

U.S. ENVIRONMENTAL PROTECTION AGENCY
 Office of Pesticide Programs
 Biopesticides and Pollution Prevention Division (7511P)
 1200 Pennsylvania Ave., N.W.
 Washington, D.C. 20460

EPA Reg. Number:

88889-2

Date of Issuance:

2/8/2021

NOTICE OF PESTICIDE:

Registration
 Reregistration
 (under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

BIRD-OUT

Name and Address of Registrant (include ZIP Code):

Avian Enterprises, LLC
 221 Ocean Grande Blvd.
 Suite 801
 Jupiter, FL 33477

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product, always refer to the above EPA Registration Number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA or the Act).

Registration is in no way to be construed as an endorsement or recommendation of this product by the U.S. Environmental Protection Agency (EPA). In order to protect health and the environment, the Administrator, on his or her motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under the Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration or registration review of your product when the EPA requires all registrants of similar products to submit such data.

Signature of Approving Official:

Gina Burnett, Senior Regulatory Advisor
 Biochemical Pesticides Branch
 Biopesticides and Pollution Prevention Division (7511P)
 Office of Pesticide Programs

Date:

2/8/2021

2. Make the following labeling change before you release this product for shipment:
 - Revise the EPA Registration Number to read, “EPA Reg. No. 88889-2.”
3. Submit one (1) copy of the final printed labeling for the record before you release this product for shipment.

Should you wish to add/retain a reference to your company’s website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6. A stamped copy of the labeling is enclosed for your records. Please also note that the record for this product currently contains the following acceptable Confidential Statement of Formula (CSF)

- Basic CSF dated 07/24/2020

Any CSFs other than those listed above are superseded.

If you have any questions, please contact James Parker of my branch by phone at (703) 306-0469 or via email at parker.james@epa.gov.

Sincerely,

Gina Burnett, Senior Regulatory Advisor

<p>Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Poison Control Center at 800-900-4044 for emergency medical treatment information.</p>	

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS**

CAUTION. Causes moderate eye irritation. Harmful if absorbed through skin. Avoid contact with skin, eyes, and clothing. Handlers must wear waterproof gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

ENVIRONMENTAL HAZARDS

For terrestrial uses, do not apply directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate. This pesticide is slightly toxic to fish and aquatic invertebrates.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Use only as directed on this label.

APPLICATION DIRECTIONS:

Use this product to repel birds from small areas where birds roost such as balconies, decks, patios, garages, tool sheds, warehouses, barns, building ledges, outdoor dining areas, window sills, backyards, and other outdoor areas.

Only for use in Bird B Gone Bird-Out dispensers. Only for outdoor use and in buildings with openings that permit bird access.

Place the Bird B Gone Bird-Out dispenser in the area where pest birds are present. Follow the instructions as provided by Bird B Gone in the dispenser for appropriate installation and use. Activate cartridge by twisting clockwise (right), one quarter of a turn, until you hear a CLICK and you feel it LOCK in place. The click indicates the unit is sealed. If it does not seal leaking may occur. DO NOT turn counterclockwise. Handle with care. Insert Bird-Out cartridge into Bird B Gone Bird-Out dispenser. One cartridge covers up to [400 square feet] [8,000 cubic feet]. For best results, replace Bird-Out cartridge every 60 days to ensure continuous application.

Use Restrictions:

- Use this product in areas to repel birds that congregate in large numbers, including these passerine birds: starlings (*Sturnus vulgaris*), gulls (subfamily *Larinae*), blackbirds including grackles (Family *Icteridae*), and rock dove and domestic pigeons (*Columba livia*), cliff swallow (*Hirundo fulva*), house (English) sparrow (*Passer domesticus*), house finch (*Corpodacus mexicanus*), American crow (*Corvus brachyrhynchos*, *Corvus ossifragus*) as well as these wild migratory waterfowl: geese (*Anserinae*), mute swan (*Cugus olor*), and Coot (*Fulica Americana*). These listed birds are reservoirs or vectors for human disease causing agents, bacterial, parasitic, fungal, and ectoparasitic pathogens that can be transmitted to humans and may present a health risk to humans and domestic poultry.
- This product cannot be applied in areas when non-target birds (i.e. those birds not listed above) or Threatened or Endangered Birds may be present.

- Do not apply directly to water, such as lakes, reservoirs, ponds, streams and canals; however, overspray to water bodies can be expected with proper use of this product.

Areas where the above types of wild birds or their droppings and humans or domestic birds come in close contact pose a risk to human health and in these settings, birds are considered pests.

[Instructions for cartridge and F-MATIC fan dispenser

1. Select an area to mount the fan dispenser. Areas with active airflow are best.
2. Prep the surface area before installing the fan dispenser, using an alcohol wipe.
3. Insert one D battery in the and move the switch from OFF to ON.
4. Remove the protective layer from the double-sided adhesive foam pad and stick the dispenser to the wall.
5. Install the dispenser to the wall using screwdriver and screws to secure it. Drywall anchors are included and should be used when applicable.
6. Place fan dispensers with a new cartridge every 400 square foot for best results.
7. Press the button at the base of the dispenser and unlock the cover.
8. Lift the cover of the dispenser so it snaps into place.
9. Place the open cartridge on the base until it snaps and close the cover.]

[Instructions for cartridge mini passive air dispenser

1. Select an area to mount the mini passive air dispenser. Areas with active airflow are best.
2. Prep the surface area before installing the dispenser, using an alcohol wipe.
3. Remove the protective layer from the double-sided adhesive foam pad and stick the dispenser to the wall.
4. Install the dispenser to the wall using a screwdriver and screws to secure it. Drywall anchors are included and should be used when applicable.
5. Place dispensers with a new cartridge every 400 square foot for best results.
6. Press the button at the base of the dispenser and unlock the cover.
7. Lift the cover of the dispenser so it snaps into place.
8. Place the open cartridge on the base until it snaps and close the cover.]

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE: Store only in original container, in a dry place inaccessible to children, pets and domestic animals.

PESTICIDE DISPOSAL: Product that cannot be used according to label instructions must be disposed of according to Federal or approved State procedures.

CONTAINER HANDLING:

Nonrefillable Container: Nonrefillable container. Do not reuse or refill this container.

If empty: Place in trash or offer for recycling if available.

If Partly Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

WARRANTY

NOTICE: The directions for use of this product are believed to be adequate and must be followed carefully. To the extent consistent with applicable law, Avian Enterprises, LLC, Inc. does not make, nor does it authorize any agent or representative to make any oral or written warranty, guarantee, or representation, express or implied, concerning this material or the use thereof beyond the statements of the label. To the extent consistent with applicable law, neither Avian Enterprises, LLC nor the seller shall be held responsible in any manner for any claim of personal injury or property damage or loss resulting from handling, storage, or use of this material not in accordance with the written directions. To the extent consistent with applicable law, the buyer assumes all risk and liability resulting from handling, storage, or use, or purchaser accepts and uses this material on these conditions. No other warranty exists.
