Subject: Notification per PRN 98-10 –adding new marketing claims “floral products” Product Name: **Micro-Pak Enhanced Packaging Sheets**
EPA Registration Number: 88401-2
Application Date: 03/29/17
Decision Number: 530042

Dear Ms. Woodall,

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process.

Page 2 of 2
EPA Reg. No. 88401-2
Decision No. 530042

Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If you have any questions, you may contact me at 703-305-6440 or via email at grigsby.stacey@epa.gov .

Sincerely,

A handwritten signature in cursive script that reads "Stacey Grigsby".

Stacey Grigsby, Regulatory Risk Manager
Regulatory Management Branch II
Antimicrobials Division (7510P)

NOTIFICATION

88401-2.20170329.V1

88401-2

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

Micro-Pak® Enhanced Packaging Sheets

[Controls] [Inhibits] [Effective Against] [Mitigates] Odor Causing Bacteria,
Mold and Mildew

These Packaging Sheets are for commercial shipping use

Active Ingredient:
Sodium Chlorite.....0.2%
Other Ingredients.....99.8%
Total.....100.0%

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Micro-Pak® Enhanced Packaging Sheets are intended to [control] [inhibit] [mitigate] odor causing bacteria, mold and mildew on products enclosed in packaging intended for shipment. Items that may be packaged and treated in this manner would include footwear, clothing, luggage, handbags, purses, wallets, gloves, hats, belts, leather goods, sporting goods, furniture, packing boxes, carpets, photo albums, musical instruments, toys, bracelets, jewelry, dolls, lamps, vases, baskets, footwear components, bedding, tablecloths and **floral products**. **Micro-Pak® Enhanced Packaging Sheets** will keep products clean and fresh.

Open the **Micro-Pak® Enhanced Packaging Sheets** foil pouch. Remove a roll of **Micro-Pak® Enhanced Packaging Sheets** and place them in the Micro-Pak® dispenser box, or use large sheets directly from foil pouch.

Use of the Sheets

At time of final packaging, place one or more appropriate sized Micro-Pak® Sheets as needed to cover the item to be packed and place protected item and the sheets into the normal packaging. Larger items will require larger sheets. For each square foot of product surface area, use approximately a total of 12 square inches of Micro-Pak® Sheets. The packages must be closed immediately after putting the sheets in the package and not reopened.

Maintenance of the Registered Product

Any unused Micro-Pak® Sheets must be packed back in the foil pouch and closed with tape for use within the next 24 hours. Close the foil pouch of **Micro-Pak® Enhanced Packaging Sheets** with tape anytime they are left unattended. Dispose of sheets that are from a registered product container that has been opened longer than 24 hours.

STORAGE AND DISPOSAL

Do not contaminate food or feed by storage or disposal.

PESTICIDE STORAGE: Keep this product dry in original sealed packs when not in use. Store sheets in a cool, dry, well-ventilated area away from heat and flame.

PESTICIDE DISPOSAL: Place used sheets in a plastic bag, seal bag and place in an outdoor trash receptacle (dumpster).

CONTAINER DISPOSAL: Do not reuse empty packaging but place in trash collection.
