Subject: Notification per PRN 98-10 – Updating Product Number on the Label  
Product Name: Waterbased Woodlife 4:1 Concentrate  
EPA Registration Number: 92617-6  
Application Date: 01/18/2017  
Decision Number: 525699

Dear Ms. Custer:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact Farzana Olla at 703-347-0190 or via email at [olla.farzana@epa.gov](mailto:olla.farzana@epa.gov).

Sincerely,

A handwritten signature in cursive script that reads "Stacey Grigsby".

Stacey Grigsby, Acting Product Manager, 34  
Regulatory Management Branch II  
Antimicrobials Division (7510P)

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

## GENERAL PRECAUTIONS AND RESTRICTIONS:

### FOR INDUSTRIAL USE

DILUTE BEFORE USING—Add 4 parts water to 1 part concentrate.

CONSULT MATERIAL SAFETY DATA SHEET BEFORE USING

Do not apply this product in a way that will contact workers or other persons.

Do not use on wood that will be in contact with food.

Do not use on wood that will come into continuous contact with the skin unless the wood is sealed with paint, varnish, or shellac after treatment.

Keep container closed when not in use.

Apply this product only as specified on this label.

### GENERAL INFORMATION

This product is a clear, penetrating, paintable water repellent preservative for wood. It protects against decay fungi (like brown or white rot), staining fungi (like blue stain), surface mold (like black, brown or other colored mildew) and dimensional change.

### PRODUCT USES

Millwork, shingles, siding, plywood, hardboard, flakeboard, structural lumber, fences, and outdoor furniture.

### APPLICATION INSTRUCTIONS

**Preparation:** Machine, cut, glue, and sand wood as desired before treating. Do not use over previously finished or stained wood without stripping off old finish. Do not use steel wool. Wood must be clean and dry.

**Application:** Treating solution, wood and surrounding air must be above 60°F (16°C). Apply by immersion, roller coater, flood spray or brush. Any surface cut after first treatment must be retreated.

**Immersion:** Millwork or other items to be painted—3 minutes. Treatment should be in accordance with WDMA Standard IS-4. Use only on items for above ground exposure.

**Retention:** 3 minute immersion—5 to 10 gallons per MBF; 30 minute immersion—10 to 15 gallons per MBF; Brush Application—150 sq. ft per gallon but varies by species and conditions of substrate.

**Finishing:** Before glazing, painting or varnishing, treatment should be completely dry and odor free.

Allow 24 to 48 hours under average temperature and humidity conditions. Can be heat-dried for plant production. Use a sealer such as shellac before using lacquers.

**Clean Up:** Use water and detergent to clean immersion tanks, spray equipment and surrounding area. Mineral Spirits or paint thinner may be required to remove dried product.

## STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

**Storage:** Store in a closed, properly labeled container in a cool place. If static generating conditions exist, provide necessary grounding and bonding. Keep containers closed when not in use.

**Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**Container Handling:** Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container 1/4 full with water. Replace and tighten closures.

Tip container on its side and roll it back and forth ensuring at least one complete revolution for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling if available.

# Waterbased Woodlife® 4:1 Concentrate

Water repellent wood preservative, concentrate, clear

KEEP OUT OF REACH OF CHILDREN

## CAUTION NOTIFICATION

92617-6

EPA Reg. No. 92617-6  
EPA Est. No. 60061-MO-1

The applicant has certified that no (PBC) 3-Iso-2-Propenyl Butyl Carbamate changes, other than those reported in OTHER INGREDIENTS, the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

ACTIVE INGREDIENTS 2.50%  
(PBC) 3-Iso-2-Propenyl Butyl Carbamate 22.50%  
OTHER INGREDIENTS 75.00%  
TOTAL 100.00%

Read Warranty on side panel before buying or using. If such terms are not acceptable, return at once unopened.

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION.** Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing vapor or spray mist. Remove contaminated clothing and wash before reuse.

### PERSONAL PROTECTIVE EQUIPMENT (PPE)

Mixers and loaders using liquid formulation must wear:

1. Long-sleeved shirt and long pants.
2. Chemical resistant gloves (such as barrier laminate, nitrile rubber, neoprene rubber and viton).
3. Safety glasses
4. Shoes plus socks

### USER SAFETY REQUIREMENTS

- Follow manufactures instructions for clean/maintaining PPE. If no such instructions exist for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.
- Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them.

### USER SAFETY RECOMMENDATIONS

Users should:

- Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.

### ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing equipment wastewaters. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Eliminations System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of Environmental Protection Agency.

### PHYSICAL OR CHEMICAL HAZARDS

COMBUSTIBLE: Do not use or store near heat or open flame.

### IN CASE OF FIRE

Use water, fog, foam, carbon dioxide or dry chemical. Cool closed container with water.

### LIMIT OF WARRANTY AND LIABILITY

We warrant this material to comply with our published specifications and to be of good merchantable quality and such as will regularly pass in the trade for goods within the description, and further warrant such goods to be fit for the normal purposes for which goods are used. We assume no responsibility that the goods concerned in this contract are fit for any particular purpose for which they are being bought outside of the general purposes of goods of the description.
