Subject: Labeling Notification per Pesticide Registration Notices (PRNs) 98-10 and 2007-4 –  
Acceptable Notification Changing Storage and Disposal Section and Other Minor Edits  
Product Name: Algae-Off Tech 85  
EPA Registration Number: 90185-1  
Application Date: May 20, 2016  
OPP Decision Number: 517653

Dear Ms. Davis:

The U.S. Environmental Protection Agency (EPA) is in receipt of your application for notification under Pesticide Registration Notices (PRNs) 98-10 and 2007-4 for the above referenced product. The Biopesticides and Pollution Prevention Division (BPPD) has conducted a review of this request for its applicability under PRNs 98-10 and 2007-4 and finds that the action requested falls within the scope of PRNs 98-10 and 2007-4.

The labeling submitted with this application has been stamped "Notification" and will be placed in our records. You must submit one (1) copy of the final printed labeling with the modifications.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

## Solutions

# Algae-Off Tech 85

For Manufacturing Use Only

Keep Out of Reach of Children

**DANGER – PELIGRO**

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you do not understand this label, find someone to explain it to you in detail).

See inside label for First Aid, Precautionary Statements and directions for use.

**Active Ingredient:**

Sodium Carbonate Peroxyhydrate\* ..... 85.00%

**Other Ingredients** ..... 15.00%

**Total** ..... 100.00%

\*Contains 27.6% Hydrogen Dioxide by weight

## NOTIFICATION

90185-1

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

07/22/2016

EPA Reg. No.: 90185-1

EPA Est. No.: 082998-CHN-001

Net Wt: 50 lbs [pounds]

Manufactured for by: The Pond Guy® Services, Inc.

## First Aid

**If In Eyes:**

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

**If on Skin or Clothing:**

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

**If Swallowed:**

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

**If Inhaled:**

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**Note to Physician:** Probable mucosal damage may contraindicate the use of gastric lavage.

## PRECAUTIONARY STATEMENTS

### Hazards to Humans and Domestic Animals

**DANGER: Corrosive.** Causes irreversible eye damage. Do not get in eyes, on skin or on clothing. Harmful if swallowed or absorbed through the skin. Wear protective eyewear (goggles, face shield or safety glasses). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

### Environmental Hazards

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA. This product may be toxic to birds, bees and other beneficial insects.

### Physical and Chemical Hazards

Strong oxidizing agent. **Corrosive.** Mix only with water in accordance with label instructions. Do not bring in contact with other pesticides, cleaners or oxidative agents.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For formulating only into end-use product for algacide use in containerized water areas and non-painted surfaces. Do not allow this product to come into contact with metals. Avoid heat, moisture, water, acids, bases, salts of heavy metals, reducing agents, organic materials and flammable substances.

## Storage and Disposal

Do not contaminate water, food or feed by storage ~~or~~ and disposal.

**Pesticide Storage:** Store in original containers in a cool, well-vented area, away from direct sunlight. Do not allow product to become overheated in storage; this may cause increased degradation of the product, which will decrease product effectiveness. In case of spill, flood area with large quantities of water.

### **Disposal**

**Pesticide Disposal:** Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

**Container Handling: Disposal** Non-refillable container; do not reuse or refill this container. Completely empty bag into application equipment. Triple rinse (or equivalent). then offer for recycling, if available, or reconditioning, or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

*(Per PR Notice 2007-4 a lot/batch number will appear on either the label or bag.)*
