Arlington, VA 22202

Subject: Notification per PRN 98-10 – Minor Labeling Revisions
Product Name: Toilet Bowl Cleaner
EPA Registration Number: 88472-2
Received Date: 09/21/2021
Action Case Number/Decision Number: 00323491

Dear Ms. Anastasiou:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Assurance.

If you have any questions, you may contact Terria Northern via email at northern.terria@epa.gov.

Directions for Use:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

To Clean and Deodorize

1. Empty water from toilet. Remove gross filth or heavy soil from all surfaces.
2. Squeeze and twist nozzle "OPEN".
3. Point nozzle under the rim of your toilet bowl and squeeze gently.
4. Spread evenly over all surfaces with your toilet cleaning brush.
5. **To kill gram-negative bacteria let stand for 5 minutes.**
6. Stubborn stains may need scrubbing.
7. Repeat if necessary.
8. Turn nozzle "Off" for safe storage.

Precautionary Statements

Hazards to Humans & Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

If in Eyes:	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.
If on Skin or Clothing	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [For emergency information call xxxxx]	

Physical or Chemical Hazards: Contains lactic acid. Do not mix with chlorine bleach or other household chemicals, as hazardous gases may be released.

Storage & Disposal language for household containers

Storage & Disposal

Store in areas inaccessible to small children. Non-refillable container. Do not re-use or refill this container. Offer for recycling if available or discard in trash.

Storage & Disposal language for commercial and institutional use sites

Storage & Disposal

Do not contaminate water, food, or feed by storage and disposal

Pesticide Storage: Store in areas inaccessible to small children.

Pesticide Disposal: To avoid wastes, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program.

Container Handling: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available or dispose of in sanitary landfill or by other procedures approved by state and local authorities.
