Subject: Label Amendment & Conditional Data (Five-Batch Analysis)
Willowood Propanil Technical
EPA Reg. No. 87829-1
Application Dated July 29, 2011

Dear Mr. Wagner:

The five-batch analysis for the above product, submitted as a condition of registration in the Agency's June 13, 2011 letter, is acceptable. This data also supports the current basic CSF dated May 19, 2011. The conditional one-year storage stability and corrosion characteristics studies have been submitted and are pending review.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable. A stamped copy of your label is enclosed for your records. This label supersedes all previously accepted labels. You must submit one (1) copy of the final printed label before you release the product for shipment. Products shipped after eighteen (18) months from the date of this letter must bear the new revised label. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA §6(e). Your release for shipment of the product constitutes acceptance of these conditions.

If you have any questions, please contact Mindy Ondish at (703)605-0723 or at ondish.mindy@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Kable Bo Davis", written over a horizontal line.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this pesticide into lakes, streams, ponds, estuaries, oceans or other public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. Do not contaminate water when disposing of equipment washwaters. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Only for formulation into an herbicide for the following use: Rice

This product may be used to formulate products for any additional use(s) not listed on the manufacturing-use product (MP) label if the formulator, user group, or grower has complied with the U.S. EPA submission requirements regarding support of such use(s). This product may be used for experimental purposes that are in compliance with U.S. EPA requirements.

Formulators using the product are responsible for obtaining U.S. EPA registration for their formulated products.

After December 1, 2011, the manufacturing use product may not be formulated into dry flowable end-use products, unless they are packaged in closed systems or unless the Agency has changed the dry flowable mitigation based on submitted data.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, or disposal.

PESTICIDE STORAGE: Open dumping is prohibited. Do not store this product near fertilizers, seeds, insecticides, or fungicides. Do not store near heat or open flame. Containers should not be stacked more than 3 units high. Reclose all partially used containers by tying bag top shut. Damaged or leaking containers, which contain product, that cannot be used immediately should be transferred to suitable sound containers and properly marked. Any spilled material should be thoroughly swept up and transferred to the new container or disposed of as indicated under "Pesticide Disposal".

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL:

Nonrefillable container: Do not reuse or refill this container. Offer for recycling, if available. Clean container promptly after emptying. Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into suitable container. Then dispose of liner in a sanitary landfill or by incineration if allowed by state and local authorities. If container is contaminated and cannot be reused, dispose of in the same manner.

STEPS TO BE TAKEN IN CASE MATERIAL IS RELEASED OR SPILLED: Scoop or shovel solid material into a suitable container for recovery or disposal. Remove contaminated clothing promptly and wash exposed skin areas with soap and water. Wash clothing before reuse. Keep spill out of sewers and open bodies of water. Refer to PRECAUTIONARY STATEMENTS.

IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once.

By using this product, user or buyer accepts the following Conditions, Disclaimer of Warranties and Limitations of Liability.

CONDITIONS: The directions for use of this product are believed to be adequate and must be followed carefully.

However, it is impossible to eliminate all risks associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Willowood USA LLC. To the extent consistent with applicable law, all such risks shall be assumed by the user or buyer.
