Dear Alison Suffill:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 2007-4 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 2007-4 and finds that the action requested falls within the scope of PRN 2007-4.

The label submitted with the application has been stamped "NOTIFICATION" and will be placed in our records.

If you have any questions, please contact Carmen Swinger at swinger.carmen@epa.gov.
