

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs  
Registration Division (7505T)  
1200 Pennsylvania Ave., N.W.  
Washington, D.C. 20460

EPA Reg. Number:

89459-142

Date of Issuance:

9/24/25

NOTICE OF PESTICIDE:

☒ Registration  
☐ Reregistration  
(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

RF2366 FT Aerosol

Name and Address of Registrant (include ZIP Code):

James McFadden, Ph.D., Sr. Director, Regulatory Affairs  
Central Garden & Pet  
1501 East Woodfield Road, Suite 200 West  
Schaumburg, Illinois 60173

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA).

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.

*Continues page 2*

Signature of Approving Official:

Elizabeth Fertich, Product Manager 04  
Invertebrate-Vertebrate Branch 1, Registration Division (7505T)

Date:

9/24/25

2. You are required to comply with the data requirements described in the generic data call-in (GDCI) order identified below:

a. Permethrin GDCI- 109701-111

You must comply with all of the data requirements within the established deadlines. If you have questions about the GDCI listed above, you may contact the Chemical Review Manager in the Pesticide Re-Evaluation Division: <http://iaspub.epa.gov/apex/pesticides/f?p=chemicalsearch:1>

3. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. You have 18 months from the date of registration to provide these data.
4. Make the following label changes before you release the product for shipment:
  - Revise the EPA Registration Number to read, "EPA Reg. No. 89459-142."
5. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance. If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

The record for this product currently contains the following CSFs:

- Basic CSF dated 02/17/2023
- Alternate CSF 1 dated 02/17/2023
- Alternate CSF 2 dated 09/16/2025
- Alternate CSF 3 dated 09/16/2025

If you have any questions, you may contact Robert Mitchell at 202-566-2842 or via email at [mitchell.robert@epa.gov](mailto:mitchell.robert@epa.gov).

SUBLABEL A – COMMERCIAL USE

[ ] indicates optional statements

**RF2366 FT AEROSOL**

**Alternate Brand Names: Precor® 2000™ Plus Premise Spray 2**

**ACCEPTED**

**09/24/2025**

Under the Federal Insecticide, Fungicide  
and Rodenticide Act as amended, for the  
pesticide registered under  
EPA Reg. No. 89459-142

Treats 2000 square feet (16 oz.)

Contains PRECOR® Insect Growth Regulator *Plus* adulticides

Contains [With][Plus] PRECOR® [VIGREN™] Insect Growth Regulator [IGR] Kills Flea Eggs

Synergized to keep killing fleas

Stops hatching [flea] eggs (larvae) from developing into adult fleas for 210 days [30 weeks] [7 months]

Kills fleas, ticks, ants (excluding carpenter ants), cockroaches

Kills [Controls] both adult and preadult (larvae)[eggs] fleas

Kills both adult and immature fleas & ticks

Reapply in 14 days, if necessary

Kills preadult (larvae) fleas before they grow up to bite

Leaves no lingering odor (bad smell), no stains, no sticky mess

Effectively breaks the flea life cycle

For Use in the Home/Garage/Kennel to Kill Fleas [, and] Ticks

Use as a spot treatment on carpets, rugs, upholstery, drapes & other places where fleas may hide

For Use in Apartments, Homes, Garages, Automobiles, and Kennels, On Pet Bedding, Furniture, and Other Inanimate Objects Infested with Fleas & Ticks

For use in: Hospitals, Hotels, Motels, Offices, Schools, Supermarkets, Transportation Equipment (Buses, Boats, Ships, Trains, Trucks), Warehouses, Utilities, Veterinary Clinics and Commercial and Industrial Buildings

[Convenient] Easy to Apply [water-based] [aerosol] Reduces hand fatigue

Prevents Reinfestation and Flea Build-Up for 210 Days [30 weeks] [7 months]

Protects for [7 months] [30 weeks] [210 days] from fleas

Carpet-penetrating formula

Contains no CFC or other ozone-depleting substances. Federal regulations prohibit CFC propellants in aerosols.

