Dear Dr. Sangha,

Subject: Fast Track Label and Technical Amendments
Ecopel All-Family Insect Repellent
EPA Reg. No. 86374-1
Submissions dated May 4 and May 8, 2010

The amendments referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, are acceptable.

The basic Confidential Statement of Formula (CSF) dated May 7, 2010 is acceptable and supersedes all previous basic CSFs becoming the CSF of record. The alternate CSF dated May 7, 2010 is acceptable and supersedes all previous alternate CSFs becoming the alternate CSF of record.

A stamped copy of your label is enclosed for your records. Please contact Kevin Sweeney at (703) 305-5063 if you have any questions or concerns.

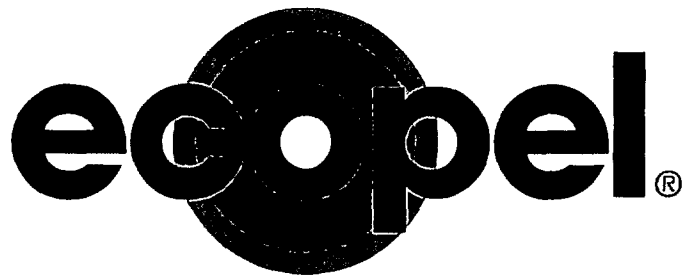

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Gebken".

ECOPEL ALL-FAMILY INSECT REPELLENT SPRAY

Ecopel is long lasting, giving 12 hours of protection from mosquitoes, including carriers of the West Nile virus. Ecopel also repels biting flies, ticks, gnats, chiggers and fleas for up to 8 hours.

Directions for use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Follow these guidelines when applying Ecopel Insect Repellent: Hold 4 to 6 inches from skin while spraying, keeping nozzle pointed away from face. Slightly moisten skin with a slow sweeping motion. Excessive amounts or frequent reapplication is unnecessary. Apply on face by first spraying small amounts in palms of hands and spreading on face and neck, avoiding eyes. Do not apply directly to face. When using on children, apply to your hands and then apply to the child. Do not apply to their hands. To apply to a child's face and neck, spray the product onto your hands and apply to the child. Take care to avoid mouth and eyes and apply sparingly around ears. Do not allow children to handle the product. Do not exceed two applications per day. Avoid contact with lips, cuts, wounds, or irritated skin. Do not apply to excessively sunburned skin. Do not apply under clothing.

Physical Hazards: Flammable. Do not use or store near heat sources, sparks or open flame. Do not smoke while applying.
IN CASE OF EMERGENCY, CALL: CHEMTREC 800-424-9300 / INTERNATIONAL 703-527-3887

STORAGE: Store in a cool, dry place out of the reach of children. Keep away from heat, sparks and open flame.

CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. If Empty: Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waster agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

KEEP OUT OF THE REACH OF CHILDREN

CAUTION

Stop - Read the Entire Label before Use.

Precautionary Statements:

Hazards to Humans:

Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling, returning indoors, and before eating, drinking, chewing gum, or using tobacco.

The information below describes the first aid procedures for incidents involving Ecopel Insect Repellent Spray:

FIRST AID

If in eyes: Hold eye open and rinse gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

If swallowed: Call a physician or poison control center immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or a doctor. Do not give anything to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact for emergency medical information the Emergency Response Telephone Number which is 1-877-343-1345.
