Olivia Laird
Laird's Regulatory Consultants Inc
Estates at Shenstone Farm
17804 Braemar Place
Leesburg, VA 20175

Subject DICHLOR 56 Granular
EPA Registration No 87966-1
Application Date April 28 2011
EPA Receipt Date October 3 2011

Dear Ms Laird

The following amendment, submitted in connection with registration under the Federal Insecticide Fungicide, and Rodenticide Act (FIFRA) as amended is acceptable with the conditions listed below

Proposed Amendment

- To revise the label
- To revise the basic Confidential Statement of Formula

Conditions

1 Align the Ingredient statement as follows

ACTIVE INGREDIENT	
Sodium Dichloro-s-triazinetrione dihydrate	99.0%
OTHER INGREDIENTS	<u>1.0%</u>
TOTAL	100.0%

2 The routes of exposure must appear in the order of exposure severity –
IF IN EYES, IF ON SKIN OR CLOTHING IF INHALED, IF SWALLOWED

3 Revise "For Industrial Use Only" to read "For Industrial Use"

4 The non-pesticidal information is not appropriate for this Manufacturing Use Product registration and has been removed from the label

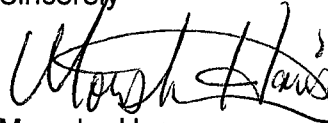

General Comments

The revised basic Confidential Statement of Formula (CSF) dated April 12, 2011 was found to be acceptable and supersedes all previous CSF s

A stamped copy of the labeling accepted with conditions is enclosed. Submit one copy of your final printed label before distributing or selling the product bearing the revised labeling.

Should you have any questions concerning this letter, please contact Wanda Henson on (703) 308-6345 or at Henson.Wanda@epa.gov

Sincerely,

Monisha Harris

PRECAUTIONARY STATEMENT

Hazard to humans and domestic animals

DANGER - Corrosive Causes irreversible eye damage and skin burns May be fatal if absorbed through skin Harmful if swallowed Do not get in eyes on skin or on clothing May be fatal if inhaled Avoid breathing dust or fumes Wear protective eyewear (goggles and face shield) Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals Wear chemically resistant coveralls (or apron) over long sleeved shirt and long pants socks shoes and chemical resistant gloves (Butyl Rubber and Nitrile Rubber) Avoid contact with skin or clothing Wash thoroughly with soap and water after handling and before eating drinking chewing gum using tobacco or going to the toilet Remove and wash contaminated clothing before reuse

FIRST AID

IF SWALLOWED Call poison control center or doctor immediately for treatment advice Have person sip a glass of water if able to swallow Do not induce vomiting unless told to do so by the poison control center or doctor Do not give anything by mouth to an unconscious person
IF ON SKIN OR CLOTHING Take off contaminated clothing Rinse skin immediately with plenty of water for 15 20 minutes Call a poison control center or doctor for treatment advice
IF IN EYES Hold eye open and rinse slowly and gently with water for 15 20 minutes Remove contact lenses if present after the first 5 minutes then continue rinsing eye Call a poison control center or doctor for treatment advice
IF INHALED Move person to fresh air if person is not breathing call 911 or an ambulance then give artificial respiration preferably mouth to mouth if possible Call a poison control center or doctor for further treatment advice

HOTLINE NUMBER Have the product container or label with you when calling a poison control center or doctor or going for treatment For emergency information on product (product use etc) call the National Pesticide Information Center at 1 800 858 7378 6 30 AM to 4 30 PM Pacific time (PT) seven days a week Other times call the poison control center 1 800 222 1222 Further questions call Manufacturer Hot Line# 1 800 822 5387

NOTE TO PHYSICIAN Probable mucosal damage may contraindicate the use of gastric lavage

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic organisms Do not discharge effluent containing this product into lakes streams ponds estuaries oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority For guidance contact your State Water Board or Regional Office of the EPA

PHYSICAL OR CHEMICAL HAZARD

STABILIZING AGENT Contact with water slowly liberates irritating and hazardous chlorine containing gases Decomposes at temperatures above 464 F with liberation of harmful gases When ignited will burn with the evolution of chlorine and equally toxic gases NEVER add water to product Always add product to large quantities of water Use clean dry utensils DO NOT add this product to any dispensing device containing remnants of any other product Such use may cause a violent reaction leading to fire or explosion Contamination with moisture organic materials or other chemicals may start a chemical reaction with generation of heat liberation of hazardous gases and combustible fire and explosion
IN CASE OF FIRE OR SMOKE Call the fire department Do not attempt to extinguish the fire without a self contained breathing apparatus (SCBA) Do not let fire burn Flood with copious amounts of water DO NOT use ABC or other dry chemical extinguishers since there is the potential for a violent reaction
IN CASE OF CONTAMINATION OR DECONTAMINATION DO NOT reseal container Follow disposal instructions on label

DICHLOR 56 Granular

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

FOR INDUSTRIAL USE ONLY

As a pesticide this product is for repackaging and formulating into the following end use products microbiocidal/disinfectant sanitizer bactericide fungicide or algaecide into end use products intended for the following general use sites aquatic non food industrial aquatic non food residential indoor non food and indoor residential

Repackagers or formulators using this product are responsible for obtaining EPA registration of their products

This product may be used by manufacturers of non pestitoidal products provided no pestitoidal claim is made

STORAGE AND DISPOSAL

Do not contaminate water food or feed by storage or disposal

Pesticide Storage Keep this product in a tightly closed container when not in use Store in cool dry and well ventilated area away from heat and open flame In case of spill isolate container (if possible) and flood area with large amounts of water to dissolve all material before discarding this container in trash

Pesticide Disposal Pesticide wastes are acutely hazardous Improper disposal of excess pesticide spray mixture or residue is a violation of Federal law If these wastes cannot be disposed of by use according to label instructions contact your State Pesticide or Environmental Control Agency or the Hazardous Waste Representative at the EPA Regional Office for guidance The disposal methods are incineration or chemical treatment in accordance with Federal State and Local regulations DO NOT put product spilled products or filled or partially filled containers into the trash or waste compactor Contact with incompatible materials could cause a reaction and fire DO NOT transport wet or damp material

Container Handling and Disposal

Container Handling Non refillable rigid container Do not re-use or refill this container Triple rinse as follows Empty the remaining contents into application equipment or a mix tank Fill the container 1/4 full with water Replace and tighten closures Tip container on its side and roll it back and forth ensuring at least one complete revolution for 30 seconds Stand the container on its end and tip it back and forth several times Turn the container over onto its other end and tip it back and forth several times Empty the residue into application equipment or a mix tank or store in a safe container for later use or disposal Repeat this procedure two more times

Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill or incineration or if allowed by state and local authorities by burning If burned stay out of smoke

Container Handling Refillable Container Refill this container with Dichlor 56 Granular product only Do not reuse this container (drum) for any other purpose Cleaning the container before final disposal is the responsibility of the person disposing of the container Cleaning before refilling is the responsibility of the refiller

MADE IN CHINA

Manufactured by Juancheng Kangtai Chemical Company LTD

Juancheng County Development Area
