U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Antimicrobials Division (7510-P)
1200 Pennsylvania Avenue N.W.
Washington, D.C. 20460

EPA Reg. Number:

88401-1

Date of

Issuance:

March 12, 2013

Term of Issuance:

Unconditional

Name of Pesticide Product:

Micro-Pak Enhanced
Packaging Stickers

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Robert S. Brennis, U.S. Agent of Record for Micro-Pak LTD
Brennis Consulting Services LLC
6628 Birchleigh Way
Alexandria, VA. 22315

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product (OPP Decision No. 460680) is unconditionally registered in accordance with FIFRA sec 3(c)(7)(B) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and, submit acceptable responses required for re-registration of your product under FIFRA section 4.
2. Change EPA File Symbol 88401-R to EPA Registration Number 88401-1.
3. Add "Batch Code: _____" under the net contents description.
4. The website on the labeling is subject to review by the Agency. If the website content is false or misleading, the product would be misbranded and its sale or distribution unlawful to sell or distribute under FIFRA section 12(a)(1)(E). In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Although EPA has not yet determined the extent to which it will routinely review company websites, if the Agency finds or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from claims approved through the registration process, the website may be referred to the EPA's Office of Enforcement and Compliance Assurance.
5. You must submit acceptable product specific Corrosion Characteristics and Storage Stability data within a year of this Registration notice. A copy of our Chemistry Review (D400021) is enclosed.

Submit one copy of the finished final printed label prior to releasing this product for sale. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the unconditionally approved label is enclosed for your records.

Micro-Pak® Enhanced Packaging Stickers

[Controls] [Inhibits] [Effective Against] [Mitigates] Odor Causing Bacteria, Mold and Mildew

Active Ingredient:
 Sodium Metabisulfite (Na₂S₂O₅).....18.8%
 Other Ingredients.....81.2%
 Total.....100.0%

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Micro-Pak® Enhanced Packaging Stickers are intended to [control] [inhibit] [mitigate] odor causing bacteria, mold and mildew on products enclosed in packaging intended for shipment. Items that may be packaged and treated in this manner would include footwear, clothing, luggage, handbags, purses, wallets, gloves, hats, belts, leather goods, sporting goods, furniture, gift and packing boxes, carpets, photo albums, musical instruments, toys, bracelets, jewelry, dolls, lamps, vases, baskets, pots, footwear components, bedding, tablecloths and other associated materials. **Micro-Pak® Enhanced Packaging Stickers** will keep products clean and fresh.

Open the **Micro-Pak® Enhanced Packaging Stickers** foil pouch. Remove a roll of **Micro-Pak® Enhanced Packaging Stickers** and place them in the Micro-Pak dispenser box. At time of final packaging, place one piece of Micro-Pak Sticker in a shoe size box. Larger containers, such as those containing full size boots should have 2 stickers inserted. The box should be closed immediately after putting the sticker on the box base and not reopened. Any other larger boxes of protected items should contain approximately one sticker per each 2 cubic foot area. Any unfinished roll of Micro-Pak stickers must be placed back in the foil pouch and closed with tape for use within the next 24 hours. Dispose of stickers that are from a container that has been opened longer than 24 hours.

STORAGE AND DISPOSAL
 Do not contaminate food or feed by storage or disposal
PESTICIDE STORAGE: Keep this product dry in original sealed packs when not in use. Store stickers in a cool, dry, well-ventilated area away from heat and flame.
PESTICIDE DISPOSAL: Place used stickers in a plastic bag, seal bag and place in an outdoor trash receptacle (dumpster).
CONTAINER DISPOSAL: Do not reuse empty packaging but place in trash collection.
