Mr. Robert Davis
Blue Ball Chemical, Inc.
128 Kings Road
Jacksonville, FL 32204

Subject: Amended label to update company name and registration number due to transfer of ownership
Product Name: BA-Kil
EPA Registration No. 86244-1
EPA Decision No. 486733

Dear Mr. Davis:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable. A stamped copy of the label is enclosed for your records. Please submit one copy of your final printed labeling before you release the product for shipment. Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). If you have any questions, please contact Julie Chao at (703) 308-8735 or chao.julie@epa.gov.

Regards,

A handwritten signature in cursive script that reads "Meredith Laws".

PELIGRO
PRECAUCION AL USUARIO: Si usted no puede leer o entender inglés, no use este producto hasta que la etiqueta le haya sido explicada ampliamente (do not use this product until the label has been fully explained to you.)

TO THE USER: If you cannot read or understand English, do not use this product until the label has been fully explained to you.
FIRST AID: Have the product container or label with you when calling a poison control center or physician, or going for treatment.

Contains an N-methyl carbamate that inhibits cholinesterase.
If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes.
Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
Call a Poison Control Center, physician or the National Pesticide Information Center at 1-800-858-7378 for treatment advice.

If swallowed: Call a Poison Control Center, physician or the National Pesticide Information Center at 1-800-858-7378 for further treatment advice.
Have person sip a glass of water if able to swallow.
Do not induce vomiting, unless told to do so by the Poison Control Center or physician.
Do not get anything by mouth from contaminated clothing.
If on skin or clothing: Take off contaminated clothing.
Rinse skin immediately with plenty of water for 15-20 minutes.
Call a Poison Control Center, physician or National Pesticide Information Center at 1-800-858-7378 for further treatment advice.

If inhaled: Move person to fresh air.
If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.
Call a Poison Control Center, physician or the National Pesticide Information Center at 1-800-858-7378 for further treatment advice.

NOTE TO PHYSICIAN: AN IDIOXYE Administer atropine sulfate in large therapeutic doses. Repeat as necessary to the point of tolerance.
Probable mucosal damage may contraindicate the use of gastric lavage.
