Subject: Notification - To make minor text changes and optional label claims in accordance with PR Notice 98-10.

Product Brand Name: **BullFrog®Mosquito Coast®Twilight.**  
EPA Reg. No: **89523-2.**  
Your Submission dated October 15, 2013.

Dear Ms: Roberts:

The Biopesticides and Pollution Prevention Division is in receipt of your application for Notification under Pesticide Registration Notice (PRN) 98-10 dated above. A screen of this request has been conducted for its applicability under PRN 98-10, and it has been determined that the actions requested fall within the scope of this Notice. Our records have been duly noted, and the label submitted with this application has been stamped "Notification Accepted" and will be placed accordingly in our records.

Three (3) copies of final printed labeling must be submitted to the Agency before your product as modified, may be sold or distributed [PR Notice 82-2 and 40 CFR 156.10(a) (6)].

If you have any questions regarding this action, you may contact Mr. Sylvester George at (703) 603-0688 or via e-mail at [george.sylvester@epa.gov](mailto:george.sylvester@epa.gov).

Sincerely,

*Linda A. Hollis*

**RE: BullFrog® Mosquito Coast® Twilight; EPA Reg. No. 89523-2  
 NOTIFICATION to add marketing text and optional label claims**

Dear Ms. Hollis:

Enclosed with this letter you will find the following in support of a label NOTIFICATION to add marketing text and optional label claims, as follows:

- 1) 8570-1 Notification form;
- 2) One (1) copy of the label with all changes highlighted in red.

Marketing text and optional label claims added are in line with text and claims already on the EPA approved label for this product. Please do not hesitate to let me know if you have any questions or comments.

Sincerely,

Amy Plato Roberts  
 Sr. Regulatory Consultant

**KEEP OUT OF REACH OF CHILDREN**  
**CAUTION**

**NET CONTENTS:** 4.7 fl. oz. (139 mL); 6 fl. oz. (177 mL)

**(Back Panel)**

(BullFrog® Mosquito Coast® Twilight formula repels mosquitoes for up to eight hours. Gentle formula does not need to be washed off when returning from the outdoors. Pleasant fragrance.)

(BullFrog® Mosquito Coast® Twilight is the perfect choice when the sun goes down and the bugs come out. With a splash of cool aloe, this non-greasy formula goes on clear and dries instantly. It helps to keep skin looking and feeling good – moisturizes and cools sun-drenched skin while keeping biting insects away.

IR3535® Insect Repellent in this product provides long lasting protection and is suitable for the entire family to use. Plus, this gentle formula does not need to be washed off when returning from the outdoors. BullFrog® Mosquito Coast® Twilight...Enjoy being outdoors even longer!

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling. An adult must apply this product to children under 10. Do not exceed 3 applications per day for children. **To apply to skin:** Apply liberally and evenly over dry, exposed skin. **To apply to face:** Do not spray directly on face. Spray on palm of hand and apply to face by patting. For continued protection from mosquitoes, reapply after 8 hours, not to exceed 4 applications per day for adults.

*For liquid spray packaging:*

**STORAGE:** Store in a cool, dry place in tightly closed container.

**DISPOSAL:** If empty: **Nonrefillable container. Do not reuse or refill this container.** Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

*For pressurized packaging:*

**STORAGE:** Store in a cool, dry place. Avoid long term storage above 104°F (40°C). Do not store at temperatures above 120°F (49°C).

**DISPOSAL:** If empty: **Nonrefillable container. Do not reuse or refill this container.** Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

**PRECAUTIONARY STATEMENTS:**

**HAZARDS TO HUMANS: CAUTION.** For external use only. Causes moderate eye irritation. Do not get in eyes. Do not use on children under 6 months of age unless with the advice of a physician.

*For liquid spray packaging:*
