

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs  
Registration Division (7505P)  
1200 Pennsylvania Ave., N.W.  
Washington, D.C. 20460

EPA Reg. Number:

89609-2

Date of Issuance:

9/1/15

NOTICE OF PESTICIDE:

Registration  
 Reregistration  
(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

PetAction Six Month Collar

Name and Address of Registrant (include ZIP Code):

Mary Hunt, Exponent, Inc.  
c/o TruRx, LLC  
500 East Shore Drive  
Eagle, ID 83616

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Kable Bo Davis, Product Manager 3  
Invertebrate and Vertebrate Branch 1  
Registration Division (7505P)

Date:

9/1/15

2. You are required to comply with the data requirements described in the DCIs identified below:

- a. Deltamethrin: GDCI-097805-889  
GDCI-097805-1100  
GDCI-097805-1210

You must comply with all of the data requirements within the established deadlines. If you have questions about the Generic DCIs listed above, you may contact the Chemical Review Manager in the Pesticide Reevaluation Division: [http://www.epa.gov/oppsrrd1/contacts\\_prd.htm](http://www.epa.gov/oppsrrd1/contacts_prd.htm)

3. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. A one year study is required to satisfy these data requirements. You have 18 months from the date of registration to provide these data.
4. Make the following label changes before you release the product for shipment:
- Revise the EPA Registration Number to read, “EPA Reg. No. 89609-2.”
5. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 08/05/2015
- Alternate CSF 1 dated 08/05/2015
- Alternate CSF 2 dated 08/05/2015
- Alternate CSF 3 dated 08/05/2015

If you have any questions, please contact Maggie Rudick by phone at 703-347-0257, or via email at [rudick.maggie@epa.gov](mailto:rudick.maggie@epa.gov).

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS****CAUTION**

Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

**Use Restrictions**

Do not open package containing collar until ready to use. Do not use on puppies under 12 weeks. Do not use on cats. Consult a veterinarian before using this product on debilitated; aged, pregnant, medicated, or nursing animals. Sensitivities may occur after using ANY pesticide products for pets. If signs of sensitivity occur, remove collar and bathe your dog with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

**[PRODUCT INFORMATION]**

[PETACTION SIX MONTH COLLAR provides full season, up to 6 months protection against fleas and ticks.]

[Use PETACTION SIX MONTH COLLAR year round for [optimum][most effective][continuous] control.]

[Replace every 6 months or sooner if needed.]

[PETACTION SIX MONTH COLLAR contains deltamethrin insecticide and has been specially formulated in a polymer matrix to provide effective control of fleas and ticks for up to 6 months.]

[Maximum effectiveness may not occur for 2-3 weeks after collar placement.]

[Consider bathing your dog with an EPA registered flea and tick shampoo if your dog is infested to provide immediate relief from itching and biting before applying PETACTION SIX MONTH COLLAR [collar]].

[Fleas (*Ctenocephalides sp.*) on the dog will be killed.]

[Fleas which are present in the dog's environment that may infest your dog will be killed.]

[Ticks on the dog will be killed, including Brown dog tick (*Rhipicephalu sanguineus*), American dog tick (*Dermacentor variabilis*), and deer ticks (*Ixodes scapularis* and *Ixodes pacificus*) [which may transmit Lyme disease.]]

[Collar protects dogs from fleas and tick up to 6 months when worn continuously.]

[Apply new collar on dog every 6 months.]

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**READ ENTIRE LABEL BEFORE EACH USE  
USE ONLY ON DOGS 12 WEEKS AND OLDER****[Directions for Extruded Collars]**

Do not open (package)(tin)(carton) until ready to use. Dust forms on collar during storage. Do not get dust in mouth or eyes. Wipe collar with a damp paper towel or disposable cloth prior to applying, to remove dust on collar. Place collar around dog's neck, adjust for fit, and buckle in place. Leave 2 or 3 inches for extra adjustment. Cut off and dispose of any excess length by wrapping in newspaper and placing in trash. Wash hands after placing collar on dog.

**(OR)**

**[Directions for Injection Molded Collars]**

Do not open (package)(tin)(carton) until ready to use. Dust forms on collar during storage. Do not get dust in mouth or eyes. Remove collar from package and stretch to full length. [The tabs that held the

collar in place will fall off when stretching; pull on any remaining tabs to remove them.] Wipe collar with a damp paper towel or disposable cloth prior to applying, to remove dust on collar. Place collar around dog's neck; adjust for fit by sliding the collar through the buckle and restraining loops. Cut off and dispose of any excess length by wrapping in newspaper and placing in trash. Wash hands after placing collar on dog.

#### **[Directions Continued for Extruded or Injection Molded Collars]**

The collar must be worn loosely to allow for growth of the dog and to permit the collar to move about the neck. Generally, a properly fitted collar is one that when fastened, will snugly slide over the dog's head. Maximum effectiveness may not occur for 2-3 weeks after collar placement. Water does not affect the collar's effectiveness or the pet's protection. If the dog goes swimming or is out in the rain, it is not necessary to remove the collar. PetAction Six Month Collar may be used in addition to a lead or constraint collar. Use only one PetAction Six Month Collar at a time. Collar should be worn continuously. Apply a new collar every 6 months.

#### **STORAGE AND DISPOSAL**

**Pesticide Storage:** Store this product in a cool, dry place away from children and pets.

**Pesticide Disposal and Container Handling:** Do not reuse container or used collar. Dispose of in trash.

#### **[WARRANTY**

Read the entire Directions for Use and Warranty before using this product. By using this product, user or buyer accepts the following warranty. The directions for use of this product are believed to be adequate and must be followed carefully. It is impossible to eliminate all risks associated with the use of this product. Unintended consequences may result because of unknown factors. To the extent consistent with applicable law, the user or buyer shall assume all such risks. TruRx, LLC is committed to providing high quality products.
