89958-1

Date of Issuance:

1/28/14

Term of Issuance:

Unconditional

Name of Pesticide Product:

Botanicare® Clone Gel

NOTICE OF PESTICIDE:

☒ Registration☐ Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Botanicare
6858 W. Chicago St.
Chandler, AZ 85226

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA). Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on her motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This registration does not eliminate the need for continual reassessment of the pesticide. If the EPA determines at any time that additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under section 3(c)(2)(B) of FIFRA.

This product is unconditionally registered in accordance with FIFRA Sec. 3(c)(5) and is subject to the following terms:

1. Submit and/or cite all data required for registration of your product under FIFRA section 3(c)(5) and section 4 when the Agency requires all registrants of similar products to submit such data.
2. Submit an acceptable data package within 18 months of the date of registration for the following Guideline Studies: OPPTS 830.6320 (Corrosion Characteristics) and OPPTS 830.6317 (Storage Stability).
3. Revise the EPA Registration Number to read, "EPA Reg. No. 89958-1."
4. Submit three (3) copies of the revised final printed labeling before you release the product for shipment.

A stamped copy of the label and an A-79 Enclosure are enclosed for your records.

Signature of Approving Official:

Robert McNally, Director

Biopesticides and Pollution Prevention Division (7511P)

ACCEPTED

JAN 28 2014

Under the Federal Insecticide, Fungicide,
 and Rodenticide Act, as amended, for
 the pesticide registered under
 EPA Reg. No. 89958-1

3/3

PERSONAL PROTECTION EQUIPMENT

Applicators and other handlers must wear waterproof gloves

DIRECTIONS FOR USE

Take a cutting from the plant and dip the cut end portion of the stem into Botanicare® Clone Gel. Dip only the part of the plant that is to be placed into a rooting medium. After Botanicare® Clone Gel has been applied; place the cutting into a rooting medium. Keep rooting media moist for best results. For more cloning tips go to www.botanicare.com.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling, if available. If partly filled: Your local government may forbid liquids and pesticides in their landfills. Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

[EPA approval date]

ACCEPTED

Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended (or
the pesticide registered under
EPA Reg. No.
