U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Antimicrobials Division (7510P)
1200 Pennsylvania Avenue NW
Washington, D.C. 20460

EPA Reg. Number:
89094-2

Date of Issuance:
OCT 19 2012

Term of Issuance:

Conditional

Name of Pesticide Product:

Multi Purpose Cleaner
Wipe

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

E. David Lewis
Agent for Aseptix Research BV
Lewis & Harrison
122 C Street, NW, Suite 740
Washington, DC 20001

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec 3(c)(7) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 89094-2"

Signature of Approving Official:

Marshall Swindell
Product Manager Team-33
Regulatory Management Branch I
Antimicrobials Division (7510P)

Date:

OCT 19 2012

- b. Under Directions for Use (Sanitize) on page 2, add the wording “non-food contact surfaces”.
- c. On page 3, under the Storage and Disposal section, the language must be revised to comply with the container-related requirements per 40 CFR 156.40-156.159:
 - Delete the word refillable
 - Insert the language “Dispose of wipe in trash after use. Do not flush in toilet. Tightly reseal the container between uses to retain moisture.
- d. Throughout the labeling, when the word “harsh” is used in connotation with “acid, bleach or chlorine” those terms (e.g. chlorine or bleach) must be removed. The claim is comparative and can be misleading. It is misleading because such claims may lead consumers to think the missing ingredient is hazardous (and thus products that contain it are harmful and to be avoided.)
- e. Throughout the labeling, revise or take out the terms “all around the house” and “entire home or surfaces”. Using these terms is misleading because not all surfaces within the home can be treated. The only surfaces that can be treated for this product are for non-porous hard surfaces. Either the terms must be removed or have a qualifier for use on hard non-porous surfaces.
- f. Throughout the label, the terms “molecules, elements, water and oxygen, oxy, or oxygenated” must be removed. These terms is misleading and is not permissible because it implies safety and environmental preference.
- g. On page 6, terms which state “...cleaner to eliminate bacteria” must be removed. Those terms are false and misleading. The claims give the impression that “cleaning” is associated with pesticidal activity.
- h. On page 13, qualify “Kitchens” with “non-food contact surfaces”
- i. On page 14, the item “bacteria prone surfaces” must be removed. The use site is ambiguous because all of the surfaces listed in this section are prone to germs. There is no rationale as to why this particular site must be distinguished.
- j. On page 17, the claim “...won’t corrode surfaces over time” must be removed. This claim is false and misleading because hydrogen peroxide is a corrosive agent.
- k. On page 18, the claim “won’t bleach or discolor surfaces” must be removed. This is a comparative statement and is false and misleading. Like Sodium hypochlorite, hydrogen peroxide is also a bleaching agent.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Multi Purpose Cleaner Wipe

SECTION 1: FORMULA

Active Ingredient:

Hydrogen peroxide 0.77%

Inert Ingredients 99.23%

Total 100.00%

See Back Panel For Additional Precautionary Statements.

(See Inside Label -or- Panel for Additional Precautionary Statements.)

(Peel Here — Press to Reseal)

(Detailed Use Directions and Precautionary Statements are inside this label.)

(Please read all directions carefully before using this product).

(Use as directed.)

Net Contents:

4/27

(Note to Reviewer: Parenthesis indicate optional text.)

SECTION 3: DIRECTIONS FOR USE

DIRECTIONS FOR USE:

nonfood contact

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

TO SANITIZE: For use on hard non-porous inanimate surfaces. Wipe surface until completely wet. Use as many wipes as necessary in order to keep the surface wet for the entire contact time. Allow surface to remain wet for 30 seconds. Let air dry. For heavily soiled areas, precleaning is required.

TO OPEN PACKAGE: Open lid and pull out first wipe from the center of the roll. Pull up wipe through small hole in the center of the lid. As wipe is pulled through hole, next wipe will come up through hole and be ready for use. Give a quick tug to separate one wipe from the next.

TO OPEN PACKAGE: Open pouch by peeling back seal. Use wipes as directed. Reseal pouch after each use to retain moistures. Store in a cool location.

TO REFILL: Insert refill into canister. (Use scissors) (to) (Cut) (Tear) (Open) refill pouch. Do not remove wipe roll from refill pouch. Pull up wipe through small hole in the center of the lid. As wipe is pulled through hole, next wipe will come up through hole and be ready for use. Give a quick tug to separate one wipe from the next.

