Arlington, VA 22202

Subject: Label Amendment – Label Amendment to Add the USDA Biobased certification mark on the label with the following disclaimer statement: "**This mark is not an indication of safety. [Read and follow all label instruction] and; Add the language "Made from Naturally Derived ingredient".

Product Name: B Cleaner
EPA Registration Number: 88472-1
Application Date: December 2, 2019
Decision Number: 558443

Dear Ms. Anastasiou:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

EPA Reg. No. 88472-1
Decision No. 558443

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Srinivas Gowda by phone at 703-308-6354, or via email at gowda.srinivas@epa.gov.

Sincerely,

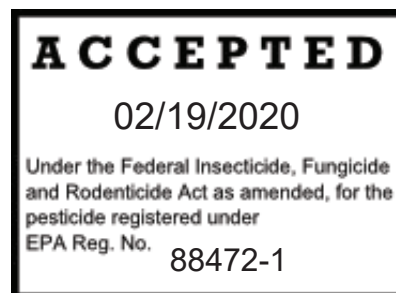

A handwritten signature in black ink that reads "Srinivas Gowda for". The signature is written in a cursive style.

- Bleach Free
- Bottle made of XX post-consumer [waste] [recycled plastic]
- Brighten your home
- Brighten your world
- Cleaner
- Cleans and disinfects [all over the house] [kitchens] (and) [bathrooms] [restrooms]
- Cleans [grease] [soap scum] (and)[bathroom soils]
- Cleans [shines] [disinfects] [deodorizes]
- Contains no (does not contain) [abrasives] [bleach] [chlorine] [harsh acids] [petroleum solvents] (and) [phosphates]
- Contains non-VOC emitting agents
- Contains [powerful] [effective] [fast acting] grease cutters
- Commercial
- Cuts [grease] [grime] (and) [dirt]
- Custodian [Custodial] [cleaner]
- Does not harm most [kitchen] (and) [bathroom] surfaces
- Degreases [Degreaser]
- Deodorizer [Deodorizes]
- Destroys [tough] grease [and grime] [soap scum]
- Dye Free
- Easy to Use
- Eliminates [tough] [grease] [soap scum] [stains]
- Every day we make choices that impact lives, including the products we used to clean our homes. With this in mind we've developed a line of highly effective home care products called _____.
- For daily [everyday] use [cleaning]
- For hard non-porous [kitchen] [bathroom] [restroom] surfaces
- For multiple cleaning tasks
- For the ultimate clean
- For use as a multi-purpose disinfectant cleaner
- Industrial [cleaner]
- Institutional [cleaner]
- Kitchen cleaner
- Lemon Scent
- Multi-Purpose cleaner
- New (***Introductory 6 month claim***)

Optional Marketing & Cleaning Claims continued

- Phosphate free
- Powerful all purpose cleaner
- Powerful cleaning action
- Powerful soap scum remover
- Ready to Use
- Removes soap scum [build-up]
- Residential [cleaner]

Optional Biodegradable Surfactant Claims

- Biodegradable Surfactants[§]
 - The surfactants [contained] in this product are biodegradable[§]
- [§]Surfactants are cleaning agents
^{§§}Only the surfactants contained in this product are biodegradable. Surfactants are cleaning agents.

Optional Disinfectant/Antibacterial/Sanitizer Claims

- 60 second sanitization
- Antibacterial [action] [formula]
- Bactericide (Bactericidal)
- Can help prevent the cross contamination of bacteria
- Destroys bacteria
- Destroys germs*
- Disinfectant
- Disinfects [as it cleans] [hard non-porous surfaces]
- Disinfects in 5 minutes
- Eliminates bacteria
- For (any) hard, non-porous surface where (bacteria) (germs*) are a concern
- Germicidal*
- Help protect your home from germs*
- Healthcare Disinfectant [Cleaner]
- Hospital Disinfectant [Cleaner]
- Institutional Disinfectant [Cleaner]
- Kills 99.99% of germs*, viruses and bacteria
- Kills 99.99% of germs*
- Kills Avian Influenza A (flu virus)
- Kills bacteria
- Kills germs*
- Kill household bacteria** [in [60[seconds]
- Kills Pandemic 2009 H1N1 influenza A virus (formerly called swine flu).
- Kills Pandemic 2009 H1N1 influenza A virus.
- Kills H1N1 Flu Virus
- Kills Pandemic 2009 H1N1 Influenza Flu Virus

Optional Disinfectant/Antibacterial Claims continued

- Kills Methicillin-Resistant Staphylococcus aureus (MRSA)

- Removes bacteria
- Respiratory illnesses attributable to Pandemic 2009 H1N1 are caused by influenza A virus. [This product] is a broad-spectrum hard surface disinfectant that has been shown to be effective against influenza A virus and is expected to inactivate all influenza A viruses including Pandemic 2009 H1N1 (formerly called swine flu).
- Sanitizer
- Sanitizes [[and deodorizes] hard, non-porous surfaces [in 60 seconds]]
- Sanitizes as it cleans
- [Sanitizes] [kills] common household bacteria**

Drawers	Patio door	Windshield
Exhaust (Fan) (Hood)		
Fixture (Chrome) (Stainless Steel)		

[Not suitable for raw, waxed, or polished wood, carpet fabrics, leather]

[For any surfaces you are unsure about, test on a small inconspicuous area first]

Directions for Use:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

To clean and deodorize

1. Turn nozzle to “Spray” for large surface areas or “Stream” for targeted cleaning.
2. Spray 6-8 inches from surface.
3. Wipe [with a clean [damp cloth] or sponge] or [rinse thoroughly with water] to avoid drying on the surface.
4. Repeat as necessary.
5. Turn nozzle “Off” for safe storage.

To sanitize hard non-porous surfaces: Leave on surface(s) for 60 seconds before wiping clean. Heavily soiled surfaces must be pre-cleaned prior to sanitizing.

To disinfect hard non-porous surfaces: Leave on surface(s) for 5 minutes before wiping clean. Heavily soiled surfaces must be pre-cleaned prior to disinfecting.

Wherever food contact is likely, rinse surface with (clean) (tap) water after cleaning.

Precautionary Statements

Hazards to Humans & Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

If in Eyes:	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.
If on Skin or Clothing	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [For emergency information call xxxxx]	

Physical or Chemical Hazards: Contains lactic acid. Do not mix with chlorine bleach or other household chemicals, as hazardous gases may be released.

Storage & Disposal language for household containers

Storage & Disposal

Store in areas inaccessible to small children. Non-refillable container. Do not re-use or refill this container. Offer for recycling if available or discard in trash.

Storage & Disposal language for commercial and institutional use sites

Storage & Disposal

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Store in areas inaccessible to small children.

Pesticide Disposal: To avoid wastes, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program.

Container Handling: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available or dispose of in sanitary landfill or by other procedures approved by state and local authorities.
