Medina, OH 44256

Subject: Label Amendment – Add optional marketing statements, add logos, and label clarification and grammatical correction in First Aid Statement.
Product Name: NosGuard SG
EPA Registration Number: 87508-2
Application Date: June 21, 2016
Decision Number: 519076

Dear Mr. Kutcel:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

EPA Reg. No. 87508-2
Decision No. 519076

with FIFRA section 6. If you have any questions, please contact Ben Chambliss by phone at (703) 308-8174, or via email at chambliss.ben@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'D. Fuller', with a long horizontal stroke extending to the right.

Demson Fuller, Product Manager 32

Antimicrobials Division (7510P)
Office of Pesticide Programs

Enclosure: Stamped label

PRECAUTIONARY STATEMENTS

HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye and throat irritation. Harmful if swallowed or absorbed through skin. Avoid contact with eyes, skin or clothing. Harmful if inhaled. Avoid breathing vapor. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or going to restroom.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic invertebrates. Do not contaminate water with this product.

CHEMICAL/PHYSICAL HAZARDS

This product contains an oxidizing agent. Do not mix with acids or chlorine. Avoid any contact with flame or burning materials.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store this product in the original unopened packaging until ready for use. Store in a cool, dry, well-ventilated area away from heat or open flame. Store in an area that is inaccessible to children.

EMERGENCY HANDLING: In case of spill, contamination or decomposition, do not reseal package. If possible, isolate package and discard it in open and well-ventilated area.

DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Discard empty packaging pouch and spent NosGUARD SG pouch in an outdoor refuse container.

ACCEPTED

01/06/2017

Under the Federal Insecticide, Fungicide and Rodenticide Act as amended, for the pesticide registered under
EPA Reg. No. 87508-2

NosGUARD SG mildew odor control bags

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

1. Individual NosGUARD SG Mildew Odor Control Bags (pouches) must only be opened from the packaging pouch prior to use.
2. Do not cut or tear open individual NosGUARD SG Mildew Odor Control Bags (pouches).
3. NosGuard SG Mildew Odor Control Bags (pouches) may be used in automobiles (Cars, Trucks, RV's, Trailers); commercial storage and refuse containers; boat cabins; and porta-potties.

Deodorizing delivery system (pouch) for the generation of chlorine dioxide for use as control of odor-causing bacteria, mold and mildew and chemical odors in un-occupied confined spaces; automobiles (Cars, Trucks, RV's, Trailers), commercial storage and refuse containers, boat cabins and porta-potties where moisture is present.

ACTIVE INGREDIENT: Sodium Chlorite 16%
OTHER INGREDIENTS: 84%
Total 100%

Available Chlorine 25%

KEEP OUT OF REACH OF CHILDREN

CAUTION:

HEALTH HAZARDS: THIS PRODUCT IS DANGEROUS WHEN ACTIVATED. Once this product is activated, it will produce "DANGEROUS LEVELS" of chlorine dioxide gas. Chlorine dioxide gas is a strong oxidizing agent. Chlorine dioxide is irritating to the respiratory tract. The symptoms of chlorine dioxide intoxication depend on its concentration and on the exposure time; they include lacrimation, headache, vomiting, severe cough, asthmatic bronchitis, dyspnea and even death. **DO NOT INHALE CHLORINE DIOXIDE.** Exposure to high concentrations of chlorine dioxide can cause death. Do not allow unprotected persons to be exposed to chlorine dioxide gas.

Net Wt: 0.17 oz/0.35 oz/ 0.88 oz/ 1.76 oz
(5 grams/10 grams/25 grams/50 grams)

MANUFACTURED BY:

ODORSTAR®, LLC
4041 S.W. 47th Ave.
Ft. Lauderdale, FL 33314
(800) 327-8583 • Made in U.S.A.

