

U.S. ENVIRONMENTAL PROTECTION AGENCY
 Office of Pesticide Programs
 Biopesticides and Pollution Prevention Division (7511P)
 1200 Pennsylvania Avenue NW
 Washington, DC 20460

EPA Reg. Number:

87276-12

Date of Issuance:

FEB 15 2012

Term of Issuance:

UNCONDITIONAL

Name of Pesticide Product:

Envi ACU Contact Insecticide

NOTICE OF PESTICIDE:

Registration
 Reregistration
 (under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Envincio LLC
 501 Cascade Point Lane
 Suite 103
 Cary, NC 27513

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This registration does not eliminate the need for continual reassessment of the pesticide. If the EPA determines at any time, that additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under section 3(c)(2)(B) of FIFRA.

This product is registered in accordance with FIFRA section 3(c)(5) and is subject to the following terms and conditions:

1. Submit and/or cite all data required for registration of your product under FIFRA section 3(c) (5) when the Agency requires all registrants of similar products to submit such data.
2. Revise the EPA Registration Number to read "EPA Reg. No. 87276-12" before this product is released for shipment.
3. Submit two (2) copies of the final printed labeling before you release the product for shipment. Refer to the A- 79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, this registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

(Lot No. / Batch No.: XX)

ACCEPTED

FEB 15 2012

Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended, for
the pesticide registered under
EPA Reg. No. 87276-12

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake well before using. This product is a contact spray and will not prevent reinfestation of any listed pest in any treated area. Insects must be contacted by spray in order to ensure 100% mortality.

For Crawling Insects: Crack/Crevice and Void Treatments: Important – Use the injector nozzle tip provided. To kill ants (including southern fire ants, carpenter ants, and nuisance ants including Argentine, thief, little black, big-headed, pavement, leafcutter, acrobat, odorous house, velvety tree, pyramid, field, crazy, cornfield and large yellow ants), bedbugs, cat fleas, brown dog ticks, cockroaches (including American cockroaches and German cockroaches), spiders (including cellar spiders and wolf spiders), European earwigs, carpet beetle larvae, field crickets, silverfish, and occasional invaders (including centipedes, millipedes, crickets, earwigs, pillbugs, sow bugs and lady beetles), inject into all crack/crevice and void spaces where insects are present. Applications can be made, but are not limited to, behind baseboards, cabinets, walls, ceilings, around doors and window frames, behind and under refrigerators, cabinets, sinks and stoves, and around water pipes and appliances. Insects contacted by spray will be killed. Ensure contact with as many insects as possible. Do not apply to any surface where food is prepared or served. **Fire ants & carpenter ants:** This product will not kill ant queens or ant colonies. **Fleas & Brown Dog Ticks:** Hold can approximately 12 inches (30 centimeters) above surface area and apply uniformly to infested areas including carpets, rugs, cloth upholstery and pet bedding. Contact fleas & ticks directly to kill these pests.

For Pantry Pest Treatments: Non-food use only. Use this product to kill pantry pests (including beetles, moths, mites and weevils). Do not use in commercial food/feed handling establishments, restaurants, or other places where food/feed is commercially prepared, processed or stored. Limit treatments to residential food storage areas. Do not use on food preparation surfaces. Apply only as a crack/crevice treatment or as a spray to the cracks, corners and surfaces of pantry shelves.

Remove all foodstuffs, utensils and shelf paper from area to be treated. Discard used shelf paper. Apply spray to shelves and in cracks and crevices behind and under cupboards and cabinets. Allow treated surfaces to dry and cover shelves with clean paper before replacing any utensils, foodstuffs or other items. Destroy any foodstuff accidentally contaminated with treatment solution.

For Flying Insect Treatments: To kill house flies and southern house mosquitoes, aim spray toward flying insect infestations contacting as many insects as possible. Insects contacted by spray will be killed. Wipe away excess spray after application. Remove people and pets from the area to be treated. Avoid spraying plants.

For Bedbug Treatments: Remove bedding materials. Take bed apart and treat cracks, joints and interior of framework. Treat mattresses and box springs; especially around tufts, folds, seams and edges. Treat baseboards, moldings, floors, and all cracks and crevices in the room. Let spray dry before putting bedding materials back on. Repeat treatment as necessary.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in a cool, dry area away from heat or open flame.

Pesticide Disposal: Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

Container Disposal: Do not puncture or incinerate! Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION

Causes moderate eye irritation. Avoid contact with eyes or clothing. Wear safety glasses, safety goggles, or face shield. Wash Thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

PHYSICAL OR CHEMICAL HAZARDS

Flammable. Contents under pressure. Keep away from fire, sparks and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

ENVIRONMENTAL HAZARDS

For terrestrial uses: Do not apply to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

FIRST AID

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15 – 20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact PROSAR at 1-866-257-4118 24 hours/day for emergency medical treatment information.

NOTE TO PHYSICIAN

Contains petroleum distillate – vomiting may cause aspiration pneumonia.

For Chemical Spill, Leak, Fire, or Exposure, Call: CHEMTREC 1-800-424-9300

For Medical Emergencies Only, Call: 866-257-4118

WARRANTY STATEMENT: To the fullest extent permitted by law, the manufacturer disclaims any liability whatsoever for special, incidental or consequential damages resulting from the use or handling of this product. To the fullest extent permitted by law, buyer assumes all responsibility for safety and use not in accordance with label, directions and precautionary statements.
