

**UNITED STATES ENVIRONMENTAL PROTECTION AGENCY**  
WASHINGTON, D.C. 20460

OFFICE OF CHEMICAL SAFETY AND  
POLLUTION PREVENTION

**AUG 31 2012**

Ms. Lindsey Sorensen  
Landis International  
P.O. Box 5126  
Valdosta, GA 31603-5126

Authorized agent for Mitsui Chemicals Ag

Dear Ms. Sorensen:

Subject: Label amendment; add new uses on berry and small fruit (subgroup 13-07F except strawberry, subgroup 13-07H except fuzzy kiwifruit), bulb and green onion (subgroup 3-07A & B), tuberous and corm vegetables (subgroup 1C), watercress, peach and nectarine  
Dinotefuran Technical  
EPA Registration Number 86203-8  
OPP Decision Number D448125

The amendment referred to above is acceptable in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) section 3(c)(7)(B), subject to the comments and conditions listed below:

1. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency determines that, at any time, additional data are required to maintain in effect an existing registration, the Agency will require submission of such data. Dinotefuran is subject to Registration Review. EPA's review of data and other information in connection with these matters may impact your product once complete.
2. Submit one (1) copy of your final printed labeling before you release the product for shipment. Your release for shipment of the product constitutes acceptance of this condition. If this condition is not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e).

A stamped copy of the label is enclosed for your records. If you have any questions, please contact Rita Kumar at (703) 308-8291 or [kumar.rita@epa.gov](mailto:kumar.rita@epa.gov).

Sincerely,

John Hebert  
Product Manager 7  
Insecticide Rodenticide Branch  
Registration Division (7505P)

EPA Reg No. 86203-8

Net Contents: 44.1, 176.4 lbs. (20, 80 kg)

EPA Establishment No. 33657-JPN-2

Manufactured By:

MITSUI CHEMICALS AGRO, INC.	
Shiodome City Center 1-5-2 Higashi-Shimbashi Minato-ku, Tokyo 105-7117 JAPAN	P. O. Box 5126 Valdosta, GA 31603-5126 USA

**ACCEPTED**  
**AUG 31 2012**  
 Under the Federal Insecticide, Fungicide,  
 and Rodenticide Act, as amended, for the  
 pesticide registered under:

EPA. Reg. No: 86203-8

4/5

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
CAUTION**

Harmful if absorbed through skin. Harmful if swallowed. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to shrimp. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

This product is highly toxic to bees exposed to direct treatment or residues on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are visiting the treatment area.

Dinotefuran and its degradate, MNG, have the properties and characteristics associated with chemicals detected in ground water. The high water solubility of dinotefuran, and its degradate MNG, coupled with its very high mobility, and resistance to biodegradation indicates that this compound has a strong potential to leach to the subsurface under certain conditions as a result of label use. Use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in ground water contamination. Periodic monitoring of shallow ground water in the use area is recommended.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not use, pour, spill or store near heat or open flame.

**DIRECTIONS FOR USE**

**It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**

Dinotefuran Technical is intended for use only in the formulation of insecticide products used in the control of sucking, biting and chewing insects and certain public health pests in the following sites:

**Terrestrial Non-food Crop, or Residential and Commercial Outdoor:** Lawns, turf, perimeters, and ornamentals.

**Terrestrial Food Crop:** Cotton, Leafy vegetables, berry and small fruit (subgroup 13-07F except fuzzy kiwifruit and 13-07H except strawberry), cucurbits, fruiting vegetables, head and stem brassica, leafy brassica greens (crop subgroup 5B), onion, bulb (subgroup 3-07A), onion, green (subgroup 3-07B), peach and nectarine, tuberous and corn vegetables (subgroup 1C), watercress and turnip greens.

**Residential and Commercial Indoor:** Crack and crevice and spot treatment for residential areas; Area and Space sprays; Greenhouses, Ornamental (Residential and Commercial), Nursery Grown Plants and Greenhouse Tomatoes.

**Companion Animals:** Spot on formulations for cats and dogs.

**Products formulated from this technical material will require registration with the U.S. Environmental Protection Agency (EPA).**

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

**Pesticide Storage:** Keep pesticide in original container. Do not put concentrate or dilute into food or drink containers. Store in a cool dry place. Do not store diluted spray. For help with any spill, leak, fire or exposure involving this material, call day or night 1-800-CLEANUP.

**Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Handling:** Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent). Offer for recycling, if available, or reconditioning, if appropriate, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

**CONDITIONS OF SALE**

MITSUI CHEMICALS AGRO, INC., warrants that this product in its unopened package conforms to the chemical description on the label and is reasonably fit for the purposes set forth on the label when used according to directions under normal use conditions to the crops specified. To the extent consistent with applicable law, there are no other warranties, expressed or implied, concerning the use of this product other than indicated on the label. To the extent consistent with applicable law, this warranty does not extend to the handling or use of this product contrary to label instructions or under abnormal conditions or conditions not reasonably foreseeable to seller, and buyer assumes all risk of any such use.