TO CLEAN: Wipe surface clean and allow to air dry.

(TO) DEODORIZE:

(DEODORIZE) (DEODORIZER) (DEODORIZING)

Wipe surface clean and allow to air dry. Eliminates odors caused by bacteria.

(ALLERGEN DESTRUCTION) (REMOVE) (REMOVES) (DESTROYS) ALLERGENS**:**

To (clean) (and) (remove) (and) (destroy) (specified) allergens**: Wipe surface until clean and allow to air dry. (If streaking is observed, wipe with a clean, damp (cloth or) paper towel)

Under the Federal Insecticide,
Fungicide, and Rodenticide Act as
amended, for the pesticide,
registered under EPA Reg. No. 89094-2

(Note to Reviewer: Parenthesis indicate optional text.)

STORAGE AND DISPOSAL:

[Note to Reviewer: For nonrefillable container labels]

STORAGE: Store in a cool place, out of reach of children and pets.

CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

[Note to Reviewer: For refillable container labels]

STORAGE: Store in a cool place, out of reach of children and pets.

CONTAINER HANDLING: Refillable. Refill container only with this product. If not refilling, place in trash or offer for recycling if available. Dispose of w. pe in trash after use. Do not flush in toilet. Tightly reseal container between uses to retain moisture.

SECTION 4: PRECAUTIONARY STATEMENTS

PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals (.)

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

[Note to Reviewer: Boxed format and "bullets" as listed below will be used if label space permits; otherwise a paragraph format will be used.]

FIRST AID:

If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	

ENVIRONMENTAL HAZARDS:

This pesticide is toxic to birds, fish, and aquatic invertebrates. Caution should be used when applying indoors because pets may be at risk.

OCT 19 2012

Under the Federal Insecticide,
Fungicide, and Rodenticide Act as
amended, for the pesticide,
registered under EPA Reg. No. 89094-2

- Harsh Chemical Alternative lifts dirt and sanitizes
- (Clean) (and) (Sanitize) Without compromise
- (Cleaner) and (Antibacterial) Sanitizer
- Cleans and Sanitizes in One Step
- (Clean(s)) and (Sanitize(s)) with (foaming) Hydrogen Peroxide
- Clean, sanitize and leave a (This Brand) shine (on glass) (and other hard surfaces) (throughout your house) (with just one product)
- (Deodorizer) (Deodorizes) (Deodorize(s)(er))
- Deodorizes food odors (like garlic and onion) (left behind on non-food contact kitchen surfaces) (after cooking)
- Deodorizes odors (caused by) (from) odor causing bacteria* (or) (and) (non-fresh foods)
- (Destroys) (Removes) (Kills) odor causing bacteria* in the (insert locations – Table 3)
- (Destroys) (Takes away) (Removes) odors*
- Eliminates odor causing bacteria* ordinary cleaners do not
- Eliminates (the source of) odors* on (household) surfaces (in the home)
- For general (cleaning and) sanitizing of hard non-porous surfaces
- For the dirt you can see and the household bacteria* you can't
- Formulated with (sanitizing) hydrogen peroxide (technology)
- From the brand(s) you trust to clean, with a (antibacterial) Sanitizer
- (Has) (Hydrogen Peroxide) (ingredients) (cleaners) (scrubbing agents) (work(s)) (to) (keep your (insert locations – Table 3) cleaner, longer) (clean and Sanitize) (give you a sparkling clean)
- Harness the power of Hydrogen Peroxide (to clean) (to lift) (to remove) (to Sanitize) (grease) (soap scum) (dirt) (grime)
- (Hydrogen Peroxide) (Bubbles) Lift(s) dirt out (and kills bacteria*)
- Hydrogen Peroxide (Fizzes dirt away) (breaks down dirt) (kills bacteria*) (while killing bacteria*)
- (Hydrogen Peroxide) bubbles work hard to lift out (dirt) (and bacteria*) (grease and grime) (soap scum)
- (Hydrogen Peroxide delivers) the right amount of cleaner to eliminate (dirt) (grease) (soap scum) (grime) ~~(and bacteria*)~~
- (Hydrogen Peroxide delivers) the right amount of cleaner to eliminate dirt ~~and bacteria*~~
- (Hydrogen Peroxide delivers) the right amount of cleaner to eliminate (dirt) (grease) (soap scum) (grime) (and) ~~(bacteria*)~~
- (Hydrogen Peroxide) (Antibacterial) (Sanitizer) (Cleaner) (Bubbles) (Foams) so you know it's working
- (Hydrogen Peroxide) (Antibacterial) (Sanitizer) (Sanitizing) active (bacteria* killing agent)
- (Hydrogen Peroxide) (Antibacterial) (sanitizing) (formula) (has) (leaves) No (annoying) harsh chemical (scum) (harsh residue) (film) ~~(and bacteria*)~~ (alcohol) smell (but the same (sparkling) (sanitizing) clean)
- (Hydrogen Peroxide) (antibacterial) (sanitizing) (formula) Leaves virtually no harsh residue
- (Hydrogen Peroxide) Fizzes away (dirt) (and) (bacteria*)
- (Hydrogen Peroxide) Helps prevent (or) (reduces) cross-contamination of treated (hard, non-porous) surfaces
- (Hydrogen Peroxide) Kills Odor Causing Bacteria*
- (Hydrogen Peroxide) (micro) (bubbles) Remove(s) (offensive) (nasty) (stubborn) (odors*) (stains) (bacteria*) (from) (insert locations – Table 3)
- (Hydrogen Peroxide) Releases micro-bubbles (to clean) (and) (to) (Sanitize)
- (Hydrogen Peroxide) (wipes) clean(s) and Sanitize(s)
- Hydrogen peroxide works by oxidizing the bacteria* in your home
- (Insert location – Table 3) (Antibacterial) Sanitizing Cleaner

