

U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Registration Division (7505P)  
1200 Pennsylvania Ave., N.W.  
Washington, D.C. 20460

EPA Reg. Number:

91974-1

Date of Issuance:

9/21/16

NOTICE OF PESTICIDE:

Registration  
 Reregistration  
(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

Seven Star Moth Balls

Name and Address of Registrant (include ZIP Code):

Ms. Heather Bjornson  
Regulatory Consulting, LLC  
Agent for, American Eagle Home Products, LLC  
272 Hathaway Lane  
Wynnewood, PA 19060

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Mark Suarez, Product Manager 07  
Invertebrate-Vertebrate Branch 3 Registration Division (7505P)

Date:

9/21/16

2. You are required to comply with the data requirements described in the identified below:
  - a. Para-dichlorobenzene GDCI-061501-17048
  - b. Para-dichlorobenzene GDCI-061501-17382
  - c. Para-dichlorobenzene GDCI-061501-17678
  - d. Para-dichlorobenzene GDCI-061501-28450

You must comply with all of the data requirements within the established deadlines. If you have questions about the Generic DCI or EDSP Order listed above, you may contact the Chemical Review Manager in the Pesticide Reevaluation Division:

<http://iaspub.epa.gov/apex/pesticides/f?p=chemicalsearch:1>

3. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. A one year study is required to satisfy these data requirements. You have 18 months from the date of registration to provide these data.
4. Make the following label changes before you release the product for shipment:
  - Revise the EPA Registration Number to read, “EPA Reg. No. 91974-1.”
5. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated June 7, 2016

### **PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS WARNING:** Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through the skin. Causes eye, skin and respiratory tract irritation. Avoid breathing dust or vapors. Do not get in eyes, on skin or clothing. Wear protective eyewear. Wash thoroughly with soap and water after handling before eating, drinking, chewing, gum, or using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Warning: this product contains chemicals known to the state of California to cause cancer.

### **PHYSICAL OR CHEMICAL HAZARDS**

Combustible. Do not use or store near heat of open flame.

### **STORAGE AND DISPOSAL**

Do not contaminate food, feed or water by storage and disposal.

**PESTICIDE STORAGE:** Store only in original container In a cool, dry well-ventilated place inaccessible to children and pets.

**PESTICIDE DISPOSAL:** **If empty** Do not reuse this container. Place in trash or offer for recycling If available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal Instructions. Never place unused product down any Indoor or outdoor drain.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner Inconsistent with its labeling.

**IMPORTANT: Keep out of reach of children. Do not place in areas accessible to children.**

**Use Restrictions:** Kills clothes moths, carpet beetles and their eggs and larvae in clean, airtight containers such as chests, trunks, and garment bags. Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics, use only polyethylene or polypropylene containers. Do not mix paradichlorobenzene or use it with other moth preventative chemicals. Seven Star Moth Balls prevent moth infestation regardless of fabric type.

**Pre-Application Directions:** Before storing, dry clean, wash or brush articles to be protected prior to storage.

**Application Directions:** The mothballs in this container can treat up to 12.5 cubic feet (4 oz container), 18 cubic feet (6 oz. container), 24 cubic feet (8 oz. container), 30 cubic feet (10 oz. container), 36 cubic feet (12 oz. container), 42 cubic feet (14 oz. container), 45 cubic feet (15 oz. container), 50 cubic feet (16 oz container), 54 cubic feet (18 oz. container), 62 cubic feet (20 oz. container), 75 cubic feet (24 oz. container).

One ounce of mothballs can treat up to 3 cubic feet of storage space. Examples of the ampunt of product required for proper treatment are listed below:

How Much to Use				
Container Store in	Dimensions Inches	Cu. Ft	Minimum No of balls	Ounces
Small Chest	18"x22"x36	8.25	24	3.3
Garment Bag			35	4.7
Large Chest	18'x 24' x60'	15	44	6.0

For other size containers, calculate the volume to be treated by multiplying the height by the width, and depth of the space. The proper treatment of larger volumes may require the use of additional containers of this product.

Distribute mothballs evenly around and between the folds of stored articles. Keep product in airtight space for a minimum of 7 days. If mothballs have dissipated, add additional mothballs to the container. Odor quickly vanishes when articles are aired.

**Retreatment:** Since moths are active all year, replenish air-tight closets, containers, and bags 2 times a year.

Not for Use to Control Squirrels, bats and birds inside the home.

Optional Label Claims:

- 1) Protects clothing and fabrics by killing moth's larvae, carpet beetles, and their eggs before they damage clothing and cloth.
