

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs  
Registration Division (7505P)  
1200 Pennsylvania Ave., N.W.  
Washington, D.C. 20460

EPA Reg. Number:

91040-1

Date of Issuance:

10/24/2014

NOTICE OF PESTICIDE:

Registration  
 Reregistration  
(under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

SEED RIGHT

Name and Address of Registrant (include ZIP Code):

Clifton WaterWorks LLC  
12644 Chapel Rd  
Suite 108  
Clifton, VA 20124

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.
2. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. A one year study is required to satisfy these data requirements. You have 18 months from the date of registration to provide these data.

Signature of Approving Official:

Hope Johnson, Product Manager 21  
Fungicide Branch, Registration Division (7505P)

Date:

10/24/2014

3. Make the following label changes before you release the product for shipment:
  - Revise the EPA Registration Number to read, “EPA Reg. No. 91040-1”
  - Add an appropriate EPA Establishment Number to the label
4. Submit one copy of the revised final printed label for the record before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 05/12/2014
- Alternate CSF #1 dated 05/12/2014

If you have any questions, please contact Marcel Howard at (703)305-6784 or [Howard.Marcel@epa.gov](mailto:Howard.Marcel@epa.gov).

# SEED RIGHT

## Potato Seed Treatment

### Mancozeb 6% Plus Bark

**ACTIVE INGREDIENTS:**

Mancozeb a coordination product of zinc ion manganese ethylene bisdithiocarbamate .....	6.00%
In which the ingredients are:	
Manganese++ .....	1.20%
Zinc++ .....	0.15%
Ethylene bisdithiocarbamate ion (C <sub>4</sub> H <sub>6</sub> N <sub>2</sub> S <sub>4</sub> ) .....	4.65%
<b>OTHER INGREDIENTS:</b> .....	94.00%
<b>TOTAL</b> .....	<b>100.00%</b>

EPA Reg. No.

EPA Est. No.

### CAUTION

#### KEEP OUT OF REACH OF CHILDREN

#### FIRST AID

**IF IN EYES:**

- Hold eye open and rinse slowly and gently with water for 15-20 minutes
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when you call the poison control center or doctor, or going for treatment. You may also contact 1-800-858-7378 for emergency medical treatment.

#### PRECAUTIONARY STATEMENTS

##### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

##### CAUTION

Causes moderate eye irritation. Avoid contact with eyes or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

##### PERSONAL PROTECTIVE EQUIPMENT (PPE)

Some materials that are chemical resistant to this product are made of any waterproof material. Loaders, applicators and other handlers must wear: long-sleeved shirt, long pants, shoes and socks, chemical-resistant gloves made of any waterproof material, and a particulate respirator with a N, R, or P filter, and NIOSH approved prefix TC-84-A.

##### USER SAFETY REQUIREMENTS

Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them. Follow manufacturer's instructions for cleaning and maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

### User Safety Recommendations:

Users should:

- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

### ENVIRONMENTAL HAZARDS

This pesticide is toxic to aquatic organisms. Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment washwater or rinsate

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation.

### AGRICULTURAL USE REQUIREMENTS

Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR part 170. This standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, and greenhouses, and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE), notification to workers and restricted-entry interval. The requirements in this box only apply to uses of this product that are covered by the Worker Protection Standard. Do not enter or allow worker entry into treated areas during the restricted entry interval (REI) of 24 hours. PPE required for early entry to treated areas that is permitted under the Worker Protection Standard and that involves contact with anything that has been treated, such as plants, soil, or water is: Coveralls, shoes and socks, and chemical-resistant gloves made of any waterproof material.

### POTATO SEED-PIECE TREATMENT

For on farm use only at or immediately before planting. Do not package or bag treated seed pieces for future use.

**Seed Right** dust aids in the suppression of fusarium seed-piece decay, the most common seed and soilborne fungus disease. The use of high quality disease free seed carefully selected and handled, is the first consideration in obtaining the best seed performance.

**Application Rate:** Use 1 lb. of **Seed Right** per 100 lbs. of cut seed. Apply dust so that the entire seed-piece surface is thoroughly covered by the correct amount of fungicide dust. Prevent inhalation of dust by use of exhaust fans during treatment. Subject the seed potatoes to temperatures of 50 degrees to 55 degrees for 10 to 15 days before handling or cutting.

Before starting the cutting operation, thoroughly clean and sanitize all equipment which will contact the seed-pieces such as: Cutting Equipment including; cutting machines, knives, tables, and all other associated cutting equipment; Planting Equipment including; planters, truck beds and all other associated planting equipment.

Plant treated seed immediately after cutting into soil sufficiently warm and moist to promote good wound healing. Storage of cut seed can potentially increase the incidence of decay. Consult local University or Agricultural Extension Agents for specific recommendations.

**Notice: Seed Right** will not control bacterial decay such as blackleg and soft rot, or diseases present within the seed.

**RESTRICTIONS:** Do not use treated seed pieces for food or feed purposes. Do not package or bag

treated seed pieces for future use.

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

**Storage:** Store in a cool, dry place. Avoid contact with floor and moisture.

**Pesticide Disposal:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA regional office for guidance.

**Container Handling:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. Completely empty bag into application equipment. Then dispose of in a sanitary landfill, or by incineration, or if allowed by State and local authorities, by burning. If burned stay out of smoke.

**DISCLAIMER OF WARRANTIES:** Clifton WaterWorks, warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label only when used in accordance with label directions under normal conditions of use. To the extent consistent with applicable law CLIFTON WATERWORKS MAKES NO OTHER EXPRESS OR IMPLIED WARRANTIES EITHER OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE. Handling, Storage and use of the product by Buyer or User are beyond the control of Land View, Inc. and Seller. To the extent consistent with applicable law risks such as crop injury, ineffectiveness or other unintended consequences resulting from, but not limited to weather or soil conditions, presence of other materials, disease, pest, drift to other crops or property or failure to follow label directions will be assumed by the Buyer or User. To the extent consistent with applicable law, in no case will Land View, Inc. or Seller be held liable for consequential, special or indirect damages resulting from the handling, storage or use of this product.
