Pittsburgh, PA 15238

Subject: Notification per PRN 98-10 – *Updating Company Name, Establishment and
Emergency Number*
Product Name: Woodlife 4:1 Concentrate Clear
EPA Registration Number: 92617-5
Application Date: 04/03/2018
Decision Number: 540045

Dear Dr. Clawson:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, please contact Stacey Grigsby by phone at 703.305.6440, or via email at grigsby.stacey@epa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Stacey Grigsby".

Stacey Grigsby
Regulatory Risk Manager, 34
Regulatory Management Branch II
Antimicrobials Division (7510P)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

GENERAL PRECAUTIONS AND RESTRICTIONS

FOR INDUSTRIAL USE

CONSULT SAFETY DATA SHEET BEFORE USING

Do not apply this product in a way that will contact workers or other persons.
Do not use on wood that will be in contact with food, feed, or potable water.
Do not use this product where any portion of the treated wood will be below ground.
Sealers are necessary if frequent or prolonged dermal contact is expected.

GENERAL INFORMATION

DILUTE BEFORE USING—Add 4 parts Mineral Spirits to 1 part concentrate.

This product is a clear, penetrating, paintable water repellent preservative for wood. It protects against decay fungi (like brown or white rot), staining fungi (like blue stain), surface mold (like black, brown or other colored mildew) and dimensional change.

PRODUCT USES

Millwork, shingles, siding, plywood, hardboard, flakeboard, structural lumber, fences, and outdoor furniture.

APPLICATION INSTRUCTIONS

Preparation: Machine, cut, glue, and sand wood as desired before treating. Do not use over previously finished or stained wood without stripping off old finish. Do not use steel wool. Wood must be clean and dry.

Application: Treating solution, wood and surrounding air must be above 60°F (16°C). Apply by immersion, roller coater, flood spray (non-aerosolized spray) or brush. Do not use high pressure spray. Any surface cut after first treatment must be retreated.

Immersion: Millwork or other items to be painted—3 minutes. Treatment must be in accordance with Window and Door Manufacturer's Association (WDMA) Standard I.S.4—2015. Use only on items for above ground exposure.

Retention: 3 minute immersion—5 to 10 gallons per MBF (A thousand board feet of wood); 30 minute immersion—10 to 15 gallons per MBF; Brush Application—150 sq. ft. per gallon but varies by species and conditions of substrate.

Finishing: Before glazing, painting or varnishing, treatment must be completely dry and odor free. Allow 24 to 48 hours under average temperature and humidity conditions. Can be heat-dried for plant production. Use a sealer such as shellac before using lacquers.

Clean Up: Use water and detergent to clean immersion tanks, spray equipment and surrounding area. Mineral Spirits or paint thinner may be required to remove dried product.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage: Store in a closed, properly labeled container in a cool place. If static generating conditions exist, provide necessary grounding and bonding. Keep containers closed when not in use.

Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Handling: Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth ensuring at least one complete revolution for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling if available.

Woodlife® 4:1 Concentrate Clear

Water repellent wood preservative, concentrate, clear

KEEP OUT OF REACH OF CHILDREN

CAUTION

NOTIFICATION

92617-5

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

05/03/2018

EPA Reg. No. 92617-5
EPA Est. No. 92617-MO-1

ACTIVE INGREDIENTS	
(IPBC) 3-Iodo-2-Propynyl Butyl Carbamate	2.50%
OTHER INGREDIENTS	97.50%
TOTAL	100.00%

This product contains Petroleum Distillates

Read Disclaimer on side panel before buying or using. If such terms are not acceptable, return at once unopened.

FIRST AID	
IF IN EYES	<ul style="list-style-type: none">Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.Call poison control center or doctor for treatment advice.
IF ON SKIN OR ON CLOTHING	<ul style="list-style-type: none">Take off contaminated clothing.Rinse skin immediately with plenty of water for 15 to 20 minutes.Call a poison control center or doctor for treatment advice.
IF SWALLOWED	<ul style="list-style-type: none">Immediately call a poison control center or doctor.Do not induce vomiting unless told to do so by a poison control center or doctor.Do not give any liquid to person.Do not give anything by mouth to an unconscious person.
IF INHALED	<ul style="list-style-type: none">Move person to fresh air.If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.Call a poison control center or doctor for further treatment advice.
HOT LINE NUMBERS	<ul style="list-style-type: none">For medical emergencies call your poison control center at 1-800-222-1222. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For non-emergency information concerning this product, call the National Pesticides Information Center (NPIC) at 1-800-858-7378 (NPIC Web site: www.npic.orst.edu).For transportation emergencies, call Chemtrec at 800-424-9300.
NOTE TO PHYSICIAN	<ul style="list-style-type: none">Contains Petroleum Distillate. Vomiting may cause aspiration pneumonia.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing vapor or spray mist. Remove contaminated clothing and wash before reuse.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Mixers and loaders using liquid formulation must wear:

- Long-sleeved shirt and long pants.
- Chemical resistant gloves (such as barrier laminate, nitrile rubber, neoprene rubber and viton).
- Safety glasses.
- Shoes plus socks.

USER SAFETY REQUIREMENTS

- Follow manufactures instructions for clean/maintaining PPE. If no such instructions exist for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.
- Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them.

USER SAFETY RECOMMENDATIONS

Users must:

- Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing equipment wastewaters. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Eliminations System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of Environmental Protection Agency.

PHYSICAL OR CHEMICAL HAZARDS

COMBUSTIBLE: Do not use or store near heat or open flame.

IN CASE OF FIRE

Use water, fog, foam, carbon dioxide or dry chemical. Cool closed container with water.

DISCLAIMER

To the extent consistent with applicable law, seller (whether manufacturer, distributor, or other) makes no warranty express or implied, including the implied warranty of merchantability AND IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE regarding this product except the composition as set forth in the ingredient statement herein, and shall not be liable for LOST PROFITS, LOST PRODUCTION, LABOR COSTS, TRANSPORTATION CHARGES, OR ANY special, consequential, INCIDENTAL OR DELAY damages, the exclusive remedy being the replacement of the product. To the extent consistent with applicable law, buyer or user assumes all risk of possession, handling or use of this material when such use and/or handling is contrary to label instructions.