cleans bacteria
The claims as well as
that cleaning is associated
with pest control
activity

(Note to Reviewer: Parenthesis indicate optional text.)

- (Insert location – Table 3) (Antibacterial) Sanitizing Wipes
- (Is a) (2-in-1 cleaner and sanitizer) (Dual action cleaner and sanitizer) – brightens and sanitizes (with Hydrogen Peroxide)
- (Is a) Perfect combination of (*This Brand*) clean and Hydrogen Peroxide Sanitizing
- (It) (also) eliminates odors* leaving (insert locations – Table 3) surfaces smelling clean and fresh.
- Kills bacteria*
- Kills E. coli (Escherichia coli)
- Kills K. pneumonia (Klebsiella pneumoniae)
- Kills Staph (Staphylococcus aureus)
- Kills Strep (Streptococcus pyogenes)
- Kills bacteria* (without the worry)
- Leaves no Harsh Residue
- Modern way to Sanitize
- No (Harsh Residue)(Streaking)(Smears)
- Oxidizing agent to provide Sanitization
- Perfect combination of (*brands*) Clean and Hydrogen Peroxide Sanitizing
- (Product name) Sanitizes
- (Product name) Kills Bacteria*
- (Product name) Kills (harmful) bacteria*
- Proven Sanitization technology
- Easy (and) convenient sanitizing
- Removes dirt, (grime), (and) (food residue).
- Removes dirt and bacteria*
- Removes (dirt and bacteria*) (grease and grime) (soap scum)
- (Removes soap scum) (and) Kills (household) bacteria* (in 30 seconds) with hydrogen peroxide)
- Removes (stains) (grease) (grime) (soap scum) (dirt) (and) bacteria*)
- (Sanitize) (and) (Kill bacteria*) (remove (tough) grease) (remove (tough) soap scum) (remove (tough) dirt) (remove (tough) grime)
- Sanitizing formula
- Sanitization technology
- Sanitizes
- Sanitizes (and) (-) kills (bacteria*)
- (Sanitizes) (kills bacteria*) with Hydrogen Peroxide
- (Sanitizes) (Kills) (Destroys) odor causing bacteria*
- (Sanitizes) (kills bacteria* with) and leaves no (streaky) harsh residue
- (Sanitizes with) (kills bacteria* with) No (streaky) Harsh Residue
- (Sanitizes with) (kills bacteria* with) Ingredients you (trust) (and) (know)
- The Hydrogen Peroxide formula releases thousands of micro bubbles that penetrate to oxidize (bacteria*) (dirt) (grease) (grime) (soap scum)
- (This product) (Brandname) is a (ready to use) (one step) (Antibacterial) (Sanitizer) (cleaner) (and) (deodorant) (odor neutralizer) (designed) for (general) cleaning, (and) sanitizing (deodorizing) (of) hard (nonporous) (inanimate) surfaces.
- (Antibacterial) (Sanitizer) (sanitizing) (cleaning) (cleaner) (with) (using) (hydrogen peroxide)
- ((Uses) (Hydrogen Peroxide) (to) Deodorize(s)* your (insert locations – Table 3) and leave(s) behind a pleasant scent
- (Uses) (Hydrogen Peroxide) (to) Eliminate(s) odors* as it cleans

