Subject: Notification per PRN 98-10 – Updating Product Number
Product Name: Woodlife® 3 Water Repellent Wood Preservative
EPA Registration Number: 92617-11
Application Date: January 18, 2017
Decision Number: 525720

Dear Mr. Clawson:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, please contact Stacey Grigsby by phone at 703.305.6440, or via email at grigsby.stacey@epa.gov .

Sincerely,

A handwritten signature in cursive script that reads "Stacey Grigsby".

Stacey Grigsby, Acting Product Manager, 34
Regulatory Management Branch II
Antimicrobials Division (7510P)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Avoid contact with skin or clothing. Wash thoroughly before eating, drinking, chewing gum, using tobacco, or using handkerchiefs. Wear chemical resistant gloves, such as barrier laminate, nitrile rubber, neoprene, or butyl rubber.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Mixers and loaders using liquid formulation must wear:

1. Long-sleeved shirt and long pants
2. Shoes and socks, and chemical resistant gloves (such as barrier laminate, neoprene rubber or viton).

USER SAFETY REQUIREMENTS

- Follow manufacturer's instructions for cleaning/maintaining PPE. If the cleaning process involves high temperature washables exist, use detergent and hot water. Keep and wash PPE separately after each use. Dry thoroughly before reuse. Do not reuse.
- Discard clothing and other absorbent materials that have been dried and still retain the odor of this product. Do not reuse them.

USER SAFETY INSTRUCTIONS

Users must:

- Wash hands before eating, drinking, chewing gum, using tobacco, or using handkerchiefs.
- Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and change into clean clothing.
- Remove PPE immediately after handling this product. As soon as possible, wash your clothing. Clean laundry with detergent and hot water. Do not reuse clothing worn while using this product until it is completely dry.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and shrimp. Do not apply directly to water bodies, streams, ponds, estuaries, oceans, or other waters unless in accordance with the National Pollutant Discharge Eliminations System (NPDES) permit and you have been notified in writing prior to discharge. Do not discharge effluent containing this pesticide into streams, rivers, lakes, or other surface waters without previously notifying the local sewage treatment plant. For more information, contact your State Water Board or Regional Office of Environmental Protection.

PHYSICAL OR CHEMICAL HAZARDS

COMBUSTIBLE - Do not use, pour, spill, or store near heat or open flame.

IN CASE OF FIRE

Use alcohol foam, dry chemical, carbon dioxide, water spray, fog or foam.

LIMIT OF WARRANTY AND LIABILITY

We warrant this material to comply with our published specifications and to be of good quality and such as will regularly pass in the trade for goods without defect. We warrant such goods to be fit for the normal purposes for which goods of this type are being bought outside of the general purposes of goods of this type.
