Date of Issuance:

MAY 10 2011

Term of Issuance:

Unconditional

Name of Pesticide Product:

ABLUERE  
Disinfectant Solution

## NOTICE OF PESTICIDE:

☒ Registration  
☐ Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

JDBJ Associates  
165 Sickletown Road  
West Nyack, NY 10994

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product (OPP Decision Number: D-433320) is unconditionally registered in accordance with FIFRA sec 3(c)(7)(a) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
  - a. Revise the EPA Registration Number to read, "EPA Reg. No. 87819-1".

Athletes Foot Fungus-Trichophyton Mentagrophytes- fungus causing black mold. ASPERGILLUS-Aspergillus Niger, E COLI-Escherichia Coli, SALMONELLA- Enterica Pseudomonas Aeruginosa.

**HOSPITAL USE:** This product is not to be used as a terminal sterilant / high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body or (2) contacts mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-sterilize or decontaminate critical or semi-critical medical devices prior to sterilization.

Physical and chemical hazards: **FLAMMABLE**  
Keep away from heat, open flames or sparks.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage and disposal.  
**Pesticide Storage**

Store in original, tightly closed containers below 30°C (86°F) and above 0°C (32°F) in a secure area inaccessible to children and away from food or feed.  
**Pesticide Disposal:** Pesticide may be acutely hazardous. Improper disposal of excess pesticide, spray, mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

**Container Handling:** Non - refillable container. Do not reuse or refill this container. Do not contaminate water, food, or feed by storage or disposal. Store in a cool, dry, well ventilated place. Securely wrap original container in several layers of newspaper and discard in trash or offer for recycling.

**FIRST AID:** In case of Emergency:

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, continue rinsing the eye. Call a poison control center or doctor for treatment advice.

**If on skin or clothing:** Take off clothing, rinse skin immediately with plenty of water for 10-15 minutes. Call poison control or doctor for treatment advice.

**If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air, if person is not breathing call 911 for an ambulance, then give artificial respiration preferably mouth-to-mouth if possible. Call a poison control center or doctor for further advice.

Have the product container or label with you when calling a poison control center or doctor or going in for treatment.