- Pleasant (odor) (fragrance) (perfume)
- Pleasant smell
- (Product name) clean in a (easy to use) (convenient) (Hydrogen Peroxide) (Sanitizing) wipe
- ([Product Name]) Effectively removes everyday soils on (insert locations – Table 3) (with (the power of) Hydrogen Peroxide)
- (Product name) (with) (Hydrogen Peroxide)
- Proprietary Formula
- (Provides a)(Deep)(quick) (clean) (cleaning action) (cleans on contact)(with hydrogen peroxide)
- Refreshingly Clean
- Removes tough [food and beverage] stains, (fingerprints),(bathrooms) (Oils),(crayon and pencil marks),(and) (scuff marks)
- Removes (tough) (dirt)(and)(grease)(and)(grime) with (the)(foaming action)(of)(hydrogen peroxide)
- Reveal the natural beauty of your (finished) (wood) (insert location – Table 3)
- Same great (brand) clean
- Save(s) (you) time and money
- Saves on cleaning time, so you have more time for your family
- (Scientifically engineered) (to put) (Putting) (hydrogen) peroxide to work
- Shine (insert location – Table 3) (to) their natural shine
- Stick it to stubborn soils
- Strong enough for tough (cleans) (grease) (grime) (soap scum) (dirt), for (your) (fine) (surfaces) (family) (everyday life) (the things you care about)
- The clean you love from a wipe, with the (familiarity) (simplicity) of Hydrogen Peroxide
- (The)(Science)(behind)(of) the (new) Hydrogen Peroxide
- Total Clean(er) (with Hydrogen Peroxide)
- Tough cleaner with a non-chemical scent
- (Tough) (deep) (sparkling) (streak-free) clean
- Tough on grime
- Two in one: cleaning and sanitizing
- (Uses) (Hydrogen Peroxide) (to) Easily removes soap scum, hard water stains and dirt
- (Uses) (Hydrogen Peroxide) (to) Leave(s) a brilliant shine
- (Uses) (Hydrogen Peroxide) (to) Leave(s) your (insert locations – Table 3) smelling fresh
- (Uses) (Hydrogen Peroxide) (to) Penetrates and remove(s) tough soap scum and grime
- (Uses) (Hydrogen Peroxide) (to) Remove(s) dirt and grease (from hard surfaces)
- (Uses) (Hydrogen Peroxide) (to) Wipe(s) out tough grease and grime (and leaves a fresh clean scent)
- (Use in the (insert locations – Table 3) (and) (throughout) (all around) (the whole house) (your home) (your house)
- Use On (insert locations – Table 3)
- Use this product ([Product Name]) throughout your home on (household) surfaces (including glass)
- (Unique)(Patented)(Formula)(Technology)(Product)
- Uniquely available from Aseptix* (the inventors of (Accelerated Hydrogen Peroxide)(Hi-Speed Hydrogen Peroxide)
- Use throughout the (your) home (house)
- Versatile cleaner (can be used) (throughout) (all around) (the whole house) (your home) (your house)
- We work hard so you don't have to
- Wipes out tough grease and grime and leaves a fresh clean scent!

ACCEPTED with COMMENT in EPA Letter Data

OCT 19 2012 Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide, registered under EPA Reg. No. 89094-2

see p. 5 of my comments sheet. Must have a sanitizer for non hard porous surface.

Non-porous

non-hard porous surface

(Note to Reviewer: Parenthesis indicate optional text.)

- (With a) Ammonia Free (Hydrogen Peroxide) clean
- (With a) Effortless Clean
- (With a) (Foaming action)(formula)(to)(Cuts through)(easily)(removes) (dissolves)(soap scum) (stains)(grime) (with) (no) (messy)(dull)(harsh residue)(fast)(with hydrogen peroxide)Won't stain (surfaces) (counters) (insert locations/surfaces – Table 3)
- Works (for you) (not against you)
- Worry-free clean
- (You can) See foaming (Hydrogen Peroxide) bubbles at work (on) (grease) (grime) (dirt) (soap scum)
