Antimicrobials Division (7510P)
1200 Pennsylvania Avenue NW
Washington, D.C. 20460

EPA Agency
Number:
88472-1

Date of Issuance:
DEC 22 2011

Term of Issuance:
Unconditional

Name of Pesticide Product:
B Cleaner

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

International Consolidated Business Inc.
19800 MacArthur Blvd. Suite 300
Irvine, CA 92612

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product (OPP Decision Number: D-452783) is unconditionally registered in accordance with FIFRA sec 3(c)(7)(a) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 88472-1".
 - b. Delete the "Biodegradable" claim on page 2 because data was not submitted to support this claim.

- c. Delete the 26th claim, "eClean," on page 2.
- d. Since this product is category III for primary skin irritation, the "First Aid" statements must be revised to include the following:

"If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.
- e. Revise the last statement under "Container Handling" to read "Offer for recycling if available or dispose of in sanitary landfill or by other procedures approved by state and local authorities.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped label with comments is enclosed for your records. Submit one (1) copy of your final printed labeling prior to release of this product for shipment. Should you have any questions concerning this letter, please contact me by telephone at (703) 308-6416.

Sincerely,

Jacqueline Campbell,

Directions for Use:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

To clean and deodorize

1. Turn nozzle to "Spray" for large surface areas or "Stream" for targeted cleaning.
2. Spray 6-8 inches from surface.
3. Wipe [with a clean [damp cloth] or sponge] or [rinse thoroughly with water] to avoid drying on the surface.
4. Repeat as necessary.
5. Turn nozzle "Off" for safe storage.

To sanitize hard non-porous surfaces: Leave on surface(s) for 60 seconds before wiping clean. Heavily soiled surfaces must be pre-cleaned prior to sanitizing.

To disinfect hard non-porous surfaces: Leave on surface(s) for 5 minutes before wiping clean. Heavily soiled surfaces must be pre-cleaned prior to disinfecting.

Wherever food contact is likely, rinse surface with (clean) (tap) water after cleaning.

Precautionary Statements

Hazards to Humans & Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

If in Eyes:	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [For emergency information call xxxxx]	

Physical or Chemical Hazards: Contains lactic acid. Do not mix with chlorine bleach or other household chemicals, as hazardous gases may be released.

Storage & Disposal language for household containers

Storage & Disposal

Store in areas inaccessible to small children. Non-refillable container. Do not re-use or refill this container. Offer for recycling if available or discard in trash.

Storage & Disposal language for commercial and institutional use sites

Storage & Disposal

Do not contaminate water, food, or feed by storage and disposal

Pesticide Storage: Store in areas inaccessible to small children.

Pesticide Disposal: To avoid wastes, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program.

Container Handling: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available or discard in trash.
