Subject: Non-PRIA (Pesticide Registration Improvement Act) Labeling Amendment – Acceptable Revision to the Directions for Use section to remove the word “ONLY”.
Product Name: Rejex-it MA
EPA Registration Number: 91897-2
Application Date: 08/27/2020
Submission Number: 1056519
OPP Decision Number: 561333

Dear Ms. Tillman:

The amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. “To distribute or sell” is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR § 152.3.

Should you wish to add/retain a reference to your company’s website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the U.S. Environmental Protection Agency (EPA). If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims

OPP Decision No. 561333

made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact James Parker by phone at (703) 306-0469 or via email at parker.james@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Andrew C. Bryceland". The signature is fluid and cursive, with a long, sweeping tail on the final letter.

Enclosure

Rejex-it MA¹

THIS PRODUCT MAY BE USED ONLY FOR FORMULATION OF REGISTERED END-USE PRODUCTS FOR BIRD CONTROL

ACTIVE INGREDIENT:

Methyl Anthranilate (MA), methyl 2-aminobenzoate.....98.5%

OTHER

INGREDIENTS:.....1.5%

TOTAL:100.0%

1) Rejex-it MA, a trade name for Methyl Anthranilate (MA), has been produced to exceed U.S. Food Chemical Codex (FCC) specifications.

PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS & DOMESTIC ANIMALS

Caution. Harmful if swallowed. Causes moderate eye injury (irritation). Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. When handling, wear safety glasses and dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C).

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, ocean or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.

STORAGE & DISPOSAL

STORAGE: Store only in original container, in a dry place inaccessible to children, pets and domestic animals. Store apart from pesticides, fertilizers, food or feed that may cause cross-contamination from odor. Keep container closed when not in use.

REPELLENT DISPOSAL: Waste resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty container then triple rinse. Offer for recycling or reconditioning, or puncture and dispose in a sanitary landfill, or by other procedures approved by State and local authorities.

DIRECTIONS FOR USE

THIS PRODUCT MAY BE USED FOR FORMULATION OF REGISTERED END-USE PRODUCTS FOR BIRD CONTROL.

This product may be used to formulate products for any additional use(s) not listed on this label if the formulator has complied with U.S. EPA submission requirements regarding support of such use(s).
