Subject: Notification per PRN 98-10 – To Update the  
Label Product Name: Bio-Spear Sanitizing Wipes  
EPA Registration Number: 87656-3  
Application Date: October 1, 2020  
Decision Number: 566669

Dear Mr. Malone:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Assurance.

If you have any questions, you may contact Karen M. Leavy at (703)-308-6237 or via email at [Leavy.Karen@epa.gov](mailto:Leavy.Karen@epa.gov).

Sincerely,

A handwritten signature in black ink that reads "Karen M. Leavy, Esq.". The signature is written in a cursive style with a large initial 'K' and a trailing comma.

**[A - canister]**

**Dispenser Directions:**

To start feed, remove cover and discard seal. From center of towelette roll, pull up a towelette corner, twist it into a point and thread it through the hole in the container cover. Pull through about one inch. Replace cover. Pull out first towelette and tear off at a 90° angle. Remaining towelettes feed automatically, ready for next use. When not in use, keep center cap closed to prevent solution loss.

**[B - packet]**

**Packet Directions:**

Open packet, remove towelette and unfold.

**[Directions for use for A and B]**

**Cleaning Instructions:**

Use one Bio-Spear Towelette to completely wipe surface clean with this product. Let air dry.

**For use as a sanitizer:**

Bio-Spear is a one-step Sanitizing product. For heavily soiled items, clean surface of all visible debris prior to sanitizing. Use Bio-Spear Sanitizing Wipes to sanitize surface. Wipe surface; use enough wipes for treated surface to remain visibly wet for 5 minutes. Let surface air dry. Do not reuse dried out wipes.

**Contact Time:** Thoroughly wet surface with a new **Bio-Spear** towelette. Repeated use of the product may be required to ensure that the surface remains visibly wet for 5 minutes.

*[Use A or B as applicable depending on the container type.]*