Kills adult fleas

Kills ticks (Lone star tick, American dog tick, Brown dog tick and Black-legged tick), cockroaches (German cockroach and American cockroach), and ants\* (\*excluding carpenter ants)

Kills flea eggs to prevent reinfestation

Kills ticks [Kills cockroaches and ants\* by contact (\*excluding carpenter ants)]

(FRONT PANEL)

**ACTIVE INGREDIENTS:**

(S)-Methoprene (CAS #65733-16-6).....0.09%

Permethrin (CAS #52645-53-1) .....0.35%

EPA Est. No.

(BACK/OTHER PANEL)

RF2366 FT AEROSOL kills adult fleas, hatching flea eggs, flea larvae, and ticks, cockroaches, and ants (excluding carpenter ants). PRECOR®, [vIGRen®] [S-methoprene], the ingredient in [Precor® 2000™ Plus Premise Spray 2] [RF2366 FT AEROSOL] provides 7 months' [210 days'] [30 weeks'] [ protection by preventing eggs from ever developing into biting fleas. For best results, treat your pet with a product registered for that use, such as [Petcor® 2 Flea & Tick Spray] or other similar on-animal products for complete control of fleas and ticks.

**READ ENTIRE LABEL BEFORE USE.**  
**NOT FOR USE ON HUMANS OR PETS.**

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. For indoor use only.

**SHAKE WELL BEFORE USING**

#### **USE RESTRICTIONS**

Do not use in food areas of food handling establishments, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed, or facility is in operation. Serving areas are areas where prepared foods are served, such as dining rooms, but excluding areas where foods may be prepared or held.

Remove or cover exposed food or drinking water before application.

Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.

Not for broadcast use on indoor residential surfaces.

Do not allow to enter indoor or outdoor drains (*No permita la entrada a desagües internos o externos.*)

Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

Do not enter or allow others to enter until sprays have dried.

Do not wet articles to point of runoff or drip.

Do not use treated article until spray has dried.

Do not use in aircraft cabins.

Do not use in dairy barns or facilities.

To apply at the maximum rate, spray for about 25 seconds to cover a 20 ft X 10 ft area. Do not apply more than one time per day.

Do not apply directly to pets or animals

Do not apply this product in a way that will contact workers or other persons either directly or through drift.

Only protected handlers may be in the area during application.

#### **FOR USE IN THE HOME/GARAGE/KENNEL**

**Identify treatment areas**, especially those where pets frequent, such as in and around pet's sleeping and resting areas. These are the primary areas where fleas, their eggs, and ticks are found. RF-2366 is generally non-staining but make a test application in an inconspicuous area.

**Prepare treatment areas.** Remove pets and birds, and cover and unplug fish aquariums before spraying. Remove motor vehicles before using in garages. For best results with Surface/Carpet treatments, vacuum thoroughly before spraying and discard vacuum bag in outside trash. This product may also be used for infested surfaces inside motor vehicles.

**Apply treatment.** For flea/tick infestations, a single can (16 oz.) treats 2000 square feet. Hold container upside down 12 inches from surface, point actuator towards the surface and push button. Pests must be contacted directly to be effective. Apply as a spot treatment only to surfaces of furniture, rugs, carpets, drapes, and around all pet resting areas until “slightly damp”. Reapply in 14 days, if necessary.

**IMPORTANT:** Follow Directions for Use for application to carpets, upholstery, drapes, and other fabrics to provide thorough flea [tick] elimination. Keep people and pets out of areas during treatment. Vacate room after treatment and ventilate until surfaces are dry before reoccupying. For best results, treat your pets with a registered flea and tick control on-animal product, such as [Petcor® 2 Flea & Tick Spray] or other similar on-animal products to eliminate fleas/ticks on your pets.

