

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs  
Registration Division (7505T)  
1200 Pennsylvania Ave., N.W.  
Washington, D.C. 20460

EPA Reg. Number:

89459-138

Date of Issuance:

8/15/24

NOTICE OF PESTICIDE:

☒ Registration

☐ Reregistration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

RF2317 TEP Indoor Aerosol

Name and Address of Registrant (include ZIP Code):

Central Garden & Pet  
1501 E. Woodfield Road  
Suite 200W  
Schaumburg, IL 60173

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA).

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.

Daniel Rosenblatt, Deputy Director  
Registration Division (7505T)  
Office of Pesticide Programs

2. You are required to comply with the data requirements described in the generic data call-in (GDCI) identified below:

- a. PBO - GDCI-067501-26641

You must comply with all of the data requirements within the established deadlines. If you have questions about the GDCI listed above, you may contact the Chemical Review Manager in the Pesticide Re-Evaluation Division: <http://iaspub.epa.gov/apex/pesticides/f?p=chemicalsearch:1>

3. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. You have 18 months from the date of registration to provide these data.
4. Make the following label changes before you release the product for shipment:
  - Revise the EPA Registration Number to read, "EPA Reg. No. 89459-138."
5. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance. If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

The record for this product currently contains the following CSF(s):

- Basic CSF dated 10/19/2023

If you have any questions, please contact Autumn Metzger at 202-566-2830 or Metzger.autumn@epa.gov.

NET CONTENTS: 12 or 16 oz.

EPA Reg. No. 89459-XXX  
EPA Est. No.

## **PRECAUTIONARY STATEMENTS**

### **HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

#### **CAUTION**

Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

Personal Protective Equipment (PPE):

Applicators must wear

- Long-sleeve shirt,
- Long pants,
- Shoes and socks
- Waterproof gloves

#### **User Safety Requirements**

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Discard clothing and other absorbent material that have been drenched or heavily contaminated with the product's concentrate. Do not reuse them.

#### **User Safety Recommendations**

Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.

Users should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

Users should remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.

#### **FIRST AID**

##### **IF ON SKIN OR CLOTHING**

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also call 1-800-xxx-xxxx for emergency medical treatment information.

## **PHYSICAL OR CHEMICAL HAZARDS**

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

## **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**READ THE ENTIRE LABEL PRIOR TO USE. USE STRICTLY IN ACCORDANCE WITH ALL LABEL PRECAUTIONS AND DIRECTIONS.**

SHAKE WELL BEFORE EACH USE

## **USE RESTRICTIONS**

For indoor use only.

Spray to wet, avoiding pooling or spray to slightly wet without soaking

Remove pets, birds, and cover aquariums before spraying.

Do not apply this product in a way that will contact workers or other persons either directly or through drift. Only protected handlers may be in the area during application.

Do not enter or allow others to enter until sprays have dried.

Do not enter or allow others to enter until vapors, mists, and aerosols have dispersed and the treated area has been thoroughly ventilated.

Do not remain in treated area. Exit area immediately and remain outside the treated area until sprays have dispersed.

Do not wet articles to point of runoff or drip.

Do not apply when food is present.

Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.

Do not allow the product to enter any indoor drains. (No permita la entrada a desagües internos .) Follow proper disposal procedures on this label. (Siga las indicaciones del etiquetado para el desecho apropiado del producto.)

Except when applying to sewers or drains as instructed on this label, do not apply directly to sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur.

Do not use in aircraft cabins.

Do not apply to classrooms when in use. Do not apply to patient rooms in hospitals and nursing homes while occupied. Do not use in structures (barns, stables) that house food-producing animals or animals that may be used for food or feed. Do not use in food or feed areas of food or feed handling establishments, restaurants, or other areas where food or feed is commercially prepared or processed. Do not use in serving areas. Serving areas are areas where prepared foods are served, such as dining rooms but excluding areas where foods may be prepared or held.

Repeat treatments to infested areas as necessary at intervals of 14 days or greater. Do not make more than six applications per site per year.

**Spot Treatment Guidance Statement:** Spot treatments must not exceed two square feet in

size (for example, 2 ft. by 1 ft. or 4 ft. by 0.5 ft.).

### **Crack and Crevice treatments**

- Treat surfaces to ensure thorough coverage but avoid runoff.
- To treat insects harbored in voids and cracks-and-crevices, applications must be made in such a manner to limit dripping and avoid runoff onto untreated structural surfaces and plants.

### **FOR INDOOR SURFACE / SPOT OR CRACK AND CREVICE TREATMENT**

**Residential and Commercial Buildings:** Auditoriums, Basements, Bathrooms, Dumpsters, Garbage Receptacles, Garbage Handling Equipment, Homes, Apartments, Bedrooms, Utility Rooms, Jails, Prisons, Storage facilities, Production areas. **Transportation:** Buses, Cars, Shipping Containers, Animal, Produce and Dry Goods Trailers, Railcars, Ship and Ship Holds, Equipment, Trains, Trucks, Aircraft Cargo Holds

For use in the non-food and non-feed areas of food and feed handling establishments. Non-food and non-feed areas of food and feed establishments are areas such as garbage rooms, lavatories, floor drains (to sewer entries and vestibules), offices, locker rooms, machine rooms, boiler rooms, garages, mop closets, and storage (after canning and bottling)

**FOR THE CONTROL OF:** Water bugs, Silverfish, Carpet Beetles, Sowbugs and Asian lady beetles  
**INDOORS:** Hold container with nozzle pointed away from you. Can be used as a surface or spot or crack and crevice treatment. For applications as a crack and crevice spray using supplied extension tube in actuator, apply product from a maximum distance of 12 inches at a rate of 1 second per linear foot. For application as a spot spray, use actuator. For application as a spot spray, treat surface until slightly wet, about two seconds per spot from a distance of 8-12 inches. The 360° valve allows the product to be sprayed upright or upside down to facilitate applications.

### **RESIDUAL GERMAN COCKROACH CONTROL**

Hold can 12 inches from the surface to be sprayed. Spray a band in areas where German cockroaches generally crawl or reside in hidden areas around sinks and storage areas, behind and along baseboards, around windows and doors, behind and under refrigerators, cabinets, sinks and stoves, and under shelves. Apply until surface is wet but not to the point of runoff. Use an application rate of 1 gram per 16 sq. inches. Product is efficacious against German cockroaches within 48 hours of exposure. Apply every three months to non-porous surfaces and more frequently to porous surfaces.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE:** Do not store near heat or open flame. Store in cool, dry area away from children. **PESTICIDE DISPOSAL:** Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility. **CONTAINER HANDLING:** Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for local disposal options. Do not dispose of down-the-drain or sewer.

**WARRANTY:** Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.

In case of emergency or for product use information, call 1-800-248-7763
