x Registration
Reregistration
(under FIFRA, as amended)

Term of Issuance: Unconditional

Name of Pesticide Product:
Homebright Original Moth Balls

Name and Address of Registrant (include ZIP Code):

Rejoice International Inc.
c/o
Kimberlee Young
RegWest Company LLC
8203 West 20th St., Suite A
Greeley, CO 80634

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is registered in accordance with FIFRA section 3(c)(5) provided that you:

- 1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.
2. Per 40 CFR 156.10(a)(6), submit one copy of your final printed labeling before you release the product for shipment.
3. Revise the EPA Registration Number to read "EPA Reg. No. 90253-1".

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Confidential Statement of Formula

The acceptable Confidential Statement of Formula (CSF) for this product is:

1 Basic CSF - dated 09-20-13

First Aid

If in Eyes:	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
If Swallowed:	<ul style="list-style-type: none"> Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
If on Skin or Clothing:	<ul style="list-style-type: none"> Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center Network (NPIC) at 1-800-858-7378 for emergency medical treatment information.

{Note: The First Aid statements' grid format will be used if market space permits; otherwise a paragraph format will be used.}

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

WARNING: Causes substantial but temporary eye damage. Wear protective eyewear. Harmful if swallowed. Do not get in eyes, on skin or on clothing. Wear long-sleeved shirt, long pants, shoes, socks and waterproof gloves.

3/4

Thoroughly wash with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Physical or Chemical Hazards

Combustible. Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions: Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics; use only in polyethylene or polypropylene containers. Do not mix paradichlorobenzene or use it together with other moth preventative chemicals.

Homebright™ Original Moth Balls [This product] kills clothes moths, carpet beetles and their eggs & larvae in clean, airtight containers such as chests, trunks and garment bags. Homebright™ Original Moth Balls [This product] prevent[s] moth infestation regardless of fabric type.

Pre-Application Directions: Before storing: Dry clean, wash or brush articles to be protected.

Application Directions: The moth balls in this container treat up to ___ cu. ft. [(___ oz. container)] (based on the ratio of 12 cu. ft. per 4 oz container). [One ounce of mothballs (6 mothballs) treats up to 3 cubic feet of storage space. Examples of the amount of product required for proper treatment are:

4 oz (24 moth balls): Average Garment Bag (12 cu. ft.)

5 oz (30 moth balls): Large Trunk (15 cu. ft.)

1 lb (96 moth balls): Small Storage Closet (50 cu. ft.)

Calculate the volume to be treated by multiplying the height by the width then by the depth of the space. To ensure protection of your clothes use the specified amount of Homebright™ Original Moth Balls [this product]. Distribute mothballs evenly around and between the folds of stored articles. Keep product in airtight space for a minimum of 7 days. If moth balls dissipate add additional mothballs to the container. Odor quickly vanishes when articles are aired.

Retreatment: Since moths are active all year, replenish moth balls in air-tight closets, containers and bags 2 times a year.

{For product in household/residential-use containers:}

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Do not use or store near heat or open flame. Store only in original container, in a cool, dry placed inaccessible to children and pets. **Pesticide Disposal and Container Handling:** Non-refillable container; do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

{For product not in household/residential-use containers:}

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Do not use or store near heat or open flame. Store only in original container in an area that does not exceed temperatures of 100°F (38°C). Store with adequate ventilation. **Pesticide Disposal:** Pesticide wastes are toxic. Improper disposal of pesticide wastes is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your state pesticide or environmental control agency or the hazardous waste representative at the nearest EPA Regional Office for guidance. **Container Handling: Paper and Plastic Bag Disposal):** Non-refillable container; do not reuse or refill this container. Completely empty bag into application equipment then dispose of empty bag in a sanitary landfill; or by incineration if allowed by State and local authorities; or offer for recycling, if available. **Fiber Drum Disposal:** Non-refillable container; do not

reuse or refill this container. Completely empty drum and residue into application equipment then dispose of drum in a sanitary landfill; or by incineration, if allowed by State and local authorities; or offer for recycling, if available.

Notice: This product contains a chemical known to the State of California to cause cancer.