FIRST AID:

If in eyes

- Hold eye open and rinse slowly and gently with water for 15-20 minutes
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice

If swallowed

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow
- Do not induce vomiting unless told to do so by the poison control center or doctor
- Do not give anything by mouth to an unconscious person

If on skin or clothing

- Take off contaminated clothing
- Rinse skin immediately with plenty of water for 15-20 minutes
- Call a poison control center or doctor for treatment advice

If inhaled

- Move person to fresh air
- If person is not breathing, call 911 or an ambulance, then give mouth to mouth, if possible
- Call a poison control center or doctor for further treatment advice

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. Questions? Call (800) 327-8583.

NosGUARD SG mildew odor control bags

Directions For Specific Uses

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

5 GRAM POUCH: small cars/small boats/trash cans/porta-potties (an area approximately 10' H x 10'L by 5'W)

10 GRAM POUCH: sedans/boats/dumpsters (an area approximately 10' H x 10'L by 10'W)

25 GRAM POUCH: SUV's/large boats (an area approximately 15' H x 15'L by 10'W - Standard odors/10' H x 10'L by 10'W - For extra heavy odors)

50 GRAM POUCH: RV's/commercial storage containers/shipping containers (an area approximately 15' H x 15'L by 20'W)

NOTE: People and pets must not be present in enclosed area when the NosGUARD SG Mildew Odor Control Bag is activated. Use the enclosed caution placard to record treatment/safe re-entry time.

DIRECTIONS FOR USE:

Remove contents from the plastic container. Open the silver foil packet and remove the white pouch (DO NOT OPEN WHITE POUCH).

SLOW RELEASE: Place the white pouch into the container. **FAST RELEASE:** Saturate the sponge with water. Slide the end of the pouch that has square indentations into the slit of the sponge and place it back into the plastic container. (Alternatively, drop the white inner pouch in plastic cup filled with 1.5" inches of water.)

Snap the container securely closed and place it on a stable, level surface in a central location with the holes facing up. Do not hang the container. Open any doors, cabinets and drawers that require treatment. People and pets must not be in the area undergoing treatment while the system is activated. Use the printed sign included with the package during treatment. Ventilate for one (1) hour before re-entry. Discard in an outside refuse container. Repeat treatment if odors reappear.

COVERAGE AREA: Use one pouch per cabin, vehicle or container. If you need to treat a larger area, use 2 pouches placed equally apart at either end of the area. *FAST RELEASE: Allow at least 4 to 6 hours for the system to work. (Not recommended for more than 24 hours.)

Specific Uses

Outside Storage Containers (Small Storage Containers, Commercial Storage Containers, Commercial Shipping Containers, Sheds, etc)

Place the unit in an open area.

Outside Waste & Refuse Containers (Commercial Trash Cans, Receptacles, Dumpsters, etc)

Place the unit in, above or adjacent to the trash can or dumpster.

Porta-Potties

Place the unit near the center of the porta-potty in an open area, and out of reach of children and pets.

Boat Cabins

Place the unit near the center of the cabin in an open area out of reach of children and pets. Open any doors, cabinets and drawers that require treatment.

Automobiles (Cars, Trucks, RVs, Trailers)

Place the unit near the center of the car, on a stable, level surface on an armrest or on any other central location.

Additional Sites

Greenhouses, hydroponic facilities, indoor & outdoor agricultural facilities, distilleries, wineries.

Commercial buildings, retail and industrial centers, and residential properties that are undergoing water or smoke restoration, sewer backup, odor control, or other restoration services

Additional Marketing Claims NosGuard SG:

