Registration
 Reregistration
(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

Kill Fleas Dead

Name and Address of Registrant (include ZIP Code):

Kill Fleas Dead LLC
1186 Lickinghole Road
Goochland, Virginia 23063

Note: Changes in labeling/differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with section 3(c)(7)(A) of FIFRA provided that you:

1. Submit and/or cite all data required for registration of your product under section 3(c)(5) of FIFRA when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under section 4 of FIFRA.

Net Contents 1 lb.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Children and pets should not be in the same room being treated. Do not treat pets with this product. Be careful not to use around ornamental plants.

Before treatment, vacuum all areas to be treated thoroughly and dispose of bag. Apply only to dry surfaces. Sprinkle directly onto carpeted areas at a rate of 1 lb per 400 square feet and work into carpet using a hard bristled brush. Any material visible must be brushed into carpet fibers or removed. Also sprinkle under couch cushions and under beds and furniture. Be sure to apply in areas where pets frequently traffic or sleep. Do not vacuum for 2 weeks. Allow 2-3 weeks for maximum control. Reapply as necessary. This product will no longer be effective if use a steam cleaner on the carpet or allow the product to absorb moisture.

This product is not intended to kill the adult flea population. This product kills larval stages of fleas only which prohibits future adult fleas from emerging. Therefore, please allow 10-14 days for your flea infestation problem to be eliminated. If you have a high adult flea population, you may desire to use a labeled pesticide in conjunction with this product to kill the current adult flea population.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place.
DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
