For manufacturing use only into insecticidal/miticide products.

- Residential indoor (companion animals)

Formulators using this product are responsible for obtaining EPA registration for their formulated product, which may be labeled for use patterns as found on this label.

This product may also be used to formulate products for specific use(s) not listed on the manufacturing product label if the formulator, user group, or grower has complied with all U.S. EPA data submission requirements regarding the support of such use(s).

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry area. Always store pesticides in the original container out of reach of children and animals. Store away from food and pet food.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance. In case of spill, clean up spillage using shovels and avoiding skin contact. Carefully scoop up loose material and place it in appropriate containers so as to avoid dust generation. Ensure adequate decontamination of tools and equipment following cleanup.

CONTAINER HANDLING: Non-refillable container. Do not reuse or refill this container. Completely empty container into formulation equipment by shaking and tapping sides and bottom to loosen clinging particles. Then dispose of empty box in a sanitary landfill or by burning or incineration if allowed by state and local authorities. If container is burned, stay out of smoke.

WARRANTY

To the extent consistent with applicable law, buyer assumes all risks of use, storage, or handling of this product not in accordance with directions. Buyer and user assume all risk of use and handling of this material when such use and handling are contrary to label instructions. To the extent consistent with applicable law, any damage arising from a breach of this warranty shall be limited to direct damages and shall not include consequential commercial damages such as loss of profit or values.