#### **FOR USE IN: Hotels, Motels, and Schools**

**Prepare Treatment Areas.** For best results with Surface/Carpet treatments, vacuum thoroughly before spraying and discard vacuum bag in outside trash. Test in an inconspicuous area before treating. Keep people and pets out of areas during treatment. Cover and unplug aquariums before spraying. Thoroughly ventilate until surfaces are dry before reoccupying.

**Apply treatment.** For flea/tick infestations, a single can (16 oz.) treats 2000 square feet. Hold container upside down 12 inches from surface, point actuator towards the surface and push button. Pests must be contacted directly to be effective. Apply as a spot treatment only to surfaces of furniture, rugs, carpets, and drapes, until “slightly damp”. Reapply in 14 days, if necessary.

#### **FOR USE IN: Hospitals, Offices, Supermarkets, Transportation Equipment (Buses, Boats, Ships, Trains, Trucks), Warehouses, Utilities, Veterinary Clinics and Other Commercial and Industrial Buildings**

**Prepare Treatment Areas.** For best results with Surface/Carpet treatments, vacuum thoroughly before spraying and discard vacuum bag in outside trash. Keep people and pets out of areas during treatment. Cover and unplug aquariums before spraying. Thoroughly ventilate until surfaces are dry before reoccupying.

**Apply Treatment.** For flea/tick infestations, a single can (16 oz) treats 2000 square feet. Hold container upside down 12 inches from surface, point actuator towards the surface and push button. Pests must be contacted directly to be effective. Apply as a spot treatment only to surfaces of furniture, rugs, carpets and drapes and until “slightly damp”. Mist treated areas only until “slightly damp”. Reapply in 14 days, if necessary. **IMPORTANT:** Follow Directions for Use for application to carpets, upholstery, drapes, and other fabrics to provide thorough flea [tick] elimination.

For cockroaches: Spray into harborage areas, such as cracks, crevices, behind sinks, cabinets, along baseboards and floors, around drains and plumbing, hitting insects with spray whenever possible. For ants (excluding carpenter ants): Spray trails, nests, and points of entry. Spray directly on ants (excluding carpenter ants) where possible.

#### **STORAGE and DISPOSAL:**

Do not contaminate water, food, or feed by storage or disposal.

**Pesticide Storage:** Store in a cool dry area. Do not transport or store below 32° F. **Container Handling and Pesticide Disposal:** Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for local disposal options. Do not pour or dispose of down-the-drain or sewer.

#### **PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION:** Avoid contact with skin or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

**Personal Protective Equipment (PPE)**

Applicators must wear the following:

Long-sleeve shirt and long pants,

Shoes plus socks,

Chemical-resistant gloves. Some materials that are chemical-resistant to this product are barrier laminate, nitrile rubber ≥ 14 mil, neoprene rubber ≥ 14 mil, Viton ≥ 14 mil.

**USER SAFETY REQUIREMENTS**

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Discard clothing and other absorbent material that have been drenched or heavily contaminated with the product. Do not reuse them.

<b>FIRST AID</b>	
<b>IF ON SKIN OR CLOTHING</b>	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<b>IF SWALLOWED</b>	<ul style="list-style-type: none"> <li>• Immediately call a poison control center or doctor for treatment advice.</li> <li>• Do not induce vomiting unless told to do so by a poison control center or doctor.</li> <li>• Do not give ANY liquid to the person.</li> <li>• Do not give anything by mouth to an unconscious person</li> </ul>
<b>In case of emergency, call 1-800-248-7763 or a poison control center.</b> Have the product container or label with you when calling a poison control center or doctor or going for treatment.	
<b>NOTE TO PHYSICIAN/VETERINARIAN:</b> Contains petroleum distillates – vomiting may cause aspiration pneumonia.	

**USER SAFETY RECOMMENDATIONS:**

Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.

Users should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

**PHYSICAL OR CHEMICAL HAZARDS:** Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

Seller warrants that this product conforms to the chemical specifications expressed on the label. To the extent consistent with applicable law, Seller makes no other warranties and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, seller's liability for default, breach, or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.

For product use information or in case of emergency, call 1-800-248-7763
