OFFICE OF CHEMICAL SAFETY  
AND POLLUTION PREVENTION

January 10, 2023

Georgia Anastasiou  
Agent for ICB  
International Consolidated Business Inc.  
c/o Lewis & Harrison  
2461 S. Clark St., Suite 710  
Arlington, VA 22202

Subject: Notification per PRN 98-10: Minor Label Revisions  
Product Name: B Cleaner  
EPA Registration Number: 88472-1  
Received Date: 12/28/2022  
Action Case Number: 00419793

Dear Ms. Anastasiou:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped "Notification" and will be placed in our records.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Assurance.

If you have any questions, you may contact Terria Northern via email at [northern.terria@epa.gov](mailto:northern.terria@epa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Terria Northern".

Terria Northern

Bracketed is intended to be optional language*

<sup>5</sup>Allow to come to room temperature before use

[Not suitable for raw, waxed, or polished wood, carpet fabrics, leather]

[For any surfaces you are unsure about, test on a small inconspicuous area first]

**Directions for Use:**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**To clean and deodorize**

1. Turn nozzle to “Spray” for large surface areas or “Stream” for targeted cleaning.
2. Spray 6-8 inches from surface.
3. Wipe [with a clean [damp cloth] or sponge] or [rinse thoroughly with water] to avoid drying on the surface.
4. Repeat as necessary.
5. Turn nozzle “Off” for safe storage.

**To sanitize hard non-porous surfaces:** Spray 6-8 inches from surface until wet. Allow surface(s) to remain visibly wet for 60 seconds before wiping clean. Visibly soiled surfaces must be pre-cleaned prior to sanitizing.

**To disinfect hard non-porous surfaces:** Spray 6-8 inches from surface until wet. Allow surface(s) to remain visibly wet for 5 minutes before wiping clean. Visibly soiled surfaces must be pre-cleaned prior to disinfecting.

Wherever food contact is likely, rinse surface with (clean) (tap) water after cleaning.

## Precautionary Statements

### Hazards to Humans & Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

### FIRST AID

<b>If in Eyes:</b>	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.
<b>If on Skin or Clothing</b>	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [For emergency information call xxxxx]	

**Physical or Chemical Hazards:** Contains lactic acid. Do not mix with chlorine bleach or other household chemicals, as hazardous gases may be released.

### *Storage & Disposal language for household containers*

#### **Storage & Disposal**

Store in areas inaccessible to small children. Non-refillable container. Do not re-use or refill this container. Offer for recycling if available or discard in trash.

### *Storage & Disposal language for commercial and institutional use sites*

#### **Storage & Disposal**

Do not contaminate water, food, or feed by storage and disposal.

**Pesticide Storage:** Store in areas inaccessible to small children.

**Pesticide Disposal:** To avoid wastes, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program.

**Container Handling:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available or dispose of in sanitary landfill or by other procedures approved by state and local authorities.
