable. The conditions of registration pertaining to efficacy data have been fulfilled.

The basic Confidential Statement of Formula dated June 22, 2011 is acceptable and supersedes all previous basic CSFs becoming the CSF of record. Alternate CSFs #1, #2, and #3 are also acceptable and replace previously approved alternate CSFs. A stamped copy of the label is enclosed for your information and file. Please contact Kevin Sweeney at (703) 305-5063 if you have any questions or concerns. Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Gebken", written over a circular stamp.

The information below describes the first aid procedures for incidents involving CENTAURA® or RIDE TOGETHER® (alternate brand name) Fly and Mosquito Repellent Spray:

FIRST AID IF IN EYES:

- Hold eye open and rinse gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first five minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

IF SWALLOWED:

- Call a physician or poison control center immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a Poison Control Center or a doctor.
- Do not give anything to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

IN CASE OF EMERGENCY, CALL:

CHEMTREC 800-424-9300

EPA Reg. No.: 85972-1

EPA Est. No.: 085972-DEU-001

PHYSICAL HAZARDS

Flammable. Do not use or store near heat sources, sparks or open flame. Do not smoke while applying.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Follow these guidelines when applying CENTAURA® or RIDE TOGETHER® (alternate brand name) Fly and Mosquito Repellent Spray:

Horse and Rider:

- Hold 4-6 inches from body while spraying, keeping nozzle pointed away from face. Slightly moisten skin or hair coat with a slow sweeping motion.
- Excessive amounts or frequent reapplication is unnecessary.
- Do not spray directly on face.
- Apply on face by first spraying small amounts in palms of hands and spreading on face and neck, avoiding your eyes.
- Do not apply to the hands of small children.
- When using on children, apply to your hands and then apply it to your child. Do not apply to their hands. To apply to a child's face and neck, apply the product into your hands and apply to the child. Take care to avoid mouth and eyes and apply sparingly around ears. Do not allow children to handle the product.
- Avoid contact with lips, cuts, wounds, or irritated skin.
- Do not apply to excessively sunburned skin.
- Do not exceed two applications per day.

Horse:

- Not for use on horses intended for human consumption.
- Do not apply under the saddle.

Rider:

- Do not apply under clothing.
- Apply sparingly around ears.

STORAGE AND DISPOSAL

Store in a cool, dry place out of the reach of children. Keep away from heat, sparks and open flame. Container is under pressure. Protect product container from direct sunlight and from temperatures above 122°F (50°C).

IF EMPTY: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.

IF PARTLY FILLED: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Buyer assumes all risk of use, storage or handling of this product not in strict accordance with directions given herein.
