Subject: Notification per PRN 98-10 – Add ABN, company internet address, label claims, graphic
Product Name: Imidacloprid 2.15 RB Insecticide
EPA Registration Number: 92564-28
Application Date: 2/9/2018
Decision Number: 538461

Dear Ms. Pandya:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, please contact Jacquelyn Herrick by phone at 703-347-0559, or via email at herrick.jacquelyn@epa.gov.

Sincerely,

A handwritten signature in black ink that reads "J. Herrick for".

FIRST AID +

neonicotinyl Insecticide

If in eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If swallowed:	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.

NOTE: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may contact 877-229-3763 for emergency medical treatment information. Active Ingredient: 2.15% Imidacloprid [CAS # 138261-41-3]

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

- Causes moderate eye irritation.
- Avoid contact with eyes, skin, or clothing
- Wash thoroughly with soap and water after handling and before eating, drinking, or using tobacco.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
Read and follow all label directions.

<p>BEFORE YOU USE</p> 	<ul style="list-style-type: none"> • Apply only to areas not easily accessible to children and pets. • Avoid applying gel to fabric or carpeting, as it may stain some materials. • Do not apply in or on electrical equipment due to the possibility of shock. • Gel cleans up easily with damp paper towel while still wet.
<p>WHERE TO USE</p>	<ul style="list-style-type: none"> • Kitchens - Cupboards, Behind Dishwashers*, Garbage Cans, Behind Refrigerators*, Under Stoves*. • Bathrooms - Behind Bathtubs*, Garbage Cans • Laundry Rooms - Drains, Laundry Tubs*, Behind Washing Machines* • Basements, Garages, Outdoor Areas - Drains, Garbage Cans, Under Laundry Tubs*, Manholes, Pipe Collars, Sewers, Behind Washing Machines*, Behind Water Pipes* • General - Cabinets, Closets, Counters, Cracks, Crevices, Shelving, Sinks <p><small>*Do not apply bait inside these items. Locate behind or under item.</small></p>
<p>HOW MUCH TO APPLY</p>	<ul style="list-style-type: none"> • Spot Treatment: 1 – 2 spots per square yard, each spot ¼” across. • Crack and Crevice Treatment: Squeeze a small amount into crack or crevice. • Recommended spot size [graphic] 
<p>HOW TO APPLY</p>	<ul style="list-style-type: none"> ○ Remove cap from tip ○ Place tip (of Power Wand) (of Power Stick) against area to be treated ○ To dispense, press button to deliver on bait placement ○ NOTE: The first time will require several pumps to prime prior to dispensing ○ When finished, replace cap
<p>FOR BEST RESULTS</p>	<ul style="list-style-type: none"> • Numerous, smaller bait placements will provide faster more effective control than fewer larger placements. • Gel must be applied to clean, dry surfaces. • If bait is completely eaten, reapply more to the same site since additional roaches will be attracted by the secretions and droppings left by the earlier cockroaches. • Do not apply roach baits to areas recently sprayed with insecticides and do not spray insecticides over these baits. The spray insecticides may repel roaches from the baited area.
<p>HOW IMIDACLOPRID 2.15 RB INSECTICIDE WORKS</p>	<p>This bait was specifically formulated to be both a food and water source with extra long attractiveness. It contains a low level of insecticide which cockroaches cannot detect.</p>

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage:	Store in original container in a cool, dry place, out of the reach of children, preferably a locked storage cabinet.
Pesticide Disposal and Container Handling: 	<p>If Empty: Non-refillable container. Do not refill or reuse this container. Place in trash or offer for recycling if available.</p> <p>If partly filled: Call your local solid waste agency or call 1-877-229-3724 for disposal instructions. Never place unused product down any indoor or outdoor drain.</p>

NOTICE

Research and testing has determined that the "Directions for Use" are appropriate for the proper use of Imidacloprid 2.15 RB Insecticide under expected conditions. To the extent consistent with applicable law, the Buyer assumes responsibility for lack of performance or safety if not used according to the directions.

Money Back Guarantee: If you are not satisfied with this product, we will gladly refund your original purchase price.
