EPA Form 8570-6

page 2 EPA Reg. No. 90743-1

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Submit two copies of the revised final printed label before you release the product for shipment. Your release for shipment of the product constitutes acceptance of these conditions.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on <u>non-refillable</u> containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10.

A stamped copy of the label is enclosed for your records. If you have any questions, contact Rita Kumar at (703) 308-8291, or <u>kumar.rita@epa.gov</u>.

#### PRECAUTIONARY STATEMENTS

## FIRST AID

Have the product container or label with you when calling a poison control center or going for treatment.

**If swallowed:** Call a poison control center or a doctor immediately for treatment advice. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

**If in eyes:**Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 15 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. **If on skin:**Take off contaminated clothing. Rinse skin immediately with the soap and plenty of water for 15-20 minutes. Call poison control center or doctor for treatment advice.

**If inhaled:** Move person to fresh air. If person is not breathing. call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth of possible. Call a poison control center or doctor for further treatment advice.

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION:

Harmful if absorbed through the skin. Avoid contact with skin, eyes or clothing. May cause eye or skin irritation. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Harmful if inhaled. Avoid breathing vapor. Wash thoroughly with soap and water after handling. Do not use or store near heat or open flame.

**PERSONAL PROTECTIVE EQUIPMENT (PPE):** All pesticide handlers (loaders and applicators) must wear long-sleeve shirts and long pants, socks, shoes, chemical resistant gloves and protective eyewear.

## USER SAFETY REQUIREMENTS

Follow manufactures instructions for cleaning/maintaining PPE. If no such instructions for washables are available, use detergent and hot water. Keep and wash PPE separately from other laundry.

**ENVIRONMENTAL HAZARDS:** Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean water mark Do not contaminate water when disposing of equipment, washwater or rinsate.

**SPILL PROCEDURES:** Remove source of spill. Use absorbent materials to clean up liquid spills. Put absorbed liquid in waste disposal container and flush contaminated surfaces in water. Dispose of according to local and regional authority requirements. This product is biodegradable.

## STORAGE AND DISPOSAL

Do not contaminate water, food or feed by large storage and disposal. **Pesticide Storage:** Store in original container in a cool, dry area and inaccessible to children and domestic animals.

**Pesticide Disposal:** Water resulting from the use of this product may be disposed onsite or at an approved waste disposal facility.

**Container Disposal:** Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent) promptly after use. Offer for recycling if available, or puncture and dispose of in a sanitary landfill., or by other approved State and local procedures.

#### DIRECTIONS FOR USE IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT ON A MANNER INCONSISTENT WITH ITS LABELING FOR USE IN WOODEN STRUCTURES AND/OR WOODEN OBJECTS

**Structural Drywood Termite Infestation:** Applicator must locate termite galleries. Visual signs of infestation such as frass, pellets, or blistered wood, "kick-out holes" and presence of live insects can be used to locate drywood termite infestations. Fiber optic equipment, Thermal Imageing or listening devices can also be used.

#### Application Equipment: Apply D-liminite Orange Oil using B&G

Injector Model T1000 Trigger with 6466 T-Jet Valve or equivalent with 14.5 psi in line pressure register.

**Wood Injections:** Drill 7/64" holes into galleries within infested wood. Avoid electrical wiring and plumbing when drilling. Do not drill completely through wood. Use a "Wide W" pattern at 3"-5" intervals to ensure coverage and penetration of **D-liminite Orange Oil**. Drill holes on opposite sides of 4" x 10" or larger beams to effectively penetrate galleries. Inject for up to one minute. Avoid splash back or runoff from excessive or prolonged use. Plug holes after treatment with wood fillers or other non-wood material. Inject or topically apply at a rate of .19 gallon per 100 sqft. Topical applications should only be applied to bare timber/non painted surfaces.

**Retreatment:** Do not apply again to same area within one year. For best results, inject **D-liminite Orange Oil** into new holes drilled between previous injection sites.

**Wood Boring Beetle Infestation:** Applicator must locate beetle infestation. Topically apply **D-liminate Orange Oil** at a rate of 1 gallon per 100 sqft or until surface is thoroughly wet. **D-liminite Orange Oil** may also be injected with the "Wide W" pattern.

**Retreatment:** Do not apply again to same area within one year. For best results, inject **D-liminite Orange Oil** into new holes drilled between previous injection sites.

**Structural Carpenter Ant Infestation:** This product will only kill foraging carpenter ants present at the time of application. Applicator must locate ant infestation. Inject 1 oz. of **D-liminite Orange Oil** in wall void framing at 10 to 15 psi using B&G Injector Model T100 Trigger with 6466 T-Valve or equivalent. Patch and seal area after treatment.

**Retreatment:** Do not apply again to same area within one year. For best results, inject **D-liminite Orange Oil** into new holes drilled between previous injection sites.

Warranty Disclaimer: Manufacturer Warrants to the extent consistent with applicable law that this product confirms to its chemical description and is reasonably fit for purposes stated on the label, when used in accordance with the directions and instructions specified on the label under normal conditions of use. MANUFACTURER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

**Inherent Risks of use:** The directions for use of this product are believed to be adequate and must be carefully followed. It is impossible to eliminate all risks associated with use of this product. Lack of performance or other unintended consequences may result because of such a factor as use of the product contrary to label instructions, abnormal conditions, the presence of other materials, climatic conditions or the manor of use/application, all of which are beyond the control of the Manufacturer. The buyer/user assumes all such risks.

**Limitation of Remedies:** To the extent consistent with applicable law, the exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories) shall be limited to, at Manufacturer's election, one of the following:

1. Refund of purchase price paid by buyer or user for product bought, or 2. Replacement of amount of product used.

INJURIES.

To the extent consistent with applicable law: a) Manufacturer shall not be liable for losses or damages resulting from handling or use of this product unless Manufacturer is promptly notified of such loss or damage in writing; and b) IN NO CASE SHALL MANUFACTURER BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES OR LOSSES, INCLUDING WITHOUT LIMIT, HEALTH RELATED DAMAGES OR

The terms of this Warranty Disclaimer and Limitation of Remedies cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Manufacturer or the seller is authorized to vary or exceed the terms of this Warranty Disclaimer or Limitation of Remedies in any manner.

It is not intended that this product be used to practice any applicable patent, whether mentioned or not, without procurement of a license, if necessary, from the owner, following investigation by the user.
