Gig Harbor, WA 98332

Subject: Notification per PRN 98-10 – updating Storage and Disposal language
Product Name: Willowood Oxyfluorfen Technical
EPA Registration Number: 87283-1
Application Date: 5/17/2016
Decision Number: 517633

Dear Ann Tillman:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

PRECAUTIONARY STATEMENTS HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash hands after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove contaminated clothing and wash clothing before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to aquatic invertebrates and fish. Do not discharge effluent containing this product directly into lakes, streams, ponds, estuaries, oceans or public waters unless this product is specifically identified and addressed in a NDPES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.

DIRECTIONS FOR USE It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product may only be used to formulate end-use products with the following uses:

(1) artichokes (globe), bananas, blackberry, broccoli, cabbage, cauliflower, cacao (Hawaii only), citrus (non-bearing), clover grown for seed, clay sage grown for essence, coffee, conifers (seedbeds, transplants, container stock) and selected deciduous trees, corn, cotton, cottonwood, eucalyptus, fallow bed (cotton/soybeans), fallow land, garbanzo beans, garlic, grass seeds, guava (Hawaii only), horseradish, jojoba, mint, non-crop use on rights of way, nursery stock, onions, onions grown for seed, ornamentals, papayas (Hawaii only), raspberry, soybeans, taro, and tree fruit, nuts and vines (which include almond, apple, avocado, beechnut, brazil nut, butternut, cashew, cherry, chestnut, chinquapin, crabapple, date, feijoa , fig, filbert, grapes, hickory nut, kiwi, loquat, macadamia nut, mayhaw, nectarines, olives, peach, pear, pecan, persimmon, pistachio, plum, pomegranates, prune, quince, walnut).

(2) specific uses not listed on the MP label if the formulator, user group or grower has complied with U.S. EPA submission requirements regarding support of such uses; and
 (3) uses for experimental purposes that are in compliance with U.S. EPA requirements.
Do not formulate into products intended for residential use.

Each formulator is responsible for obtaining EPA registration for his own end use products.

Willowood Oxyfluorfen Technical must be melted by holding at 110°C for 48 hours. Do not heat above 200°C (product decomposes).

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in original container tightly closed and in a safe place.
PESTICIDE DISPOSAL: Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

CONTAINER HANDLING: Drums with Liner: Nonrefillable container. Do not reuse or refill this container. **INNER LINER:** Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into processing equipment. Then offer for recycling if available or dispose of in a sanitary landfill or by incineration or if allowed by state and local authorities, by burning. If burned, stay out of smoke. Then dispose of liner in a sanitary landfill or by other procedures approved by state and local authorities. **DRUM:** If drum is contaminated and cannot be reused, dispose of it in the manner required for its liner. Offer the drum for recycling, if available, or dispose of drum in a sanitary landfill or by other procedures approved by state and local authorities.
Supersack with liner: Nonrefillable Container: Do not reuse or refill this container. Completely empty bag into formulation equipment. Then offer for recycling if available or dispose of in a sanitary landfill or by incineration or if allowed by state and local authorities, by burning. If burned, stay out of smoke. Then dispose of empty bag in a sanitary landfill or by other procedures approved by state and local authorities. If outer bag is contaminated and cannot be reused, dispose of in the same manner required for its liner.

WARRANTY STATEMENT

IMPORTANT NOTICE -Seller warrants that this product conforms to the chemical description and is reasonably fit for purposes stated on the label when used in accordance with the directions and instructions under normal conditions of use. To the extent consistent with applicable law, neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