- 1) AUTO ODOR ELIMINATOR
- 2) ELIMINATES & PREVENTS (Mold & Mildew Odors) (FOUL ODORS)
- 3) DEODORIZING DELIVERY SYSTEM
- 4) Not an Air Freshener; Actually Removes Foul Odors Caused by Cigarettes, Cigars, Food & Pets
- 5) Removes Smoke, Food, Pet and other foul smells
- 6) DEEP PENETRATING VAPOR ACTION
- 7) Removes foul odors from (car) or (truck interiors) from (cigar) or (cigarette smoke), (spoiled food), (pet odor), or (musty mold or mildew odors)
- 8) One unit will treat most cars or SUV's
- 9) CAR ODOR ELIMINATOR
- 10) BOAT ODOR ELIMINATOR
- 11) Works Overnight
- 12) Removes, Smoke, Food, Pet, and other Foul Smells
- 13) Made in USA Logo
- 14) Scan for More Info (QR Code)
- 15) www.starbrite.com, www.odorstar.com, www.performacide.com, www.autoodoreliminator.com
- 16) One unit will treat most cars and SUV's
- 17) Placard picture Attached
- 18) Mold & Mildew Odor Control
- 19) Also a great way to deodorize the interior (after a fishing trip) (in a used car) (from) (alcohol) (cigar), (bait), (vomit), (puke) (throw up) (urine) (bodily fluid odors) (agricultural odors) (manure odors) (rotting plant odors) (hay smell) (farm odors) and (rotten) (spoiled) (decaying) (food smells) odors or to freshen the interior (before a dinner cruise).
- 20) ClO₂ (chlorine dioxide) deodorizer
- 21) Deodorizer
- 22) Deodorizes
- 23) (Auto) (car) (truck) (cabin) (boat) (storage container) deodorizer
- 24) Odor remover
- 25) Odor control system
- 26) Do it yourself, (no expensive machines (machinery) required).
- 27) Deep penetrating [(ClO₂) (chlorine dioxide)] [(vapor) (gas)] (action)
- 28) Removes residual odors
- 29) Ideal for long term storage
- 30) Ideal for use in (boats), (RVs), (Autos) & (Storage) (Containers)
- 31) Formulated to quickly control & Eliminate Mold/Mildew Odors & Other foul smells.
- 32) Take control
- 33) Fast, Easy, Effective
- 34) Frequent (regular) use formula
- 35) Great for frequent use
- 36) Controls (tough) odors caused by (bacteria) (mold) (mildew).
- 37) Controls (tough) pet odors (caused by bacteria)
- 38) Controls odors caused by mold and mildew
- 39) Eliminates (removes) (tough) odors (caused by) (bacteria) (mold) (and) (mildew)
- 40) Gets to the heart of (tough) odors

- 41) Odor fighter
- 42) (Perfect for eliminating) (eliminates) tough odors at their source
- 43) (This product) Eliminates (tough) odors at their source
- 44) (This product) prevents odors at their source caused by (bacteria) (mold) (mildew)
- 45) (This product) (is specially formulated to) eliminate odors from) {insert use sites}
- 46) To eliminate odors use (this product) around {insert use sites}
- 47) Provides immediate relief from mold odor or other foul odors.
- 48) Ideal when you open the boat up from winter storage to remove any lingering musty smells.
- 49) For best results, replace when odors reappear
- 50) The quick release, deep-penetrating vapor thoroughly and completely permeates the treated area to remove unpleasant odors.
- 51) For use throughout the year, or to prevent the formation of foul odors, use
- 52) NosGUARD SG Mildew Odor Control Slow Release Bags.
- 53) Not an Air Freshener; Actually Controls Odor-Causing Bacteria, Mold and Mildew Odors
- 54) Molecularly eliminates odors (at their source)
- 55) Eliminates odors with science
- 56) Not just a (cover-up) (perfume) (air-freshener) (fragrance)
- 57) Does not just mask odors
- 58) The ClO₂ (Chlorine dioxide) breakthrough technology (that controls odor-causing bacteria, mold and mildew and chemical odors) (that eliminates odors) (at their source)
- 59) Patented vapor delivery system
- 60) Patented (odor eliminating) technology (eliminates odors)
- 61) Neutralizes odors
- 62) Remove foul odors caused by mold and mildew, cigar or cigarette smoke, spoiled food and other foul, musty smells.
- 63) Slow Release System - NosGuard SG Mildew Odor Control Bags are designed to maintain air quality while preventing the formation of future foul odor
- 64) Fast Release System - NosGuard SG Mildew Odor Control Bags are designed to provide immediate relief from mold odor or other foul odors
