Subject: Labeling Notification per Pesticide Registration Notice (PRN) 98-10 - To add two alternate brand names and optional marketing images and claims.
Product Name: Moth Shield
Admin Number: 92493-1
EPA Receipt Date: 09/03/2025
Action Case Number: 00666410, 0066412

Dear Jeffrey Currie:

The U.S. Environmental Protection Agency is in receipt of your application for notification under Pesticide Registration Notice 98-10 for the above referenced product. The EPA has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The labeling submitted with this application has been stamped "Notification" and will be placed in our records.

The alternate brand names: "ELIMINATOR LAVENDER-SCENTED MOTH BALLS", and "ELIMINATOR ORIGINAL-SCENTED MOTH BALLS" have been added to the registration. Our records have been updated accordingly.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

If you have questions, please contact Ralph Narain by email at narain.ralph@epa.gov.

Sincerely,

Ralph Narain for

Melissa Bridges, Product Manager 07

WARNING

SEE BACK PANEL FOR ADDITIONAL PRECAUTIONS

FIRST AID	
IF IN EYES	Hold eye open and rinse slowly gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
IF SWALLOWED	Call a poison control center or doctor immediately for treatment advice. Have person drink several glasses of water. Do not induce vomiting unless told so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
IF INHALED	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15- 20 minutes. Call a poison control center or doctor for treatment advice.
HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center Network (NPIC) at 1-800-858- 7378 for emergency medical treatment information.	
NOTE TO PHYSICIAN	
Probable mucosal damage may contraindicate the use of gastric lavage.

Back Panel**PRECAUTIONARY -STATEMENTS
HAZARD TO HUMANS AND DOMESTIC ANIMALS**

WARNING: Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Use protective eyewear such as goggles or face shield. Harmful if absorbed through skin. Avoid contact with skin. Harmful if inhaled. Avoid breathing dust or vapor. Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

NOTICE: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals.

PHYSICAL OR CHEMICAL HAZARD: Combustible. Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of the Federal Law to use this product in a manner inconsistent with its labeling.

Keep out of reach of children. Do not place in areas accessible to children.

[For MOTH SHIELD CLOSET BLOCKS] Thoroughly clean and/or brush clothing articles before storing. Remove MOTH SHIELD block from packaging and cellophane wrapper. Place MOTH SHIELD block in its plastic holder and hang in garment bag or over closet rod. Use one MOTH SHIELD block for every 12 cubic feet of tightly enclosed closet space. As the MOTH SHIELD block dissipates, replace with a new one. MOTH SHIELD block odor quickly vanishes when articles are aired out.

[For MOTH SHIELD MOTH BALLS] Thoroughly clean and/or brush clothing articles before storing. Remove moth balls from packaging. Distribute MOTH SHIELD moth balls evenly around and between the folds of stored articles. Four ounces of MOTH SHIELD moth balls will treat an average-sized garment bag or a medium-sized container (approximately 12 cubic feet). Keep garment bag or container airtight for a minimum of 7 days. If MOTH SHIELD moth balls dissipate, add additional moth balls to the garment bag or container. MOTH SHIELD moth balls odor quickly vanishes when articles are aired out.

Note: Do not use dry cleaning bags, garbage bags, or other containers that would allow product vapors to escape into occupied rooms. Because this product can damage some plastics, use only in polyethylene or polypropylene bags or containers. Para-dichlorobenzene should not be mixed with other moth prevention chemicals.

STORAGE AND DISPOSAL		
PESTICIDE STORAGE	Store in the original container in a dry place inaccessible to children and pets.	
PESTICIDE DISPOSAL AND CONTAINER HANDLING	If Empty	Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available
	If Partly Filled	Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

WARRANTY & CONDITIONS OF SALE

To the extent consistent with applicable law, seller makes no warranty, expressed or implied, concerning the use and handling of this product other than indicated on the label. To the extent consistent with applicable law, buyer assumes all risks of use and handling of this material when such use and handling are contrary to label instructions.

Always read the entire label before using this product.
